Modern Political Analysis by Robert A. Dahl, 1963 | Online ...

Robert Alan Dahl was a political theorist and Sterling Professor of Political Science at Yale University. He established the pluralist theory of democracy—in which political outcomes are enacted through competitive, if unequal, interest groups—and introduced "polyarchy" as a descriptor of actual democratic governance. An originator of "empirical theory" and known for advancing behaviorist characterizations of political power, Dahl's research focused on the nature of decision making in ...
