Daisy Miller, A Novella Daisy Miller is a beautiful American pursued by the very sophisticated Winterbourne. But his pursuit is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. This novella was first published in 1878. The Beast in the Jungle, A Novella John Marcher meets May Bartram after 10 years and she remembers his odd secret: Marcher is seized with the belief that his life is to be defined by some spectacular event, lying in wait like a "beast in the jungle." As he allows the best years of his life to pass, will he take Mary down with him?

At the little town of Vevey, in Switzerland, there is a particularly comfortable hotel. There are, indeed, many hotels, for the entertainment of tourists is the business of the place, which, as many travelers will remember, is seated upon the edge of a remarkably blue lake—a lake that it behoves every tourist to visit. The shore of the lake presents an unbroken array of establishments of this order, of every category, from the "grand hotel" of the newest fashion, with a chalk-white front, a hundred balconies, and a dozen flags flying from its roof, to the little Swiss pension of an elder day, with its name inscribed in German-looking lettering upon a pink or yellow wall and an awkward summerhouse in the angle of the garden. One of the hotels at Vevey, however, is famous, even classical, being distinguished from many of its upstart neighbors by an air both of luxury and of maturity.

Daisy Miller and Washington Square Spark Notes

Daisy Miller is a novella by Henry James that first appeared in Cornhill Magazine in June-July 1878, and in book form the following year. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. Annie "Daisy" Miller and Frederick Winterbourne first meet in Vevey, Switzerland, in a garden of the grand hotel[2] where Winterbourne is allegedly vacationing from his studies (an attachment to an older lady is rumoured). They are introduced by Randolph Miller, Daisy's 9-year-old brother. Randolph considers their hometown of Schenectady, New York, to be absolutely superior to all of Europe. Daisy, however, is absolutely delighted with the continent, especially the high society she wishes to enter.

Winterbourne is at first confused by her attitude, and though greatly impressed by her beauty, he soon determines that she is nothing more than a young flirt. He continues his pursuit of Daisy in spite of the disapproval of his aunt, Mrs. Costello, who spurns any family with so close a relationship to their courier as the Millers have with their Eugenio. She also thinks Daisy is a shameless girl for agreeing to visit the Chateau de Chillon with Winterbourne after they have known each other for only half an hour. The next day, the two travel to Chateau de Chillon and although Winterbourne had paid the janitor for privacy, Daisy is not quite impressed. Winterbourne then informs Daisy that he must go to Geneva the next day. Daisy feels disappointment and chafes him, eventually asking him to visit her in Rome later that year. In Rome, Winterbourne and Daisy meet unexpectedly in the parlor of Mrs. Walker, an American expatriate. Her moral values have adapted to those of Italian society. Rumors about Daisy meeting with young Italian gentlemen make her socially exceptionable under these criteria.

Winterbourne learns of Daisy's increasing intimacy with a young Italian of questionable society, Giovanelli, as well as the growing scandal caused by the pair's behavior. Daisy is undeterred by the open disapproval of the other Americans in Rome, and her mother seems quite unaware of the underlying tensions. Winterbourne and Mrs. Walker attempt to persuade Daisy to separate from Giovanelli, but she refuses any help that is offered. One night, Winterbourne takes a walk through the Colosseum and sees a young couple sitting at its center. He realizes that they are Giovanelli and Daisy. Winterbourne, infuriated with Giovanelli, asks him how he could dare to take Daisy to a place where she runs the risk of catching "Roman Fever." Daisy says she does not care and Winterbourne leaves them. Daisy falls ill and dies a few days later."

Daisy Miller Wentworth Press

Henry James' s Daisy Miller was an immediate sensation when it was first published in 1878 and has remained popular ever since. In this novella, the charming but inscrutable young American of the title shocks European society with her casual indifference to its social mores. The novella was popular in part because of the debates it sparked about foreign travel, the behaviour of women, and cultural clashes between people of different nationalities and social classes. This Broadview edition presents an early version of James' s best-known novella within the cultural contexts of its day. In addition to primary materials about nineteenth-century womanhood, foreign travel, medicine, philosophy, theatre, and art—some of the topics that interested James as he was writing the story—this volume includes James' s ruminations on fiction, theatre, and writing, and presents excerpts of Daisy Miller as he rewrote it for the theatre and for a much later and heavily revised edition.

