Green Building Products Plume Books

The Erie Canal: Great Destinations is the first comprehensive travel guide to New York State Canals and the communities and attractions found along them. Each chapter covers one

canal, providing historical background as well as information on wineries, canal museums, restaurants, lodging, canal cruises and bike paths in all the major cities, many of the small towns and villages, and the two biggest Finger Lakes. The guide offers separate sections on Buffalo, Albany, Syracuse, Utica, and Rochester and their outlying areas, as well as a chapter on Niagara Falls. With coverage of three smaller canals in the region (the Oswego, Champlain, and Cayuga-Seneca) this is undoubtedly the most extensive guide to the canalways of the state.

Rates consumer products from stereos to food processors

Consumers Digest Guide to Discount Buying

The New York Times – bestselling author “ digs deep into the world of how we shop and how we eat. It ' s a marvelous, smart, revealing work ”

(Susan Orlean, #1 bestselling author). In a culture obsessed with food—how it looks, what it tastes like, where it comes from, what is good for

us—there are often more questions than answers.

Ruhlman proposes that the best practices for consuming wisely could be hiding in plain sight—in the aisles of your local supermarket. Using the

human story of the family-run Midwestern chain Heinen ' s as an anchor to this journalistic

narrative, he dives into the mysterious world of

supermarkets and the ways in which we produce, consume, and distribute food. Grocery examines

how rapidly supermarkets—and our food and culture—have changed since the days of your

friendly neighborhood grocer. But rather than waxing nostalgic for the age of mom-and-pop

shops, Ruhlman seeks to understand how our food needs have shifted since the mid-twentieth century,

and how these needs mirror our cultural ones. A mix of reportage and rant, personal history and

social commentary, Grocery is a landmark book from one of our most insightful food writers.

“ Anyone who has ever walked into a grocery store

or who has ever cooked food from a grocery store

or who has ever eaten food from a grocery store

must read Grocery. It is food journalism at its best

and I ' m so freakin ' jealous I didn ' t write it. ”

—Alton Brown, television personality “ If you care

about why we eat what we eat—and you want to

do something about it—you need to read this

absorbing, beautifully written book. ” —Ruth

Reichl, New York Times – bestselling author
