An essential re-evaluation of the complex triumphs and tragedies of Jimmy Carter's presidential legacy. In this first full presidential biography of Jimmy Carter, Bird unfolds the story of Carter's four years with few allies inside Washington and a great many critics in the media
Dan Carter: the Authorised Biography McGraw Hill Professional
Dan Carter named greatest fly-half in history ... a one-man phenomenon in a team of them - The Times, London, November 2013 On a muddy section, alongside my parents' house in Southbridge, where rugby was just the most fun a kid could have ... Those days are so vivid to me, even now, and remain the foundation of my game. I wasn't aspiring to be an All Black back then; it was pure youthful enjoyment and fun. That's where I built up the base of skills that has helped me through 13 years of professional rugby.

Reflections at Ninety Bird Street Books
My Autobiography is the up-close-and-personal memoir of a global icon of sport, a country boy who went on to become rugby's world superstar. Daniel William Carter is acknowledged as the greatest fly-half to have played international rugby. A veteran of more than 100 Test matches, he is the world record holder for most Test points, has twice been named the IRB's Player of the Year and twice named New Zealand Player of the Year. Legendary unbeaten All Blacks coach, Sir Fred Allen, who followed international rugby from the 1920s until after the 2011 Rugby World Cup, had no hesitation in naming Carter as the greatest fly-half he ever saw. Carter, though, is renowned for his modesty and unassuming nature, and argues that he has he always 'just tried to do the best job I can for the All Blacks'. In My Autobiography, the great All Blacks pivot with the model good looks opens up for the first time about his stellar 12-year career. He looks back on the myriad highs, including that virtuoso performance against the Lions in the second Test of the 2005 series when he scored a record 33 points. (The Guardian described the performance as 'the definitive fly-half display of the modern era.') With an equal measure of honesty, he reflects on the lows of his career, speaking frankly of the mental anguish he felt after twice being invailed out of Rugby World Cups. He also talks about his unflinching loyalty to the famous black jersey and the reasons why he elected to make a long-term commitment to New Zealand.
Moonblight and Six Feet of Romance Hachette Australia

Dan Carter's last game as an All Black culminated with him declared Man of the Match following the 2015 Rugby World Cup final at Twickenham - an unforgettable ending to the career of the greatest fly-half of all time. But along with the triumphs of his signature World Cup win, his performance against the Lions in 2005, and an unprecedented run of Bledisloe Cup successes, there was also the pain and doubt he felt during a prolonged period of injury and rehab following the 2011 World Cup. He watched that victory from the sidelines, as he had the All Blacks' defeats in two previous tournaments. Indeed, heading into the 2015 World Cup he had never finished the competition on his own terms. His autobiography tells of that redemption, and gets you up close and personal with one of the most celebrated sportsmen of our time. Threaded throughout the book is an intimate diary of his final year as a Crusader and All Black, during which he worked tirelessly to make one last run at that elusive goal: a World Cup victory achieved on the field. Dan Carter's autobiography is essential reading for all sports fans.
A Full Life St. Martin's Press

The Education of Little Tree tells of a boy orphaned very young, who is adopted by his Cherokee grandmother and half-Cherokee grandfather in the Appalachian mountains of Tennessee during the Great Depression. "Little Tree" as his grandparents call him is shown how to hunt and survive in the mountains, to respect nature in the Cherokee Way, taking only what is needed, leaving the rest for nature to run its course. Little Tree also learns the often callous ways of white businessmen and tax collectors, and how Granpa, in hilarious vignettes, scares them away from his illegal attempts to enter the cash economy. Granma teaches Little Tree the joys of reading and education. But when Little Tree is taken away by whites for schooling, we learn of the cruelty meted out to Indian children in an attempt to assimilate them and of Little Tree's perception of the Anglo world and how it differs from the Cherokee Way. A classic of its era, and an enduring book for all ages, The Education of Little Tree has now been redesigned for this twenty-fifth anniversary edition.

Wrecking Ball is a captivating and humorous memoir by Billy Vunipola, one of the stars of England's recent rugby renaissance, and will be enjoyed by those who have read the recent autobiographies by Jonny Wilkinson, Brian O'Driscoll, Dan Carter and Paul O'Connell. Standing at 6 feet 2 inches and weighing almost 20 stone, Billy is a rampaging and unmissable presence on the rugby pitch, for both club and country. Wrecking Ball is his captivating story so far, chronicling his remarkable personal odyssey of 10,000 miles, from the tiny Tongan village of Longo Longo to the imposing vastness of Twickenham. Join Billy on his journey from the year-round sunshine of Tonga to the bitter cold of a British winter, from his favourite Pontypool kebab shop to finding himself eating broccoli for breakfast, and from carefree childhood games in the middle of the Pacific to the serious business of playing professional rugby in Europe. Wrecking Ball is a wonderfully eccentric and witty book, written with bags of charm. It captures Billy's colourful family and upbringing, and creates a rounded and fascinating portrait of a young man finding his feet as a modern English rugby player.

Dan Carter Simon and Schuster
When Walter Smith snatched Marco Negri from the grasps of the Italian superpowers in 1997, Rangers fans were in for a mighty shock. The cult hero smashed in 33 goals in his first 29 games, but frustrating injuries, unrest and loan deals were to rule the rest of his time at Ibrox. The astonishing story of one of football's most enigmatic characters.

Dan Carter: The Autobiography of an All Blacks Legend Headline
This book is Nick Carter ' s autobiography and self-help hybrid in which he chronicles his struggles with a dysfunctional family and the unimaginable rigors of becoming an internationally successful pop-star at the age of 12. From his battle with addiction to serious health complications and the pain of his younger sister ' s tragic death, Nick leaves nothing to the imagination and offers true and heartfelt advice to help readers overcome obstacles in their own lives.

