Are you or your child in the habit of SKETCHING on one page and then WRITING on the other? This notebook will enable just that, with lined paper and blank pages alternating with each other. It will foster your creativity and make you more focused. You no longer have to look for two different types of notebooks because this has both the types of paper you want. The blank paper may be used for doodling, drawing illustrations, making diagrams or any rough work. The lined paper may be used for taking notes or writing down thoughts and ideas. The advantage of having alternating blank pages and lined pages is that you can refer to your sketches and diagrams when you are writing or vice versa. It makes it very convenient to do everything that you would like to do in a single notebook. Being lightweight it is so easy to carry around, and comes with an elegant cover that will make it stand apart from other notebooks. Features: Made in USA, of high quality paper. Has a total of 100 pages to sketch and write in. The first page has space specially created for writing your name and other details. Beautiful, soft and durable cover with a classy matte finish. Lined pages are college ruled to fit in all your notes. 8.5 x 11 inches in size. Once you start using the notebook, you will realize how convenient it is with its all-purpose utility for drawing, sketching and writing. Get this notebook NOW and gift it to your kid, or just sketch and write your notes and thoughts regularly!
