The Descendants Complete Series

(Books 1, 1.5, 2, 3) Simon and Schuster
A magical new novel from the acclaimed author of THE TOYMAKERS, perfect for fans of Neil Gaiman and Erin Morgenstern. 'A spellbinding tale of nocturnal life and magic in the streets of Paris tells of the courage it takes to be different and follow your dreams.' WATERSTONES 'Beautifully captures the hazy dissonance of storytelling and invention.' GUARDIAN _____

____ Every city has its own magic... Every night on their long journey to Paris from their troubled homeland, Levon's grandmother has read to them from a very special book. Called The Nocturne, it is a book full of fairy stories and the heroic adventures of their people who generations before chose to live by starlight. And with every story that Levon's grandmother tells them in their new home, the desire to live as their ancestors did grows. And that is

when the magic begins... But not everyone in Paris is won over by the spectacle of Paris-by-Starlight. There are always those that fear the other, the unexplained, the strangers in our midst. How long can the magic of night rub up against the ordinariness of day? How long can two worlds occupy the same streets and squares before there is an outright war? Readers love Paris by Starlight! 'Robert Dinsdale, I salute you! A smorgasbord of delights. It's a wondrous thing to be able to visit Paris by Starlight and I'd recommend a trip to you all!' 'Beautifully written and its observations on human nature are spot on. Exceptionally cleverly done. Exceptionally written piece of fabulism with gorgeous, evocative imagery.' 'A real treat and just as enchanting as Dinsdale's The Toymakers. Full of magic as well as being a moving tale of displacement, longing and love.' 'Lovely cover and beautiful prose. I'm about half way through and enjoying every page' 'A truly magical tale that couldn't be more relevant for our times.' 'A gorgeously written tale of love and acceptance'

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the

first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Tell Me to Stay Bethany House I went to a depraved club and came out pregnant by my best friend's dad. Some girls have all the luck. They meet their man, get married, and start

cranking out babies. But I'm not like that. I like things a little different, so I go to the place that satisfies those dark desires: The Cube. What we do in the club is off-limits and taboo to normal society, but it scratches an itch I have deep inside. Unfortunately, one night I meet a man at the Cube who takes my breath away. He's just as dark, dangerous and twisted as me, but then his mask falls away ... AND IT'S MY BEST FRIEND'S DAD! Omg, I've had a crush on Brent Marshall for years. And now he's being naughty with me, his daughter's childhood buddy. What do we do? Or more accurately, what happens when I get pregnant from our illicit encounter? Hold onto your horses because Jane Cuesta is a bad girl. She's got an innocent exterior, but the curvy girl likes things a certain way and Brent Marshall is just the man to give her what she needs. Sure, he's known her since she was practically a baby, but that's why it's so forbidden ... and so mind-blowingly yummy! No cheating, no cliffhangers, and always a HEA for my readers. This book features characters that initially appeared in My Dad's Business Partner, but both books are standalones and can be read on their own.

You'll love them, I promise!
