Edmund's New Cars Prices and Reviews Firefly Books Limited
Designed for undergraduate and MBA courses in regression analysis for business and economics, this text requires very little mathematical expertise beyond college algebra. Terry Dielman emphasizes the importance of understanding the assumptions of the regression model, knowing how to validate a selected model for these assumptions, knowing when and how regression might be useful in a business setting, and understanding and interpreting output from statistical packages and spreadsheets.

Autocar Intellichoice

Featuring profiles and photos of over 170 passenger cars, minivans, and four-wheel drive vehicles available for 1999, this book includes the latest suggested retail and dealer-invoice prices for all models.

Kiplinger's Personal Finance Consumer Guide Books Pub

"The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about."

– The Globe and Mail Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years,

Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.

Kiplinger's Personal Finance Signet

Includes advertising matter.

import cars.

The Auto Guide 2002

Lemon-Aid guides steer the confused and anxious
buyer through the economic meltdown unlike any
other car-and-truck books on the market. U.S.

automakers are suddenly awash in profits, and South
Koreans and Europeans have gained market shares,
while Honda, Nissan, and Toyota have curtailed
production following the 2011 tsunami in Japan.

Shortages of Japanese new cars and supplier
disruptions will likely push used car prices through
the roof well into 2012, so what should a savvy buyer
do? The all-new Lemon-Aid Used Cars and Trucks
2012-2013 has the answers, including: More vehicles
rated, with some redesigned models that don't

perform as well as previous iterations downrated.
More roof crash-worthiness ratings along with an
expanded cross-border shopping guide. A revised
summary of safety- and performance-related defects
that are likely to affect rated models. More helpful
websites listed in the appendix as well as an updated
list of the best and worst "beaters" on the market.

More "secret" warranties taken from automaker
internal service bulletins and memos than ever.