What to Do and how to Do it Simon and Schuster
A sumptuous celebration of the world record test career of Daniel William Carter. Carter's record points tally of 1598 may never be surpassed, and his points per match average of 14.27 is also the highest of all players who scored more than 500 points. In a photographic tribute, each test gets a double spread plus Dan's thoughts on the game.
My Improbable Journey to the Main Event of WrestleMania UNM Press
É If my present reader happens to be a Boy Scout or a scout-master who wants the scouts to build a tower for exhibition purposes, he can do so by following the directions here given, but if there is real necessity for haste in the erection of this tower, of course we cannot build one as tall as we might where we have more time. With a small tower all the joints may be quickly lashed together with strong, heavy twine, rope, or even wire; and in the wilderness it will probably be necessary to bind the joints with pliable roots, or cordage made of bark or withes; but as this is not a book on woodcraft we will suppose that the reader has secured the proper material for fastening the joints of the frame of this signal-tower and he must now shoulder his axe and go to the woods in order to secure the necessary timber. First let him cut eight straight poles Ñ that is, as straight as he can find them. These poles should be about four and one half inches in diameter at their base and sixteen and one half feet long. After all the branches are trimmed off the poles, cut four more sticks each nine feet long and two and a half or three inches in diameter at the base; when these are trimmed into shape one will need twenty six or seven more stout sticks each four and one half feet long for braces and for flooring for the platform.

Two Different Worlds, An Impossible Situation, and the Unexpected Friendship that Changed Everything Andrews McMeel Publishing
Jonny Wilkinson's career has crossed three decades and four World Cups. He has accumulated phenomenal achievements, world points records, an impressive list of broken body parts, and a drop goal that will be remembered for ever. But the peculiar calmness with which he played the game masked a very different reality. In JONNY, he reveals the extraordinary psychology that he had to tame in order to be able to dominate his sport. For most of his life, he was driven by a quest for perfection and an obsession to be the best player in the world; here he shows how these two facets of his competitive mind took such a hold of him that they sent him to the top of the world, then swept him up and dragged him down into a spiral of despair. Jonny's career has spanned the far reaches: amazing highs and iconic moments, then a fight against injury that culminated in a battle with depression. Here he tells of the physical toll he knew his body was taking from rugby, even from his youth; he tells of how he never wanted to be a kicking fly-half but learned to adapt his natural game to play the style that Clive Woodward believed necessary to win a World Cup, and how he nearly walked out on Martin Johnson's England team 13 years later.

Where a Man Stands LSU Press
YES! YES! YES! Daniel Bryan is the real deal. Everyone's favorite underdog, he's proven to the world and to all of WWE that looks can be deceiving. Just ask everyone who's ever underestimated him...right before he went out and whipped the WWE Universe into a frenzy. This is Bryan's behind-the-scenes story told for the first time ever — from his beginnings as a child wanting to wrestle to his ten years on the circuit before finally making it in WWE. When his "YES!" chant becomes a full-fledged movement, his career skyrockets. This book chronicles all the hard work, values, influences, unique life choices and more leading to his watershed week at WrestleMania 30. You won't want to miss it. Yes! We're sure about this.

Slippery Characters HarperSports
In this autobiography, President "Carter tells what he is proud of and what he might do differently. He discusses his regret at losing his re-election, but how he and Rosalynn pushed on and made a new life and second and third rewarding careers. He is frank about the presidents who have succeeded him, world leaders, and his passions for the causes he cares most about, particularly the condition of women and the deprived people of the developing world"--Amazon.com.
How Brilliant Careers Are Made and Unmade Headline

The phenomenal International Number One Bestseller with exclusive interviews with Richie McCaw, Steve Hansen, Beauden Barrett and Dan Carter, The Jersey is the first definitive story behind the greatest sports team on the planet. 'Extremely well written. Compelling, accurate, insightful and brilliant in the way it captures the New Zealand way. - John Hart, former All Blacks coach. With a better winning record than any other sports team in history, they stand head and shoulders above their nearest rugby rivals. How did a country of just 4.8 million people conquer the world? Peter Bills, who has reported on international rugby for more than forty years, was given exclusive access to all the key figures in New Zealand rugby as he set out to understand the secrets behind the All Blacks success. From Steve Hansen to Beauden Barrett, Richie McCaw to the late Sir Colin Meads, Peter Bills talked at length with over ninety people, both in New Zealand and around the world, with intimate knowledge of what makes the All Blacks tick. This is a story of the first settlers, and the 'Originals' who forged the All Blacks legacy, right through to modern times. It draws heavily on the contributions made by all New Zealanders: players, coaches, officials, supporters and those who have worn the most recognized jersey in the world. Intrinsically, The Jersey goes to the heart of the All Blacks success. It is also an epic story of not just a rugby team but a nation, whose identities are inextricably linked. Additionally, it debates a question, terrifying for any of their opponents. Could the All Blacks get even better?
Hardly a Man is Now Alive HarperSports
Brendon McCullum is known as an explosive wicketkeeper, then batsman, who went on to captain the New Zealand cricket team to glory. The holder of many records, 'Baz' is known for speaking his mind. He talks about growing up loving sport more than anything, getting better and better at cricket (although he was a good enough rugby player to keep Dan Carter out of the South Island Schoolboy rugby team) and his uncertain transition to international cricketer. In this explosive autobiography he opens up on the many controversies he has been involved in, including the Chris Cairns affair and the leadership change from Ross

Taylor. He exposes behind-the scenes machinations as well as the private moments of exultation, tumult and despair. One of New Zealand's and the worlds most admired cricketers, he is credited with changing the face of the game internationally.
