In many Christian circles this may be a taboo subject--spoken of in hushed tones or behind closed doors. But it is a very real problem that must be brought into the light of Scripture. Abuse in the church takes different forms, but it is alive and active even in "nice" families in our churches. Typically, the abuser is male, usually a husband--and his character is that of a manipulating deceiver! Countless women and children even many faithful pastors--have been abused by these deceivers. Have you, or someone you know, been a victim? Has an abuser: Threatened physical violence if he does not get away? Intimidated you with abusive language? Denied you affection? Denied you medical attention? Manipulated friends and acquaintances in order to gain allies? Pastor Jeff Crippen uses his over thirty years of experience to rip the lid off this most insidious behavior that is often hidden in plain sight. He not only maintains that Bible believing churches have

ignored or failed to face the problem, he insists that when they do counsel a victim of abuse, they get it all wrong! The result is that the victim gets pulled into deeper--even life threatening--danger! This book will come as a life-saver in a raging sea for those under the thumb of an abusive spouse or "friend". The Lord Jesus Christ wants you to be free in him: spiritually, emotionally, and, yes, physically. Every pastor also needs to read this book, either because they too have been a victim, but, more importantly, so that they properly counsel those caught in a cycle of abuse.

A timely collection of deeply personal, uplifting, and powerful essays that celebrate the redemptive strength of Black joy--in the vein of *Black Girls Rock*, *You Are Your Best Thing*, and *I Really Needed This Today*. When Tracey M. Lewis-Giggetts wrote an essay on Black joy for *The Washington Post*, she had no idea just how deeply it would resonate. But the outpouring of responses affirmed her own lived experience: that Black joy is not just a weapon of resistance, it is a tool for resilience. With this book, Tracey aims to gift her community with a collection of lyrical essays about the way joy has evolved, even in the midst of trauma, in her own life. Detailing these instances of joy in the context of Black culture allows us to recognize the power of Black joy as a resource to draw upon, and to challenge the one-note narratives of Black life as solely comprised of trauma and hardship. *Black Joy*

is a collection that will recharge you. It is the kind of book that is passed between friends and offers both challenge and comfort at the end of a long day. It is an answer for anyone who needs confirmation that they are not alone and a brave place to quiet their mind and heal their soul.
