Affirmative Prayer: Becoming Your Own Answered Prayer is a step-by-step instructional book on the practice of Affirmative Prayer. Rev. Bonnie walks the reader through the five steps of moving from a prayer request to becoming the prayer answered. This powerful prayer technology is known to heal, prosper, and connect individuals to their Inner God.

Daily Strength for Daily Needs e-artnow

Meet Katie Ball. She's ten years old and definitely going through a rough patch. School is stressful and the future of her family's farm is uncertain. But all that changes, when Katie meets Lady Catherine and her rather mysterious chair. That's when she discovers that she's braver than she thought she was, and that with a little friendship and a lot of divine inspiration, real life is just as exciting as any storybook adventure. Originally a Brit, Caroline Cienki has fond memories of vacations spent in the rural North of England with her grandparents, where she learned to love the countryside. She now lives in the US, and calls Texas her home along with her husband, two children and three fun-loving doggies. Among her current passions are home-making, travel and spiritual formation. The God Chair is her first children's book.

365 Life-Changing Scriptures Day by Date Tan Books

What should I say when I hear that my friend has cancer? How can I help but not get in the way? How do I let my loved ones know what I need? The Etiquette of Illness is a wise, encouraging, and essential guide to navigating the complex terrain of illness. This collection of anecdotes and insights will help those who feel awkward and unsure about responding to a friend, colleague, or relative who is suffering. The book is also for people who are ill and want to engage with their loved ones effectively. We read about a range of people who are dealing with chronic illness, doctor-patient communications, and end-of-life issues-and who are striving to find their way with awareness and compassion. Drawing on her years of counseling people with serious illness, as well as her own experiences with cancer, Susan Halpern presents an insightful book of the utmost relevance for patients, their caregivers, and their family and friends - a group which will, at some point, include all of us.

We all want our life to change for the better. These 366 inspirational daily devotionals were written for that purpose. You will notice that the date coincides with the chosen scripture. For example, the scripture for February 7 (2/7) is Proverbs 2:7. The Scripture for February 8 (2/8) is Genesis 2:8. They were written to be a guide for the rest of the day. If you prefer to read them at night, just read the devotional for the next day. These inspirational messages have endured the test of time. They have been sent on a daily basis for some ten years to around 30,000 people worldwide over the internet. While the author plans to continue this practice, some people prefer to have them all together in book format since the internet is not always available or convenient. God bless you and God bless us all on our journey day by date to arrive some day in the future at our Glory Home.

Hazel Woodus is a innocent gypsy girl living in the woods in the company of the wounded animals in her rural surroundings. Unfortunately for Hazel, she is not blessed with the presence in her life of a partner who can share both the physical and spiritual aspects of life with her. Her innocent exuberance catches the eye of the kindly minister, Edward Marston, and the cruel squire, Jack Reddin. She eventually marries Edward, but their love remains unconsummated as Edward feels he must preserve her innocence and suppress his own desires. But Hazel has desires of her own which she doesn't understand, and she starts finding herself drawn to Reddin's power and virility.

13 Things Mentally Strong People Don't Do Harper Collins

It began as a vacation out west for Jim Wagner and his family...until Jim discovers his brother, particle physicist Dr. Warren Wagner, is missing from his Nevada home. The mystery leads to the desert laboratory of corporate giant Forsythe-Hammond. There Jim discovers the truth behind Warren's disappearance and its connection to the company's deepest secrets, a technology where faith and science collide. It's the beginning of a thrilling and dangerous adventure to rescue his brother. Jim is joined by the affable Lyle Bumgardner, particle physicist and atheist at heart; and by Dr. Lawrence Macklin, devout Christian and Biblical scholar. Their odyssey

becomes destiny, a struggle for survival and a quest for truth, leading them to a place where Christian faith and secular atheism alike will be put to the test. Their journey puts them on the trail of the historical Jesus...

Slay and Pray is the perfect book for your personal devotion time, small groups, youth groups, and for any lady ages 12 and older who is looking to live life to their fullest potential in God!

Affirmative Prayer Gleed Press

THE history of the Vikings is not, as you might think, the story of a band of sea-pirates who roved the seas in search of plunder. It is rather the story of a race of brave and hardy Northmen who became sea-rovers because the rights and the freedom which their fathers had cherished were being taken from them. Their fathers had lived on their own lands and had been freemen, but the sons were asked to become king's men and hold their land only at the king's pleasure. Rather than give up their ancient rights many of the Northmen became Vikings, and to them the sea-roving life was a noble one, full of high enterprise and ambition. It was no easy matter to become a member of a Viking band. Even a great chief, before he could be admitted, must prove his strength and give an account of the deeds of prowess he had already done.

Thus it was an honour to belong to a band of Vikings, an honour which spurred the lads of the North to bold deeds, to mighty feats, that they might be counted worthy to become members of one or another of the famous bands. It is of the customs and battles, of the lives and deaths of these wild Northmen that I have told you in this little book. As these men are, as you will hear, ancestors of our own, you will perhaps wish to know more about them than I have been able to tell you. If that is so, when you grow older, you can read the Sagas or histories of these Northmen which were written by the Skalds, or, as we would call them, the poets of those olden days. In these Sagas you will meet with many strange adventures and see many great battlefields which you will not find in this little book.

