Children's Workforce Development Team - Children ' s ...

The induction standards from CWDC set out the knowledge, skills and understanding which are essential to improving outcomes for children, young people and their families. Most services induct new staff and it is recommended that all those working in children ' s services should do so. Induction is your first step along a journey of developing your professional skills and understanding your role.

6.1.15 Post Approval Training for Foster Carers and ...

The CWDC developed a workbook for foster carers in which skills development can be monitored and verified. All foster carers must complete this workbook or one of similar standard. All newly approved foster carers will receive induction training.

CWDC Competency Workbook

Care Certificate Workbook The Care Certificate workbook is a free downloadable resource to support the training process and help you and your new workers cover parts of the Care Certificate. There's a workbook for each standard supported by an introduction and glossary.

The CWDC Induction Standards will ensure that workers are then safe to take on the

appropriate level of responsibility when supporting the children/young people and their families/carers. When workers are expected to perform any tasks that are not covered by the CWDC Induction Standards, appropriate training must be provided before the work is undertaken.
