Over twenty-five years in the making, this much-anticipated commentary promises to be the standard study of Proverbs for years to come. Written by eminent Old Testament scholar Bruce Waltke, this two-volume commentary is unquestionably the most comprehensive work on Proverbs available.

Grounded in the new literary criticism that has so strengthened biblical interpretation of late, Waltke's commentary on Proverbs demonstrates the profound, ongoing relevance of this Old Testament book for Christian faith and life. A thorough introduction addresses such issues as text and versions, structure, authorship, and theology. The detailed commentary itself explains and elucidates Proverbs as "theological literature." Waltke's highly readable style -- evident even in his original translation of the Hebrew text -- makes his scholarly work accessible to teachers, pastors, Bible students, and general readers alike.

Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Multnomah

In every family, there are secrets, half-truths, and altered stories told in an attempt to hide the brokenness over the generations. When one mother and daughter decide to cut through the deceit and come clean about the past, they discover shared experiences and find a way to make peace with the mistakes that defined them. When Anna Ray's firstborn son dies tragically from brain damage after a doctor's thoughtless mistake, she never anticipates how that loss might come back to haunt her years later. Yet, when her granddaughter Annalise faces paralysis and a partial brain removal due to a medical mistake, she is thrown back into that place she faced when she was a young mother. How can Anna learn from the past, and help her family trust God through heartache and loss, once again?

Deeply Loved Wm. B. Eerdmans Publishing

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

Equips parents to guide their young children through all major doctrines in an understandable, chapter-a-day format. Sure, it's easy to teach your children the essentials of Christian theology when you're a theology professor. But what about the rest of us? With *Big Truths for Young Hearts*, Bruce Ware, (you guessed it!) a theology professor, encourages and enables parents of children 6-14 years of age to teach through the whole of systematic theology at a level their children can understand. Parents can teach their children the great truths of the faith and shape their worldviews early, based on these truths. The book covers ten topics of systematic theology, devoting several brief chapters to each subject, making it possible for parents to read one chapter per day with their children. With this non-intimidating format, parents will be emboldened to be their children's primary faith trainers--and perhaps learn a few things themselves along the way.

If you are tired of sinning and repenting but finding yourself back in that same sin, there is help for you. There is a place in God where a Christian can live free of sin on a regular basis. It is not easily or casually found. It takes diligence and determination on the part of the Christian who wants to live free of sin. It is therefore necessary to find this place, to experience freedom and be at peace with God. As a Christian who truly loves his God, I was not able to live this way in my early walk with God. It has taken

years of failure, agony, and frustration to finally find this way of living.

There were victorious periods in my life, but they were short-lived because sin would continually plague me. This was a roller coaster ride I had to get off. I had to eventually leave my first church and go on a quest to find the answers that had eluded me all my early Christian life. After years of trying and failing, searching and learning, and even going to Bible college and earning a BS in bible studies, I finally came across a teaching in scripture that helped me understand what I needed to do to experience freedom from sin. I would very much like to share this revelation with you because as it has truly helped me, and I believe it will help you—if you are serious about living a life free from sin.
