"Rescued from the clutches of a lascivious prince, Princess Aisha Peshwah quickly realizes she's jumped out of the frying pan and headfirst into the fire. Her rescuer is Zoltan Al Farouk bin Shamal--an unashamed barbarian!--who must marry Aisha himself to ensure he is crowned king. Commanding, stern and brutally attractive, Zoltan is as untamed as the desert he will be master of. Aisha wants to resist, but is drawn to this enigmatic man, and soon her innocent body begins to unravel beneath his powerful possession"--Publisher.

Damaged Orchard Books

Elin's family has an important responsibility: caring for the fearsome water serpents that form the core of their kingdom's army. So when some of the creatures mysteriously die, Elin's mother is sentenced to death as punishment. With her last breath, she manages to send her daughter to safety. Alone and far from home, Elin soon discovers that she can communicate with both the terrifying water serpents and the majestic flying beasts that guard her queen. This skill gives her great power, but it also involves her in deadly plots that could cost her life. Can she save herself and prevent her beloved beasts from being used as tools of war? Or is there no escaping the terrible battles to come?

Damaged Turtleback Books

Sarah Clark's life changes forever when her English teacher, Daniel Carr, seduces her after class. Their affair is erotic, passionate and dangerous - a meeting of minds and bodies. But when his wife finds out and he moves to another city with his family, Sarah is heartbroken. She drifts from one meaningless relationship to the next, seeking but never finding what she shared with Daniel. Seven years later, Daniel walks back into her life, and they fall once again into an irresistible spiral of desire, eventually leading her to places darker than she ever imagined she wanted to go.

List of Additions to the Manuscripts in the British Museum Hachette Children's Books

An intimate, impertinent, and incisive collection about race, progress, and hypocrisy from Jill Louise Busby, aka Jillisblack. Jill Louise Busby spent years in the nonprofit sector specializing in Diversity & Inclusion. She spoke at academic institutions, businesses, and detention centers on the topics of Race, Power, and Privilege and

delivered over two-hundred workshops to nonprofit organizations all over the California Bay Area. In 2016, fed up with what passed as progressive in the Pacific Northwest, Busby uploaded a one-minute video about race, white institutions, and faux liberalism to Instagram. The video received millions of views across social platforms. As her pithy persona Jillisblack became an "it-voice" weighing in on all things race-based, Jill began to notice parallels between her performance of "diversity" in the white corporate world and her performance of "wokeness" for her followers. Both, she realized, were scripted. Unfollow Me is a memoir-in-essays about these scripts; it's about tokenism, micro-fame, and inhabiting spaces-real and virtual, black and white-where complicity is the price of entry. Busby's social commentary manages to be both wryly funny and achingly open-hearted as she recounts her shape-shifting moves among the subtle hierarchies of progressive communities. Unfollow Me is a sharply personal and self-questioning critique of white fragility (and other words for racism), respectability politics (and other words for shame), and all the places where fear masquerades as progress.

The Beast Player British Archaeological Reports Oxford Limited

In this "tour de force of modern nature writing," a passionate naturalist explores what it's really like to be an animal—by living like them (The Guardian, UK). In Being a Beast, Charles Foster tests the limits of our ability to walk in another's footsteps. He lives alongside badgers for weeks, sleeping in a sett in a Welsh hillside and eating earthworms, learning to sense the landscape through his nose rather than his eyes. He catches fish in his teeth while swimming like an otter; roots through London garbage cans as an urban fox; is hunted by bloodhounds as a red deer, nearly dying in the snow. And he follows the swifts on their migration route over the Strait of Gibraltar, discovering himself to be strangely connected to the birds. A lyrical, intimate, and completely radical look at the life of animals—human and other—Being a Beast mingles neuroscience and psychology, nature writing and memoir to cross the boundaries separating the species. It is

an extraordinary journey full of thrills and surprises, humor and joy. And, ultimately, it is an inquiry into the human experience in our world, carried out by exploring the full range of the life around us.

