The Turn of the Screw CreateSpace

The tale of Daisy's irruption into staid European society enjoyed, as did Daisy herself, a succes de scandale; and it has remained one of James most popular short stories. Like the others collected here--'Pandora, 'The Patagonia, ' and 'Four Meetings'-- it describes a confrontation between different values in a changing world. Is the new independent American girl enchanting in her spontaneity, alarming in her unpredictability, or merely vulnerable in her ignorance of social codes? Hung about with make admirers who seek, uncertainly, to grasp the new phenomenon, Daisy marches on undiscourageable, to her triumphant--or tragic--destiny. This volume contains prefaces by Henry James, a chronology of his life, and editor's notes. About the Series: For over 100 years Oxford World's Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.

Name Symbolism and Multilayer Ambiguity in Henry James' "Daisy Miller" Penguin

In *The Realistic Imagination*, George Levine argues that the Victorian realists and the later modernists were in fact doing similar things in their fiction: they were trying to use language to get beyond language. Levine sees the history of the nineteenth- and early twentieth-century novel as a continuing process in which each generation of writers struggled to escape the grip of convention and attempted to create new language to express their particular sense of reality. As these attempts hardened into new conventions, they generated new attempts to break free.

Order your copy today and embark on a journey through the complexities of innocence and sophistication in 19th-century Europe.

Daisy Miller, a Study Simon and Schuster

In this small masterpiece of unrequited love, Henry James, as in his greatest novels, depicts a moral consciousness torn between emotional impulses and the demands of society. Working in a post office in Mayfair, a young woman is exposed to the cryptic but alluring correspondence of the social elite, and in particular, to lines written by the dashing Captain Everard. As she memorizes the messages he telegraphs, she becomes increasingly attracted to the life described to her, fixated by scandal and gossip a world apart from her ordinary existence.

Daisy Miller, a naive young American woman traveling in Europe with her family, finds it difficult to understand European society
Daisy Miller Delphi Classics

Daisy Miller is a novella by Henry James that first appeared in Cornhill Magazine in June-July 1878, and in book form the following year. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. Daisy Miller is a fascinating portrait of a young woman from Schenectady, New York, who, traveling in Europe, runs afoul of the socially pretentious American expatriate community in Rome. First published in 1878, the novella brought American novelist Henry James (1843-1916), then living in London, his first international success. Like many of James' early works, it portrays a venturesome American girl in the treacherous waters of European society - a theme that would culminate in his 1881 masterpiece, *The Portrait of a Lady*. On the surface, Daisy Miller unfolds a simple story of a young American girl's willful yet innocent flirtation with a young Italian, and its unfortunate consequences. But throughout the narrative, James contrasts American customs and values with European manners and morals in a tale rich in psychological and social insight. A vivid portrayal of Americans abroad and a telling encounter between the values of the Old and New World, Daisy Miller is an ideal introduction to the work of one of America's greatest writers of fiction.

At the little town of Vevey, in Switzerland, there is a particularly comfortable hotel. There are, indeed, many hotels, for the entertainment of tourists is the business of the place, which, as many travelers will remember, is seated upon the edge of a remarkably blue lake—a lake that it behooves every tourist to visit. The shore of the lake presents an unbroken array of establishments of this order, of every category, from the "grand hotel" of the newest fashion, with a chalk-white front, a hundred balconies, and a dozen flags flying from its roof, to the little Swiss pension of an elder day, with its name inscribed in German-looking lettering upon a pink or yellow wall and an awkward summerhouse in the angle of the garden. One of the hotels at Vevey, however, is famous, even classical, being distinguished from many of its upstart neighbors by an air both of luxury and of maturity. In this region, in the month of June, American travelers are extremely numerous; it may be said, indeed, that Vevey assumes at this period some of the characteristics of an American watering place. There are sights and sounds which evoke a vision, an echo, of Newport and Saratoga. There is a flitting hither and thither of "stylish" young girls, a rustling of muslin flounces, a rattle of dance music in the morning hours, a sound of high-pitched voices at all times. You receive an impression of these things at the excellent inn of the "Trois Couronnes" and are transported in fancy to the Ocean House or to Congress Hall. But at the "Trois Couronnes," it must be added, there are other features that are much at variance with these suggestions: neat German waiters, who look like secretaries of legation; Russian princesses sitting in the garden; little Polish boys walking about held by the hand, with their governors; a view of the sunny crest of the Dent du Midi and the picturesque towers of the Castle of Chillon. I hardly know whether it was the analogies or the differences that were uppermost in the mind of a young American, who, two or three years ago, sat in the garden of the "Trois Couronnes," looking about him, rather idly, at some of the graceful objects I have mentioned. It was a beautiful summer morning, and in whatever fashion the young American looked at things, they

must have seemed to him charming. He had come from Geneva the day before by the little steamer, to see his aunt, who was staying at the hotel—Geneva having been for a long time his place of residence. But his aunt had a headache—his aunt had almost always a headache—and now she was shut up in her room, smelling camphor, so that he was at liberty to wander about. He was some seven-and-twenty years of age; when his friends spoke of him, they usually said that he was at Geneva "studying." When his enemies spoke of him, they said—but, after all, he had no enemies; he was an extremely amiable fellow, and universally liked.

