"The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." – The Globe and Mail
Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no

punches. His Lemon-Aid is more potent and provocative than ever.

Designed for undergraduate and MBA courses in regression analysis for business and economics, this text requires very little mathematical expertise beyond

college algebra. Terry Dielman emphasizes the importance of understanding the assumptions of the regression model, knowing how to validate a selected model for these assumptions, knowing when and how regression might be useful in a business setting, and understanding and interpreting output from statistical packages and spreadsheets. Kiplinger's Personal Finance Consumer Guide Books Pub Based on tests conducted by Consumers Union, this guide rates new cars based on

performance, handling, comfort, convenience, reliability, and fuel economy, and includes advice on options and safety statistics. The Auto Guide 2002 Test reports, profiles, and advice on nearly 200 new cars, sport-utility vehicles, minivans, and pickups are provided by America's #1 consumer product-testing center. 240 photos and charts.
