ONLY MURDER (a Sadie Price FBI Suspense Thriller—Book 1) is the debut novel in a new series by mystery and suspense author Rylie Dark. Special Agent Sadie Price, a 29-year-old rising star in the FBI's BAU unit, stuns her colleagues by requesting reassignment to the FBI's remote Alaskan field office. Back in her home state, a place she vowed she would never return, Sadie, running from a secret in her recent past and back into her old one, finds herself facing her demons—including her sister's unsolved murder—while assigned to hunt down a new serial killer. Two women are found dead in a remote area of Northern Alaska, near Sadie's hometown, floating under the ice, their bodies preserved, much the same way Sadie's own murdered sister was found—a memory that still plagues her. The case strikes way too close to home, blurring Sadie's judgment, stirring up memories of her estranged father and murdered sister, memories she's not ready to grapple with. This part of Alaska—icy, rough, remote, populated by outcasts—proves impenetrable even for a seasoned FBI agent like Sadie. The killer, matching his landscape, is more sinister and smart than anyone Sadie has encountered. Amidst the perplexing clues, Sadie remains sure of only one thing: he will strike again. Against her wishes, Sadie must team up with Sheriff Logan Cooper—single, begrudging, and with a dark past of his own. Together, they must enter the canals of this killer's twisted mind and seek help from the locals, however hostile, to solve the pattern of these murders

before another girl turns up dead. With a major storm coming, can Sadie solve the murders before it's too late? Or will she end up as the next body floating under the ice? An action-packed page-turner, the **SADIE PRICE** series is a riveting crime thriller, jammed with suspense, surprises and twists and turns that you won't see coming.