Daisy Miller is a novel by Henry James that first appeared in Cornhill Magazine in June-July 1878, and in book form the following year. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. Annie "Daisy" Miller and Frederick Winterbourne first meet in Vevey, Switzerland, in a garden of the grand hotel, where Winterbourne is allegedly vacationing from his studies (an attachment to an older lady is rumoured). They are introduced by Randolph Miller, Daisy's nine-year-old brother. Randolph considers their hometown of Schenectady, New York, to be absolutely superior to all of Europe. However, Daisy is absolutely delighted with the continent, especially the high society she wishes to enter. Winterbourne is at first confused by her attitude, and though greatly impressed by her beauty, he soon determines that she is nothing more than a young flirt. He continues his pursuit of Daisy in spite of the disapproval of his aunt, Mrs. Costello, who spurns any family with so close a relationship to their courier as the Millers have with their Eugenio. She also thinks Daisy is a shameless girl for agreeing to visit the Châteaude Chillon with Winterbourne after they have known each other for only half an hour. Two days later, the two travel to Châteaude Chillon and although Winterbourne had paid the janitor for privacy, Daisy is not quite impressed. Winterbourne then informs Daisy that he must go to Geneva the next day. Daisy feels disappointment and chafes him, eventually asking him to visit her in Rome later that year. In Rome, Winterbourne and Daisy meet unexpectedly in the parlor of Mrs. Walker, an American expatriate, whose moral values have adapted to those of Italian society. Rumors about Daisy meeting with young Italian gentlemen make her socially exceptionable under these criteria. Winterbourne learns of Daisy's increasing intimacy with a young Italian of questionable society, Giovanelli, as well as the growing scandal caused by the pair's behaviour. Daisy is undeterred by the open disapproval of the other Americans in Rome, and her mother seems quite unaware of the underlying tensions. Winterbourne and Mrs. Walker attempt to persuade Daisy to separate from Giovanelli, but she refuses. One night, Winterbourne takes a walk through the Colosseum and sees a young couple sitting at its centre. He realises that they are Giovanelli and Daisy. Infuriated with Giovanelli, Winterbourne asks him how he could dare to take Daisy to a place where she runs the risk of catching "Roman Fever". Daisy says she does not care and Winterbourne leaves them. Daisy falls ill and dies a few days later.

Daisy Miller Approaches to Teaching World L

Henry James' s Daisy Miller was an immediate sensation when it was first published in 1878 and has remained popular ever since. In this novella, the charming but inscrutable young American of the title shocks European society with her casual indifference to its social mores. The novella was popular in part because of the debates it sparked about foreign travel, the behaviour of women, and cultural clashes between people of different nationalities and social classes. This Broadview edition presents an early version of James' s best-known novella within the cultural contexts of its day. In addition to primary materials about nineteenth-century womanhood, foreign travel, medicine, philosophy, theatre, and art—some of the topics that interested James as he was writing the story—this volume includes James' s ruminations on fiction, theatre, and writing, and presents excerpts of Daisy Miller as he rewrote it for the theatre and for a much later and heavily revised edition.

Daisy Miller. Pandora. The Patagonia and Other Tales New York Review of Books

Den gamle og den ny verden konfronteres i skildringen af en livsglad amerikansk piges besøg i Italien i 1870'erne, hvor hun på grund af sin uskyldighed og naivitet bliver anset for uanstændig

Daisy Miller /Henry James; Retold by Rachel Bladon MACMILLAN "I'm a fearful, frightful flirt! Did you ever hear of a nice girl that was not?"

This edition contains two of Henry James's most popular short works. Travelling in Europe with her family, Daisy Miller, an exquisitely beautiful young American woman, presents her fellow-countryman Winterbourne with a dilemma he cannot resolve. Is she deliberately flouting social convention in the outspoken way she talks and acts, or is she simply ignorant of those conventions? In Daisy Miller Henry James created his first great portrait of the enigmatic and dangerously independent American woman, a figure who would come to dominate his later masterpieces. Oscar Wilde called James's chilling *The Turn of the Screw* 'a most wonderful, lurid poisonous little tale'. It tells of a young governess sent to a country house to take charge of two orphans, Miles and Flora. Unsettled by a sense of intense evil within the houses, she soon becomes obsessed with the belief that malevolent forces are stalking the children in her care. The Penguin English Library - 100 editions of the best fiction in English, from the eighteenth century and the very first novels to the beginning of the First World War.

Daisy Miller is a novella by Henry James. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. This novella serves as both a psychological description of the mind of a young woman, and as an analysis of the traditional views of a society where she is a clear outsider. Henry James uses Daisy's story to discuss what he thinks Europeans and Americans believe about each other, and more generally the prejudices common in any culture. In a letter James said that Daisy is the victim of a "social rumpus" that goes on either over her head or beneath her notice.

His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy.

Henry James - Daisy Miller MacMillan

While seemingly none too fond of Europeans, the American author Henry James was nevertheless fascinated by the interplay between the two cultures, a subject that forms the major part of his fiction. 'Daisy Miller' was one of the first works to explore this theme, chronicling the adventures and tragic end of a forthright American girl who refuses to submit to the stultifying hand of Continental etiquette. By contrast, 'An International Incident' takes a somewhat lighter tone, telling the tale of two young American ladies and their awkward friendship with a pair of young Englishmen. Cultural blunderings and misunderstandings proliferate as the relationship deepens, providing fertile ground for James' comic genius.

James, OM (15 April 1843 - 28 February 1916) was an American-British author regarded as a key transitional figure between literary realism and literary modernism, and is considered by many to be among the greatest novelists in the English language. He was the son of Henry James Sr. and the brother of renowned philosopher and psychologist William James and diarist Alice James. He is best known for a number of novels dealing with the social and marital interplay between emigre Americans, English people, and continental Europeans - examples of such novels include *The Portrait of a Lady*, *The Ambassadors*, and *The Wings of the Dove*. His later works were increasingly experimental. In describing the internal states of mind and social dynamics of his characters, James often made use of a style in which ambiguous or contradictory motives and impressions were overlaid or juxtaposed in the discussion of a character's psyche. For their unique ambiguity, as well as for other aspects of their composition, his late works have been compared to impressionist painting.