Master of One Bloomsbury Publishing USA

The visual heritage of Northern Yorkshire in the pre-Conquest period is revealed in this addition to the Corpus series. This volume surveys the sculpture in the historic North Riding of Yorkshire (excluding those parts covered in Volume three).

Being a Beast Penguin

Heir to the local motorcycle club and crime syndicate, Cooper Johansson is accustomed to taking what he wants. His newest conquest is college freshman Farah Smith. When the tattooed bad boy reminds her of a rough childhood she desperately wishes to forget, Farah keeps him at arm's length. Yet, Cooper refuses to give up. He pushes her buttons, tears through her walls, and forces her to admit her feelings for him. What begins as lust soon builds into something more powerful than either expects. Can a beast like Cooper heal the damage inside the girl of his dreams?

Beast Keeper #1 Simon and Schuster

--- Nothing can stop true love. Not time. Not even the devil himself. --- 1805.

Laurent. Indentured servant. Desperate to escape a life that is falling apart.

2017. Beast. Kings of Hell Motorcycle Club vice president. His fists do the talking. Beast has been disfigured in a fire, but he's covered his skin with tattoos to make sure no one mistakes his scars for weakness. The accident not only hurt his body, but damaged his soul and self-esteem, so he's wrapped himself in a tight cocoon of violence and mayhem where no one can reach him. Until one night, when he finds a young man covered in blood in their clubhouse. Sweet, innocent, and as beautiful as an angel fallen from heaven, Laurent pulls on all of Beast's heartstrings. Laurent is so lost in the world around him, and is such a tangled mystery, that Beast can't help but let the man claw his way into the stone that is Beast's heart. In 1805, Laurent has no family, no means, and his eyesight is failing. To escape a life of poverty, he uses his beauty, but that only backfires and leads him to a catastrophe that changes his life forever. He takes one step into the abyss and is transported to the future, ready to fight for a life worth living. What he doesn't expect in his way is a brutal, gruff wall of tattooed muscle with a tender side that only Laurent is

allowed to touch. And yet, if Laurent ever wants to earn his freedom, he might have to tear out the heart of the very man who took care of him when it mattered most. POSSIBLE SPOILERS: Themes: time travel, servitude, serial killer, cruelty, motorcycle club, alternative lifestyles, disability, demons, tattoos, impossible choices, deception, crime, self-discovery, healing, virginity, black magic, gothic Genre: Dark, paranormal romance Erotic content: Scorching hot, emotional, explicit scenes Length: ~135,000 words (Book 1 in the series, can be read as a standalone) WARNING: This story contains scenes of violence, offensive language, and morally ambiguous characters.

Corpus of Anglo-Saxon Stone Sculpture Profile Books

The Apocalypse lends itself to multivalent readings, and this volume fills a gap for students and scholars by discussing how different methods apply to readings. Using historical, literary, and social analysis in combination with strategies such as social-conflict theory, philosophy, women's studies, ethics, history of religions, postcolonial studies, and popular culture, the essays in this volume focus on specific texts and show not only how each helps interpret the text but also how diverse methods produce divergent readings of a text. Developed as a classroom resource for undergraduates, this work will also prove useful to graduate students, religious leaders, and others who wish to explore how methods shape our understandings of various texts, including Revelation.

Satires and Miscellaneous Poetry and Prose Createspace Independent Publishing Platform

Winner of the National Book Award and National Book Critics Circle Award "A charming book about enchantment, a profound book about fairy tales."—John Updike, *The New York Times Book Review* Bruno Bettelheim was one of the great child psychologists of the twentieth century and perhaps none of

his books has been more influential than this revelatory study of fairy tales and their universal importance in understanding childhood development. Analyzing a wide range of traditional stories, from the tales of Sindbad to "The Three Little Pigs," "Hansel and Gretel," and "The Sleeping Beauty," Bettelheim shows how the fantastical, sometimes cruel, but always deeply significant narrative strands of the classic fairy tales can aid in our greatest human task, that of finding meaning for one's life.

