Wonderboy Seal Press (CA)

Provides practical, appealing worksheets and other helpful reproducibles for use in instruction of kindergarten students. Over 60 Techniques, Activities & Worksheets for Challenging Children & Adolescents John Wiley & Sons Now more than ever, American dads act as hands-on caregivers who are devoted to keeping themselves and their families healthy. Yet, men are also disproportionately likely to neglect their own health care, diets, and exercise routines—bad habits that they risk passing on to their children. In Dads, Kids, and Fitness, William Marsiglio challenges dads to become more health-conscious in how they live and raise their children. His conclusions are drawn not only from his revealing interviews with a diverse sample of dads and pediatric healthcare professionals, but also from his own unique personal experiences—as a teenage father who, thirty-one years later, became a later-life dad to a second son. Marsiglio ' s research highlights the value of treating dads as central players in what he calls the social health matrix, which can serve both healthy children and those with special needs. He also outlines how schools, healthcare facilities, religious groups, and other organizations can help dads make a positive imprint on their families ' health, fitness, and well-being. Anchored in compelling life stories of joy, tragedy, and resilience, Dads, Kids, and Fitness extends and deepens public conversation about health at a pivotal historical moment. Its progressive message breathes new life into discussions about fathering, manhood, and health.

Integrated Earnings Clearance/fraud Detection System (IEC/FDS) User Guide Oswaal Books and Learning Private Limited

Don't be scared Mom and Dad. Mr. Sam's monsters are friendly. Take a reading journey with your child through Monk's world where all sorts of happy-go-lucky characters hang out. Pursuing his lifelong passion to be an author, Mr. Sam - a.k.a. Sam Ward - has put together one of the most innovative and engaging reading books of our time. His creative approach to beginning reading is matched by his dynamic illustration ability. This is not a traditional ABC book. A few years ago, the author's son was diagnosed with a language disability. The writing of this book is an attempt to understand and communicate with him. The process led down a path of discovery of tools that can benefit all beginning readers.

Krazydad Two Not Touch Volume 1: 360 Star Battle Puzzles to Preserve Your Sanity in These Trying Times PESI Publishing & Media

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

They Called Us Enemy - Expanded Edition ARISE Foundation

Having a baby doesn’t have to mean putting your career on hold. Though pregnancy and childbirth can create tricky situations for moms in the workplace--including legal, social, and practical ones--it’s possible to balance a successful career with committed motherhood. Allyson Downey has done it twice, and Here's the Plan. is her playbook for success. Straightforward, practical, and thoroughly researched, Here's the Plan. provides actionable advice for professional women entering motherhood. With advice collected from her own experiences and interviews with more than fifty working mothers, Allyson Downey--founder of weeSpring, the "Yelp for baby products," and a successful mother of two young children--lays out the essential information new and expectant moms need, including info on how to handle pregnancy at work, maternity leave, and the transition back to working life. Allyson takes on such tricky questions as, "How long should I take off for maternity leave?" "What should my out-of-office message say?" And "What exactly constitutes pregnancy discrimination?" Sensible, compact, and written by one working mom for the benefit of others, Here's the Plan. is the definitive playbook for new and expectant mothers who are thinking, "I’ve leaned in. Now what?"

Thinking Pregnant Albert Whitman & Company

Fatherhood CreateSpace

A must-have baby shower gift for expectant dads! In this one-of-a-kind guide, dad, doula, and certified lactation counselor Brian Salmon and perinatal mental health and relationship expert Kirsten Brunner offer practical, modern-day survival tips for expectant dads and birth partners. Gone are the days when fathers would nervously pace the waiting room while their partners gave birth. Dads are participating in childbirth now more than ever before. However, if you’re like many men, you may feel unprepared, uncomfortable, or even unwelcome in the birth room. For you, this book offers battle-tested tips to help you get in the game and prepare for one of the most incredible adventures of your life. Based on the author’s Rocking Dadschildbirth course, this book will teach you everything you need to know about supporting your partner through birth, breastfeeding, and beyond. In this guide, you’ll discover pointers and advice you won’t find in any other childbirth or breastfeeding guide, including: A list of items to pack for the hospital that will help mom’s

labor go more smoothly Stealth communication skills that you can utilize during early labor to support mom and keep her in a positive state of mind How to write a birth plan that the labor and delivery nurses will actually pay attention to What to say and do—and what not to say and do—when mom is in active labor and feeling all the feelings A detailed account of what to expect in the delivery room as a birth partner, and how to navigate the unknown terrains when things don't go as planned How to help mom achieve proper nipple latch when she attempts breastfeeding for the first time Finally, and perhaps most importantly, you'll find tips for maintaining a strong relationship with your partner before, during, and after the birth so that you feel closer than ever when you launch into the wild yet wonderful world of parenthood.

50 Fantastic Ideas for Engaging Dads Remedia Publications
Ghastly new home. Potentially adulterous husband... Not quite the fresh start in the country she was promised. A fixer-upper in the sticks was the last place city girl Ro Skews expected to live. But her husband, Marcus, wants it—and all the arguments are on his side, namely a better life for Tod, their wonderboy, who has developed social problems in London. Of course, the five-year-old has never been the most...conventional child. While Ro (grudgingly) makes a life for herself in stuffy Chetsley (if you can count suffering the side effects of floor sanding and playing Suburban Lawn Warfare with her sexy neighbor as a life), Marcus starts spending more nights in the city with his cell phone switched off. And Tod, whose fascination with mazes seems to have blossomed into a full-blown obsession, treads the worrying line between eccentric and problematic. Ro searches for the right path in a few mazes of her own—her marriage, motherhood, country customs—but when she unearths a shattering secret, more than one truth is revealed and Ro is left wondering: Is the country any place to raise a family?