Daisy Miller by Henry James Broadview Press

Daisy Miller is a novella by Henry James that first appeared in Cornhill Magazine in June-July 1878, and in book form the following year. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. Daisy Miller is a fascinating portrait of a young woman from Schenectady, New York, who, traveling in Europe, runs afoul of the socially pretentious American expatriate community in Rome. First published in 1878, the novella brought American novelist Henry James (1843-1916), then living in London, his first international success. Like many of James' early works, it portrays a venturesome American girl in the treacherous waters of European society - a theme that would culminate in his 1881 masterpiece, *The Portrait of a Lady*. On the surface, Daisy Miller unfolds a simple story of a young American girl's willful yet innocent flirtation with a young Italian, and its unfortunate consequences. But throughout the narrative, James contrasts American customs and values with European manners and morals in a tale rich in psychological and social insight. A vivid portrayal of Americans abroad and a telling encounter between the values of the Old and New World, Daisy Miller is an ideal introduction to the work of one of America's greatest writers of fiction.

DAISY MILLER By Henry James 1843-1916

Daisy Miller Penguin Group

---

Daisy Miller is a novella by Henry James. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers. His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. This novella serves as both a psychological description of the mind of a young woman, and as an analysis of the traditional views of a society where she is a clear outsider. Henry James uses Daisy's story to discuss what he thinks Europeans and Americans believe about each other, and more generally the prejudices common in any culture. In a letter James said that Daisy is the victim of a "social rumpus" that goes on either over her head or beneath her notice.

Daisy Miller: a Study in Two Parts - Illustrated Edition Orion

"Travelling in Europe with her family, Daisy Miller, an exquisitely beautiful young American woman, presents her fellow-countryman Winterbourne with a dilemma he cannot resolve. Is she deliberately flouting social convention in the outspoken way she talks and acts, or is she simply ignorant of them? When she strikes up an intimate friendship with an urbane young Italian, her flat refusal to observe the codes of respectable behaviour leave her perilously exposed. In Daisy Miller James dramatized the conflict between old-world manners and nouveau riche tourists, and created his first great portrait of an enigmatic and independent American woman." "This edition contains a chronology, further reading, notes and an introduction by David Lodge discussing the genesis of the tale and James's controversial revision of the text for his New York Edition.

Appendices include a note on James's adaptation of his story as a play."--BOOK JACKET.

Daisy Miller Penguin

Daisy Miller by Henry James

Daisy Miller Modern Library

A beautiful American girl, Daisy Miller, is pursued by the sophisticated Winterbourne, who moves in fairly conservative circles. Their courtship is frowned upon by the other Americans they meet in Switzerland and Italy because Daisy is too vivacious and flirtatious and neither belongs to, nor follows the rules of, their society. The novella is a comment on American and European attitudes towards each other and on social and cultural prejudice.

Daisy Miller Openbook Publishing

Originally published in *The Cornhill Magazine* in 1878 and in book form in 1879, Daisy Miller brought Henry James his first widespread commercial and critical success. The young Daisy Miller, an American on holiday with her mother on the shores of Switzerland's Lac Lemman, is one of James's most vivid and tragic characters. Daisy's friendship with an American gentleman, Mr. Winterbourne, and her subsequent infatuation with a passionate but impoverished Italian bring to life the great Jamesian themes of Americans abroad, innocence versus experience, and the grip of fate. As Elizabeth Hardwick writes in her Introduction, Daisy Miller "lives on, a figure out of literature who has entered history as a name, a vision."

Daisy Miller by Henry James - Delphi Classics (Illustrated) Delphi Classics

A wonderful new collection of tales exploring Henry James's favourite 'international theme': the experiences of Americans in Europe, and the meeting of the old world and new. Daisy Miller is one of Henry James's great heroines - a young, independent American travelling in Europe, whose flouting of social conventions has the potential to lead to disaster. Her story is here accompanied by six more set among English castles, Swiss hotels and French ports, and all riffing on a classic Jamesian theme: the clash between the old world and new, Europe and America. The tales included in this volume are 'Travelling Companions', 'Madame de Mauves', 'Four Meetings', 'Daisy Miller', 'An International Episode', 'Europe' and 'Fordham Castle', and the collection has been edited by renowned scholar of Anglo-American literature, Stephen Fender, under the general editorship of Philip Horne. This is one of three new volumes of James's greatest tales in Penguin Classics, and is accompanied by *The Aspern Papers and Other Tales* and *The Turn of the Screw and Other Tales* (forthcoming).
