"Plip, Plop, Lizard Fangs!" is a story written for kids, by kids. We all read stories to our children, hoping that they take away the right lessons

from the stories we know and received and stored in their little developing minds? "Plip, Plop, Lizard Fangs!" is an original story conceived (almost) verbatim from the minds of toddlers and gives us all a rare look at how the lessons we all value are interpreted and told by the children we try to teach them to. Brothers Donny and Song just can't seem to agree. When a strange animal arrives on the scene, can these two best friends find a solution to their problem before it's too late? Get ready for this cute, colorful, and bizarre story straight from the busy minds of a two and four year old. This story was narrated by toddlers and edited (slightly) by an adult for coherence.
