Dangerous Passion is very much a typical Lisa Marie Rice book. Her hero, Viktor Drake Drakovich is a man living on the edge. He is cold, calculating and even though he has the whole world at his fingertips, he is an empty shell of a man. Drake is a nomad who has no place to call his own. He is a borderline villain because his past is a murky one.

"Dangerous Passion" has everything readers expect from Lisa Marie Rice--a hot Alpha male, a woman in trouble, tense action, and enough sizzling sex to set your fingers on fire. Although I enjoyed this story a lot, I did notice more than a passing resemblance to a previously released story, "Secluded" in *Secrets*,

Dangerous Series by Lisa Marie Rice » Read Free From Internet

I enjoyed Dangerous Passion, but I like Lisa Marie Rice's style. She doesn't deviate from her winning formula. But be forewarned: it is formula. If you've read Rice before, you know this couple. Drake is dangerous, filthy rich, and alone. Grace is loving, cultured, and gentle. They need each other desperately.
