How the NSA manipulated the U.S. Navy, Pentagon, White House, Congress, tricked the North Koreans, Russians and Chinese, almost caused a war, and concealed the truth for over 40 years. On January 23, 1968, the North Koreans seized the U.S.S. Pueblo. The incident sent shock waves around the world-almost started a war-and has been the focus of controversy and contradiction ever since. Investigative reporter Robert Liston uncovered startling information to support a remarkable conclusion: The Pueblo was purposely surrendered in a covert mission conceived and carried out by the National Security Agency, a super-secret branch of U.S. intelligence. Liston produces documented evidence to show that the Pueblo, controlled by NSA

operatives, was used as bait to draw the Soviet Union and Red Chinese into an NSA trap—an operation that enabled the NSA to break the Soviet system of codes, put the KGB on the defensive for years, and stop a possible war between the Soviets and Chinese. For the first time, author Liston brings to light a true story of international intrigue hidden from the American public, from Congress, even from the White House. He goes inside the U.S. intelligence apparatus and reveals how the Pueblo incident may have shaped and controlled American foreign policy and superpower politics for more than twenty years.

As seen on Fox & Friends A Navy SEAL who first overcame a crippling childhood condition and then a devastating training accident offers his own experiences as lessons in defeating adversity. Patrick Bisher's career as a Navy SEAL should have ended after a parachuting accident nearly crippled him. But overcoming adversity, even an injury as serious as a broken hip, was nothing new for him. He'd spent a portion of his childhood in leg braces. Doctors told him he'd never walk again thanks to a degenerative hip condition. He wasn't about to give up then, any more than he was in the wake of that parachute training accident. Instead, he went on to serve in combat as a member of SEAL Team Seven, seeing action in Iraq and ultimately winning the Army Commendations Medal, among other awards. Now Patrick wants to take the lessons he learned on and off the battlefield and apply them to everyday life. He offers inspiration to all who've faced the kind of adversity he has. In chapters drawn directly from his own experience, he sketches a heart-wrenching tale of salvaging lifelong victories out of crushing defeats, and hope out of heartache. From being branded a "cripple" to successfully negotiating BUD/S (Basic Underwater Demolition/SEALS) training, from agonizing pain to heroic achievement, from devastating loss to finding his faith, Patrick's story is one of discovering ways to do everything he possibly can, instead of making excuses for what he can't. An American hero who never surrendered is now sharing his lessons with those fighting their own battles to emerge from their dark places into the light and lead a better, more productive life.

You have a plan for the rest of your life. God has a plan for the rest of your life. Are they the same? Say Yes to God—formerly titled Dangerous Surrender—will help you find the answer. You have expectations for how your life will play out, and you hope those plans will become realities. But what if God's plan for your life is far different from what you had in mind? Can you accept that? Will you surrender your goals for God's? Kay Warren had a plan. Together with her husband, Rick Warren, author of the megaseller The Purpose Driven Life, she planned that after her kids were grown, she'd travel the world, teaching and encouraging couples in ministry. It was a good plan. But it wasn't what God had in mind for her. In her own startling wake-up call, Kay discovered the shocking realities of the AIDS pandemic in Africa while reading a magazine. "I want to use

you!" she heard God say. That began the struggle—first to avoid God's call and then to surrender herself to God. She cried out to God, "Why are you bothering me with this? There's nothing I can do about it. I'm just an ordinary person. What could one person do about such a gigantic problem?" But God had grabbed her attention and wouldn't let go. If you've ever struggled with knowing and doing God's will, this book is for you. With raw honesty, Kay goes straight to the heart of the matter: the bottom line is surrender. Will you say yes to God? Along the way she'll introduce you to others—people like you—who have said yes to God and have made a difference in the world. Using their skills, energy, faith, and a willingness to take risks, they became powerful instruments of change and tools in God's hands. Giving in to God isn't easy. It's not for cowards. It's the boldest, riskiest step you'll ever take. This dangerous surrender can bring both joy and pain, both heartache and ecstasy, but it enables you to know God in a far deeper way than ever before. "I had to make a conscious decision. Would I retreat to my comfortable life and to my settled plans? Or would I surrender to God's call and let my heart engage with the cause to which he called me one that I was pretty sure would include buckets of pain and sorrow? I felt like I was standing on the edge of a giant precipice; I couldn't go back, and yet the way forward looked like stepping into a void." Kay Warren took that step, choosing to say yes to God. That decision transformed her life and reshaped her future. She invites you to do the same. You'll benefit most by discussing this book with others. A Readers' Group Discussion Guide is provided in the back of the book. Additional help can be found at [www.kaywarren.com](http://www.kaywarren.com).

Now country-bred Sophy Dorrington is about to become Ravenwood's new bride. Drawn to his masculine strength and the glitter of desire that burned in his emerald eyes, the tawny-haired lass had her own reasons for agreeing to a marriage of convenience. The other reason was dearer to her heart, but just as wild a quest: Sophy Dorrington intended to teach the devil to love again.