If Anamchara Books

The struggle is real. Sure. But often times we can over-complicate our lives. Planting God inspires us with a simple idea. God reveals Himself to us so we can plant Him into the lives of people around us. In this valuable book, Derek Schoenhoff shares exciting life-stories, asks thoughtful questions and applies Biblical truth. You will cultivate your knowledge of God, energize your ability to communicate with Him, unearth powerful principles for your restoration and wholeness, uncover strategies of the enemy in your life, and simplify your calling and purpose. God has made Himself accessible to everyone, but only you can choose to open yourself up to Him. Whether you have been a Christian for many years, or are just discovering Him, this book will help you on your journey, so you can be passionately Planting God.

DETAILS: Includes Christian Illustrations

Moonchild Barbour Pub Incorporated

On marijuana, there is no mutual federal-state policy; will this cause federalism to go up in smoke? More than one-half the 50 states have legalized the use of marijuana at least for medical purposes, and about a dozen of those states have gone further, legalizing it for recreational use. Either step would have been almost inconceivable just a couple decades ago. But marijuana remains an illegal "controlled substance" under a 1970 federal law, so those who sell or grow it could still face federal prosecution. How can state and federal laws be in such conflict? And could federal law put the new state laws in jeopardy at some point? This book, an edited volume with contributions by highly regarded legal scholars and policy analysts, is the first detailed examination of these and other questions surrounding a highly unusual conflict between state and federal policies and laws. Marijuana Federalism surveys the constitutional issues that come into play with this conflict, as well as the policy questions related to law enforcement at the federal versus state levels. It also describes specific areas—such as banking regulations—in which federal law has particularly far-reaching effects. Readers will gain a greater understanding of federalism in general, including how the division of authority between the federal and state governments operates in the context of policy and legal disputes between the two levels. This book also will help inform debates as other states consider whether to jump on the bandwagon of marijuana legalization.

Trusting God CrossBooks Publishing

Prayer has an important role in the lives of believers. For some, however, prayer has become a chore almost something to be dreaded than eagerly anticipated. Some people get caught up in the "how much/how often" they pray. But it really is not about how many chapters of the Bible you read or how many minutes a day you pray. It is that you read the Bible and you pray. In *From Duty to Delight: Finding Greater Joy in Daily Prayer*, author Ron Parrish seeks to help you become a person who enjoys spending time in God's presence through prayer someone who finds such joy in devotion that you will lose track of time. *From Duty to Delight* is written for the average person who struggles to set aside time for meaningful, focused interaction with God. If you feel badly about missing your devotions, if you quickly run out of things to say when you try to pray, if you sometimes find prayer boring, or if you have given up on trying to be a man or woman of prayer, *From Duty to Delight* can help you find your way to prayer that is fulfilling and that you can look forward to each day.

Stories of the Vikings Createspace Independent Publishing Platform
MoonChild: A Celebration of Menstruation is a must read for every pre-teen and teenage girl and anyone who wants to understand women. Its straightforward clear wisdom will free a girl from unnecessary shame and self-judgment. Through honor and understanding a healthy foundation is set for a girl to grow into womanhood. This rare examination of menarche and menstruation will assist any girl to create healthy self-esteem for herself, her relationships and her creativity throughout her life. The book's insights demystify the physical, emotional and social implications of this important passage into womanhood. MoonChild includes preparation for menstruation, tips on hygiene, self-care and empowering ceremonies including the firsthand story of a Navajo girl's experience. Conscious preparation and awareness of the menstrual cycle is vital to the physical and emotional well being of a girl. Understanding the cycle of menstruation in conjunction with the lunar cycle adds a larger dimension to a girl's experience.

Daily Strength for Daily Needs Human Kinetics

The term "functional training" has been associated with a fair amount of controversy ever since it became part of the fitness training vernacular more than a decade ago. In *Functional Training Anatomy*, noted strength and conditioning specialists Kevin Carr and Mary Kate Feit cut through the clutter and misconceptions about functional training and cover all aspects of how to build a purposeful, effective, and efficient program that provides the strength, stability, and mobility you need to support your body in life and in sports. Beginning with a clear definition of what functional training entails, you will learn about the importance of mobility training and its impact on movement

quality, performance, and injury reduction. Use the warm-up activities to prepare for high-intensity activities. Use the medicine ball and plyometric exercises to learn to produce and absorb force. Develop power with Olympic lifts, kettlebell swings, and jumping exercises. Improve strength in the upper body, lower body, and core with hip-dominant, knee-dominant, pushing, pulling, and core exercises. See the inner workings of each of the exercises with superb full-color illustrations that show the primary and secondary muscles and connective tissue being used. The detailed instructions for these multiplanar and unilateral exercises ensure you execute each one correctly and safely. The Functional Focus element shows how the exercises translate to specific activities, whether that be an explosive athletic move or simply moving a box. Functional Training Anatomy incorporates traditional and nontraditional exercises and mobility drills that will help you increase functional strength and reduce injury so your body is prepared to support the demands of athletic performance and daily living. CE exam available! For certified professionals, a companion continuing education exam can be completed after reading this book. The Functional Training Anatomy Online CE Exam may be purchased separately or as part of the Functional Training Anatomy With CE Exam package that includes both the book and the exam.
