Dangerous by Shannon Hale is simply too talented for fairness. She launches into the YA/Sci-fi genre with no awkwardness, I felt like she'd been writing this genre forever. Her story stuck with me (hence the oopsies in class!), moving so quickly that putting the book down wasn't an option in case the characters did something without me.

Interview with Shannon Hale about Dangerous

Dangerous by Shannon Hale is an amazing book. The romance between Maisie and Wilder is perfect and the non-romance between Maisie and her best friend Luther is

hilarious. It's nice that she is homeschooled but is a normal person. Homeschooling is just how she happens to be educated (like the vast majority of real life homeschoolers).
