Brokenness Harper Collins

"Krishani thinks he's doomed until he meets Kaliel, the one girl on the island of Avristar who isn't afraid of him. She's unlike the other girls, she swims with merfolk, talks to trees and blooms flowers with her touch. What he doesn't know is that she's a flame, one of nine individually hand crafted weapons, hidden in the body of a seemingly harmless girl. Nobody has fallen in love with a flame until now. She becomes Krishani's refuge from the dreams of death and the weather abilities he can't control. Striking down thousand-year-old trees with lightning isn't something he tries to do, it just happens. When the Ferryman dies, Krishani knows he's the next and a lifetime of following death is his destiny. And Kaliel can't come with him. The Valtanyana are hunting the flames, the safest place for her is Avristar. Krishani can't bear to leave her, and one innocent mistake grants the Valtanyana access to their mystical island. They're coming for Kaliel, and they won't stop until every last living creature on Avristar is dead. She has to choose--hide, face them, or awaken the flame and potentially destroy herself."--P. Detective Zach Longstreet wasn't the kind of man any sane woman would give a second glance-unless she was just 'in' to getting her heart trampled in a post sexual stampede for the door. Unfortunately, he was the kind of man women were drawn to like metal shavings to a magnet-tall, dark, dangerous, and completely relationship phobic. He also hated journalists with a passion. Rating: Carnal. Genre: Romantic Suspense.

You have a plan for the rest of your life. God has a plan for the rest of your life. Are they the same? Say Yes to God--formerly titled Dangerous Surrender--will help you find the answer. You have expectations for how your life will play out, and you hope those plans will become realities. But what if God's plan for your life is far different from what you had in mind? Can you accept that? Will you surrender your goals for God's? Kay Warren had a plan. Together with her husband, Rick Warren, author of the megaseller The Purpose Driven Life, she planned that after her kids were grown, she'd travel the world, teaching and encouraging couples in ministry. It was a good plan. But it wasn't what God had in mind for her. In her own startling wake-up call, Kay discovered the shocking realities of the AIDS pandemic in Africa while reading a magazine. "I want to use you!" she heard God say. That began the struggle--first to avoid

God's call and then to surrender herself to God. She cried out to God, "Why are you bothering me with this? There's nothing I can do about it. I'm just an ordinary person. What could one person do about such a gigantic problem?" But God had grabbed her attention and wouldn't let go. If you've ever struggled with knowing and doing God's will, this book is for you. With raw honesty, Kay goes straight to the heart of the matter: the bottom line is surrender. Will you say yes to God? Along the way she'll introduce you to others--people like you--who have said yes to God and have made a difference in the world. Using their skills, energy, faith, and a willingness to take risks, they became powerful instruments of change and tools in God's hands. Giving in to God isn't easy. It's not for cowards. It's the boldest, riskiest step you'll ever take. This dangerous surrender can bring both joy and pain, both heartache and ecstasy, but it enables you to know God in a far deeper way than ever before. "I had to make a conscious decision. Would I retreat to my comfortable life and to my settled plans? Or would I surrender to God's call and let my heart engage with the cause to which he called me, one that I was pretty sure would include buckets of pain and sorrow? I felt like I was standing on the edge of a giant precipice; I couldn't go back, and yet the way forward looked like stepping into a void." Kay Warren took that step, choosing to say yes to God. That decision transformed her life and reshaped her future. She invites you to do the same. You'll benefit most by discussing this book with others.
