In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that "follow your passion" is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture

capitalists, screenwriters, freelance computer programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living is much less important than how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to "be so good they can't ignore you," Cal Newport's clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the way you think about careers, happiness, and the crafting of a remarkable life.

My Friend Michael Lisa Marie Rice

A young Native American woman remembers her volatile childhood as she searches for her lost brother in the Canadian wilds in an extraordinary, critically acclaimed debut novel As she races along Canada's Douglas Channel in her speedboat—heading toward the place where her younger brother Jimmy, presumed drowned, was last seen—twenty-year-old Lisamarie Hill recalls her younger days. A volatile and precocious Native girl growing up in Kitamaat, the Haisla Indian reservation located five hundred miles north of Vancouver, Lisa came of age standing with her feet firmly planted in two different worlds: the spiritual realm of the Haisla and the sobering "real" world with its dangerous temptations of violence, drugs, and despair. From her beloved grandmother, Ma-ma-oo, she learned of tradition and magic; from her adored, Elvis-loving uncle Mick, a Native rights activist on a perilous course, she learned to see clearly, to speak her mind, and never to bow down. But the tragedies that have scarred her life and ultimately led her to these frigid waters cannot destroy her indomitable spirit, even though the ghosts that speak to her in the night warn her that the worst may be yet to come. Easily one of the most admired debut novels to appear in many a decade, Eden Robinson's *Monkey Beach* was immediately greeted with universal acclaim—called "gripping" by the San Diego Union-Tribune, "wonderful" by the

Milwaukee Journal Sentinel, and "glorious" by the Globe and Mail, earning nominations for numerous literary awards before receiving the Ethel Wilson Fiction Prize. Evocative, moving, haunting, and devastatingly funny, it is an extraordinary read from a brilliant literary voice that must be heard.

Everyone knows Michael Jackson—the myth. This is the revealing true story of Michael Jackson—the man. To Frank Cascio, Michael Jackson was many things—second father, big brother, boss, mentor, and teacher, but most of all he was a friend. Though Cascio was just a few years old when he first met Jackson in 1984, at the peak of the pop star's career, Jackson was at the center of his life for the next twenty-five years, allowing Cascio to observe firsthand the greatest entertainer the world had ever seen. In that time, he became the ultimate Michael Jackson insider, yet remained publicly silent about his experiences. Until now. In *My Friend Michael*, Cascio refutes the rumors, lies, and accusations that have accumulated over the years, providing a candid look at the Michael Jackson he knew for more than two decades. Offering an uplifting and definitive account of the legend, Cascio details how he grew up alongside Jackson, traveling the world with him on concert tours and eventually working for him. Through this lens, Cascio captures Jackson's most private and tumultuous moments, while also setting the record straight on the entertainer's notorious and misunderstood lifestyle—from his Peter Pan reality and his sexuality to the false allegations against him. As Cascio shows, there was a great deal more to Michael Jackson than the headlines about him have suggested. Cascio

reveals his friend in all his complexity, bringing to light his passions and joys as well as his flaws and eccentricities. Including stories about Jackson that have never before been made public, Cascio creates a balanced, human look at the pop star, one that shows Jackson as the very real person he was—a lively friend with an endearingly juvenile sense of humor. What emerges is a clear-eyed yet deeply respectful portrait of Jackson—a man who was at times unremarkably average but also terribly scarred by his life in the spotlight. Packed with never-before-seen photos, anecdotes, and insights, *My Friend Michael* is a trove of Michael Jackson lore that both celebrates his life and redefines our understanding of the man behind the myth.

Debut Historical Suspense Novel Wins IPPY Award for Best "Literary Fiction 2014" Stolen art, love, lust, deception, and revenge paint the pages of veteran journalist Lisa Barr's debut novel, *Fugitive Colors*, an un-put-down-able page-turner. Booklist calls the WWII era novel, "Masterfully conceived and crafted, Barr's dazzling debut novel has it all: passion and jealousy, intrigue and danger." *Fugitive Colors* asks the reader: How far would you go for your passion? Would you kill for it? Steal for it? Or go to any length to protect it? Hitler's War begins with the ruthless destruction of the avant-garde, but there is one young painter who refuses to let this happen. An accidental spy, Julian Klein, an idealistic American

artist, leaves his religious upbringing for the artistic freedom of Paris in the early 1930s. Once he arrives in the "City of Light," he meets a young German artist, Felix von Bredow, whose larger-than-life personality overshadows his inferior artistic ability, and the handsome and gifted artist Rene Levi, whose colossal talent will later serve to destroy him. The trio quickly becomes best friends, inseparable, until two women get in the way—the immensely talented artist Adrienne, Rene's girlfriend with whom Julian secretly falls in love, and the stunning artist's model Charlotte, a prostitute-cum-muse, who manages to bring great men to their knees. Artistic and romantic jealousies abound, as the characters play out their passions against the backdrop of the Nazis' rise to power. Felix returns to Berlin, where his father, a blue-blooded Nazi, is instrumental in creating the master plan to destroy Germany's modern artists, and seeks his son's help. Bolstered by vengeance, Felix will lure his friends to Germany, an ill-fated move, which will forever change their lives. Twists and turns, destruction and obsession, loss and hope will keep you up at night, as you journey from Chicago to Paris, Berlin to New York. With passionate strokes of captivating prose, Barr proves that while paintings have a canvas, passion has a face—that once exposed, the haunting images will linger . . . long after you have closed the book. The Hollywood Film Festival awarded *Fugitive Colors* first prize for "Best Unpublished Manuscript" (Opus Magnum Discovery Award).
