Nissan Navara 2008 ignition barrel repair
SOURCE: wiring towbar electrics for nissan navara d40 The best, and in fact the only recommended solution is to use a plug-in dedicated wiring kit for this car, it plugs into a grey connector on the chassis on the rear of the left hand side. this is the connector that the cars rear light loom is plugged into and the

towbar loom piggybacks onto this using the same watertight sealed connectors.
