"Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance."

-iBooks Official Review From international bestselling author S.T. Bende comes the complete story of the Ære Saga (Books 1-4). Book 1: PERFEKT ORDER All's fair when you're in love with War. For seventeen-year-old Mia Ahlström, a world ruled by order is the only world she

allows. A lifetime of chore charts, to-do lists and study schedules have helped earn her a spot at Redwood State University's engineering program. And while her five year plan includes finding her very own happily-evah-aftah, years at an all-girls boarding school left her feeling woefully unprepared for keg parties and co-ed extracurricular activities. So nothing surprises her more than catching the eye of Tyr Fredriksen at her first college party. The imposing Swede is arrogantly charming, stubbornly overprotective, and runs hot-and-cold in ways that defy reason . . . until Mia learns that she's fallen for the Norse God of War; an immortal battle deity hiding on Midgard (Earth) to protect a valuable Asgardian treasure from a feral enemy. With a price on his head, Tyr brings more than a little excitement to Mia's rigidly controlled life. Choosing Tyr may be the biggest distraction—or the greatest adventure—she's ever had. Book 2: PERFEKT CONTROL Rule the realms. Brynn Aksel is a valkyrie—a battle goddess tasked with protecting both the God of War and the future of Asgard. She fends off giants and dark elves with an iron fist, a glossy smile, and no less than perfekt control. She's focused one-hundred-percent on rising through the valkyrie ranks, and not at all on her lifelong crush on Henrik Andersson—the one guy in all the realms who could be her undoing. Henrik serves as War's other bodyguard, and he's too focused on protecting their shared charge to realize that Brynn's a girl. When an unprecedented surge of darkness abducts the Goddess of Love, Brynn's already-steely focus is singularly directed on her new assignment—accompany Henrik to recover the realms' source of light before the cosmos descends into chaos. While battling demons, dragons, and the not-quite-dead, it becomes clear that immortality does not equal invincibility. And when Hel herself puts a hit on Brynn, the valkyrie has to decide if staying in control is worth losing everything . . . or if it's time to rule the realms. Book 3: PERFEKT BALANCE Become what you believe. Elsa Fredriksen knows there's a thin line between love and fear. As High Healer, she rights the wrongs committed by those who choose the darkness. But even Asgard's secret weapon can't undo every injury—especially when her fate is completely entwined with the god she's trying to save. Elsa's in love with the Norse God of Justice. But Forse's heart is ruled by fear—fear that the past will repeat itself; fear that opening his heart will compromise his ability to do his job; fear that he'll hurt the one girl he desperately wants to protect. Again. When Elsa faces off against the very monster she once swore to protect, her survival depends on a power she isn't sure she can control. And when Forse's worst nightmare unfolds in front of him, Elsa has to decide whether it's more important to hold the realms in perfekt balance . . . or hold onto the guy she can't imagine existing without. Book 4: PERFEKT MATCH For honor. For love. For Asgard. Valkyrie Brynn Aksel is ready for some downtime. But when an urgent warning arrives from Asgard, heralding the death of a beloved god

and the dawn of Ragnarok—the not-so-mythological end of days—it becomes clear there's no rest for the gods . . . not when future of the realms is on the line. Goddess of Love Freya Sköfnir can't shake the darkness that's clung to her since her Helheim imprisonment. An unsanctioned romantic connection with a mortal is the only thing keeping her in the light, but Freya's vow to the Norns prevents her from fully uniting with her perfect match. When Hel returns to finish what she started, Freya must decide how much she's ready to sacrifice to save the family she loves . . . and whether she's willing to give up everything for the worlds she's sworn to protect. With the forces of darkness aligning to destroy the realms, it's clear more than just Love hangs in the balance. Ragnarok has arrived. And it's shaping up to be the perfect storm.

—Stephen King For more than ten years, a mysterious and violent predator committed fifty sexual assaults in Northern California before moving south, where he perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area. Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called "the Golden State Killer." Michelle pored over police reports, interviewed victims, and embedded herself in the online communities that were as obsessed with the case as she was. *I'll Be Gone in the Dark*—the masterpiece McNamara was writing at the time of her sudden death—offers an atmospheric snapshot of a moment in American history and a chilling account of a criminal mastermind and the wreckage he left behind. It is also a portrait of a woman's obsession and her unflagging pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle's dream: helping unmask the Golden State Killer.