Broken Beast Corpus of Anglo-Saxon Stone Sc

Living on a damaged planet challenges who we are and where we live. This timely anthology calls on twenty eminent humanists and scientists to revitalize curiosity, observation, and transdisciplinary conversation about life on earth. As human-induced environmental change threatens multispecies livability, *Arts of Living on a Damaged Planet* puts forward a bold proposal: entangled histories, situated narratives, and thick descriptions offer urgent "arts of living." Included are essays by scholars in anthropology, ecology, science studies, art, literature, and bioinformatics who posit critical and creative tools for collaborative survival in a more-than-human Anthropocene. The essays are organized around two key figures that also serve as the publication's two openings: Ghosts, or landscapes haunted by the violences of modernity; and Monsters, or interspecies and intraspecies sociality. Ghosts and Monsters are tentacular, windy, and arboreal arts that invite readers to encounter ants, lichen, rocks, electrons, flying foxes, salmon, chestnut trees, mud volcanoes, border zones, graves, radioactive waste—in short, the wonders and terrors of an unintended epoch. Contributors: Karen Barad, U of California, Santa Cruz; Kate Brown, U of Maryland, Baltimore; Carla Freccero, U of California, Santa Cruz; Peter Funch, Aarhus U; Scott F. Gilbert, Swarthmore College; Deborah M. Gordon, Stanford U; Donna J. Haraway, U of California, Santa Cruz; Andreas Hejnlol, U of Bergen, Norway; Ursula K. Damaged and the Beast Macmillan +

ORM

Dimitri Sokolov is a man scarred, physically and emotionally. From the rough streets of Moscow to the highest ranks in the Solntsevskaya Bratva, he has seen it all. An attack four years ago left him disfigured and in seclusion, hiding from reactions to his appearance and in safety from those who failed to kill him the first time. Comfortable in his penthouse, managing his billion dollar businesses, he's resigned himself to be alone, simply called The Beast among those who've dealt with him in the past. Columbia Grey is a pseudo-activist trying to save her neighbourhood from a developer intent on levelling it to build apartment towers. She goes along with a plan to confront the CEO of the company on his own turf, to force him to listen to her demands...all in a pathetic attempt to impress a man she barely likes. Little does she know, she's taken herself into the mouth of the beast, a man familiar with death and destruction, sex and seduction, a man used to getting exactly what he wants and a man with nothing left to lose. She's a beauty, but will that be enough to tame the beast and save her life? *** Warning, this is a classified as a dark erotic novel. It deals with some pretty heavy themes. It may trigger those who have experience sexual abuse, rape, violence, basically a shitty childhood or life in general. I must be kind of messed in the head, because I thought it was a touching story full of amazing imagery and people with hearts that continue to beat and seek the beauty in the world in spite of life grinding them into nothingness. Apparently some early reviewers have found mainly the darker elements, so consider this your warning, for what it's worth. This is not a fairy tale, this is what happens when the music ends and life goes on after the credits roll. This is about simply existing until you find yourself and write your own happily ever after, no matter what form it takes.

HarperCollins

"Scottoline writes riveting thrillers that keep me up all night, with plots that twist and turn." –Harlan Coben One boy. One lawyer. One chance for justice. Ten-year-old Patrick O'Brien is a natural target at school. Shy, dyslexic, and small for his age, he tries to hide his first-grade reading level from everyone: from his classmates, from the grandfather who cares for him, and from the teachers who are supposed to help him. But the real trouble begins when Patrick is accused of attacking a school aide. The aide promptly quits and sues the boy, his family, and the

school district. Patrick's grandfather turns to the law firm of Rosato & DiNunzio for help and Mary DiNunzio is on the case. Soon Mary becomes Patrick's true champion and his only hope for security and justice. But there is more to the story than meets the eye and Patrick might be more troubled than he seems. With twists at every turn and secrets about the family coming to light, Mary DiNunzio might have found the case that can make her a true protector, or break her heart... With Lisa Scottoline's trademark emotional depth and fast-paced action, the New York Times bestseller *Damaged* will have readers riveted to the last page as they root for the beloved characters and their fight for justice.

