This book addresses the UNITED STATES OF AMERICA - the "Nation under God" - the foremost nation of this generation. With her destiny securely hid in God - for in "God We Trust" - this nation has been graced by Him to not only shape her future but that of other nations worldwide as well. This divine mandate - to oversee other nations - has most unfortunately brought her into confrontation with the evil forces that rule these nations. The greatest of these forces being FEAR - especially as propagated by terrorists. Terrorism has posed the greatest danger to universal freedom. And once more there is a

summons for America to stand up against this dark threat of violence against the future. FEAR is the terrorists' greatest weapon. Therefore, our primary strategy to defeating terrorism is to refuse to fear. As said President F.D. Roosevelt "the only thing we have to fear is fear itself. which paralyzes needed efforts to convert retreat into advance." Rev. Mbjjiwe Mwenda, a former Kenya Air Force officer, is the Founder and President of Resurrection Glory Ministries International (RGMI) and the Senior Pastor of the Glory Cathedral Church (GCC) based in Nairobi, Kenya. Known best internationally for his life-changing writings, he has authored several books including: Understanding Dreams and Visions; Identifying and Breaking Ungodly Family Altars; Identifying and Breaking Sexual Altars; Breaking the Curse of Poverty; God's Supernatural Power to Make Wealth and Seated With Christ in the Heavenly Places to Rule. He also writes for several Christian Magazines in Kenya including the authoritative Revival Springs magazine. He is married to Annie Zoe, and both live in Nairobi-Kenya, happily serving the Lord.

In this intimate book of inspiration, Tyler Perry writes of how his faith has

sustained him in hard times, centered him in good times, and enriched his life.

*Higher Is Waiting* is a spiritual guidebook, a collection of teachings culled from the experiences of a lifetime, meant to inspire readers to climb higher in their own lives and pull themselves up to a better, more fulfilling place. Beginning with his earliest memories of growing up a shy boy in New Orleans, Perry recalls the moments of grace and beauty in a childhood marked by brutality, deprivation, and fear. With tenderness he sketches portraits of the people who sustained him and taught him indelible lessons about integrity, trust in God, and the power of forgiveness: his aunt Mae, who cared for her grandfather, who was born a slave, and sewed quilts that told a story of generations; Mr. Butler, a blind man of remarkable dignity and elegance, who sold penny candies on a street corner; and his beloved mother, Maxine, who endured abuse, financial hardship, and the daily injustices of growing up in the Jim Crow South yet whose fierce love for her son burned bright and never dimmed. Perry writes of how he nurtured his dreams and discovered solace in nature, and of his resolute determination to reach ever higher. Perry vividly and movingly describes his growing awareness of God's presence in his life, how he learned to tune in to His voice, to persevere through hard times, and to choose faith over fear. Here he is: the devoted son, the loving father, the steadfast friend, the naturalist, the philanthropist, the creative spirit—a man whose life lessons and insights into scripture are a gift offered with generosity, humility, and love.

The Spirit speaks expressly in Scripture that "latter times" will be "hard times" and that spiritual strength will be required of God's people. Paul defines these challenging times in 2 Timothy 3:1-5 where the godlessness of the "last days" will increase to a level of fierceness never known on planet earth before. The Bible also declares that God will raise up His people to shine brightly and manifest His glory at the same time by preaching the Word with signs and wonders following

to attract the masses to Christ. This new book entitled "Built Strong" contains 31 Keys To Spiritual Power because "power increases with spiritual maturity" that is a result of digesting the "strong meat" of God's Word. The apostolic teachings of Paul provide the nourishment for the overcoming spiritual life to those who desire to "be all and do all" that is possible for the follower of Christ.

classic for more than thirty years, *Where Is God When It Hurts?* honestly explores pain--whether physical, emotional, or spiritual--and sheds new light on God's presence in our suffering. Includes a discussion guide. "How can a loving God allow this to happen? Either God is all-loving or all-powerful, but he can't be both." You've heard that question, and perhaps even asked it yourself. No matter how you complete it, at its root lies the issue of pain. When a loved one dies, we receive a terminal diagnosis, or natural disasters strike, people often wonder whether God is the cause of suffering and why he doesn't immediately take away the pain or fix the situation. As a result, we become angry at the once-beloved God who betrayed us. In this Gold Medallion Award-winning book, Philip Yancey uses examples from the Bible and from his own experiences to show us how we can learn to accept--without blame, anger, or fear--that which we don't understand. He answers questions such as: Why is there such a thing as pain? Is pain a message from God? How should we respond to suffering? How can we cope with pain? Does faith help? Yancey speaks to everyone for whom life sometimes doesn't make sense. With compassion and clarity, Yancey brings us one step closer to finding an answer when our pain, or the pain of those we love, is real and we are left wondering, where is God when it hurts?

[An Invitation to a Deeper Friendship with Jesus](#) Thomas Nelson  
Words have played a vital role since the beginning of time. In the book of Genesis, God created the world and everything in it with His

words. Today, as believers, we have the same God-like ability to speak those things which be not as though they were. Through God's Word, Kenneth Copeland reveals the Bible secret of words and the vital importance of using the tongue to create rather than destroy. [A Biblical View of Poverty, the Currency of Love, and a Pattern for Lasting Change](#) Zondervan  
You know people around the world are struggling. A homeless man holds a sign that reads, "Anything helps." A poor child lives in a slum swarming with flies. A refugee mother is on the brink of starvation. You ask yourself, "But what can I do about such big problems?" You're looking for long-term solutions. John D. Barry shares incredible, and often shocking, stories about working among the impoverished and unchurched in the U.S. and abroad. And since Barry is a Bible scholar, Jesus' Economy is also deeply rooted in the Scriptures. It is a personal, sometimes funny, often heartbreaking account that presents a revolutionary pattern for lasting change. Jesus' Economy is based on self-sacrifice. His currency is love. It's called Jesus' Economy because it's about creating a spiritual and physical economy for those who need it most. Here is a thoroughly biblical and compassionate pattern for addressing issues of poverty and offering the hope of the gospel. Jesus' Economy: • Shows how you as an individual can best encourage renewal in your community. • Demonstrates how your church community or any group can alleviate poverty. • Presents a unified plan for creating jobs, spreading the gospel, and meeting basic needs. • Focuses on community development and sustainability—lasting change, globally and locally. Jesus' Economy is a call to address our own spiritual poverty—as people who can too easily become distant from Christ—and it is a call to address the physical poverty all around us in a smart and sustainable way. Jesus' teachings show that with simple, everyday choices, you can make the world a better place and create enduring change. Here's how to live Jesus' economy—a currency of love. 100% of author's proceeds go to the nonprofit Jesus' Economy, to fuel

Existing textbooks on international relations treat history in a cursory fashion and perpetuate a Euro-centric perspective. This textbook pioneers a new approach by historicizing the material traditionally taught in International Relations courses, and by explicitly focusing on non-European cases, debates and issues. The volume is divided into three parts. The first part focuses on the international systems that traditionally existed in Europe, East Asia, pre-Columbian Central and South America, Africa and Polynesia. The second part discusses the ways in which these international systems were brought into contact with each other through the agency of Mongols in Central Asia, Arabs in the Mediterranean and the Indian Ocean, Indic and Sinic societies in South East Asia, and the Europeans through their travels and colonial expansion. The concluding section concerns contemporary issues: the processes of decolonization, neo-colonialism and globalization – and their consequences on contemporary society. *History of International Relations* provides a unique textbook for undergraduate and graduate students of international relations, and anybody interested in international relations theory, history, and contemporary politics.
