I enjoyed Dangerous Passion, but I like Lisa Marie Rice's style. She doesn't deviate from her winning formula.
But be forewarned: it is formula. If you've read Rice before, you know this couple. Drake is dangerous, filthy
rich, and alone. Grace is loving, cultured, and gentle. They need each other desperately.

Dangerous Series by Lisa Marie Rice - goodreads.com

Dangerous Passion is very much a typical Lisa Marie Rice book. Her hero, Viktor Drake Drakovich is a man living on the edge. He is cold, calculating and even though he has the whole world at his fingertips, he is an empty shell of a man. Drake is a nomad who has no place to call his own. He is a borderline villain because his past is a murky one.

"Dangerous Passion" has everything readers expect from Lisa Marie Rice--a hot Alpha male, a woman in trouble, tense action, and enough sizzling sex to set your fingers on fire. Although I enjoyed this story a lot, I did notice more than a passing resemblance to a previously released story, "Secluded" in Secrets, Vol. 9.