Duty and the Beast Harlequin

The beauty who refuses to be wed. The beast who loves her in vain. A twist of fate that brings them together. Rhona MacLeod is the beautiful, willful daughter of a clan-chief upon the Isle of Skye. Desperate to remain free and bow to no man, she refuses all the suitors who ask for her hand. Taran MacKinnon is one of Clan-chief MacLeod's most trusted warriors. He carries a secret passion for his chief's middle daughter. However, Rhona has never been able to see beyond his scars and forbidding appearance that have earned him the name 'The Beast of Dunvegan'. Frustrated by Rhona's defiance, her father makes a decision that will force his daughter to take a husband--games that will bring warriors from all over the island, and from the mainland, to compete. Rhona must wed the victor. Finally, Taran has a chance to prove himself. If he wins the games, he can possess the woman he wants--but can he win her heart? **THE BEAST'S BRIDE** is Book #1 in The Brides of Skye series set in 14th Century Isle of Skye, Scotland. Unfollow Me Random House Worlds
New York Times and USA Today Best Seller
L. Wilder presents a new romance series where the broken find their redemption. Every man has his weakness. She was mine. Nitro- The job was simple- get the girl and bring her home, but with one look, she became my obsession. The blonde, blue-eyed beauty with the sinful curves wasn't mine to keep, but I wasn't about to let her go. I was determined to have her, no matter the consequences. She was the only one who could calm the beast that raged inside of me. So, I risked everything and did what had to be done - for her. Tristen-Nathan James was every girl's fantasy- rich, powerful, and hot beyond words. He saved me during my darkest hour. Like me, he was damaged, scarred by the memories of a horrible past. I saw the way he looked at me, like a predator about to take his prey, but as much as I craved his touch, I wanted something more. I wanted his heart. I'm afraid I've just exchanged one hell for another. Will their love heal the wounds of their past, or will they both remain damaged goods? While *Damaged Goods* is the first in a new series, the main characters were introduced in the *Satan's Fury* MC series. This is a full-length standalone novel filled with romance, suspense, and a lot of heart. I'm a firm believer that bad boys need love, too. *Damaged Goods* is intended for mature audiences only due to the explicit language and violence.

Minutes of Proceedings of the Metropolitan Board of Works CAEZIK SF & Fantasy

First paperback publication of the national bestseller by one of the greatest science fiction writers of all time. "An absolutely essential and 'must read' novel for the legions of Robert Heinlein fans, *The Pursuit of the Pankera: A Parallel Novel About Parallel Universes* is an extraordinary work of science fiction"--Midwest Book Review "Heinlein still offers a rollicking ride even after all these years."-- The Oklahoman *The Pursuit of the Pankera* is one of the most audacious experiments ever done in science fiction by the legendary author of the classic bestseller *Starship Troopers*. Robert A. Heinlein wrote *The Number of the Beast*, which was published in 1980. In the book Zeb, Deety, Hilda and Jake are ambushed by the alien "Black Hats" and barely escape with their lives on a specially configured vehicle (the *Gay Deceiver*) which can travel along various planes of existence, allowing them to visit parallel universes. However, unknown to most fans, Heinlein had already written a "parallel" novel about the four characters and parallel universes in 1977. He effectively wrote two parallel novels about parallel universes. The novels share the same start, but as soon as the *Gay Deceiver* is used to transport them to a parallel universe, each book transports

them to a totally different parallel world. From that point on the plot lines diverge completely. While *The Number of the Beast* morphs into something very different, more representative of later Heinlein works, *The Pursuit of the Pankera* remains on target with a much more traditional Heinleinesque storyline and ending, reminiscent of his earlier works. *The Pursuit of the Pankera* was never published and there have been many competing theories as to why (including significant copyright issues in 1977). Over time the manuscript was largely forgotten but survived in fragments. A recent re-examination of these fragments, however, made it clear that put together in the right order they constituted the complete novel. And here it finally is: Robert A. Heinlein's audacious experiment. A fitting farewell from one of the most inventive science fiction writers to have ever lived: a parallel novel about parallel universes as well as a great adventure pitting the forces of good versus evil only the way Heinlein could do.
