Dangerous Games (Tess McCallum & Abby Sinclair #3) Who would put a PI and a FBI SAC together to solve a serial killer mystery? Not many would, but Prescott does just that in this thriller. Hang on to your seat, the ride is full of bumps. Thanks for another great read.

The main bad guy is truly unlikable and I pictured him as pretty disgusting as well and the method of murder is nothing if not original. Dangerous Games is easy to recommend. There really are no slow spots. Prescott continues to impress me with good stories that you can call "page turners". If you're looking for romance, this is not it.
