An ALA Best Book for Young Adults. "[A] spellbinding twist on the Round Table legend . . . a standout in this enormous canon."—Publishers Weekly (starred review) The newly crowned King Arthur is unsure of himself; worse, the people are unsure of him. Too many

people want the throne, and treachery is everywhere. Merlin must do something before the king is betrayed, or murdered, or—worst of all—gets married. So Merlin magically places a sword into a slab of rock, lets it be known that whosoever removes the blade will rule all of England, and invites any man who would dare to try to pull out the sword. After a bit of showmanship, Arthur will draw the blade (with a little magical help, of course), and the people will rally around the young king. Except someone else pulls the sword out first

#1 NEW YORK TIMES BESTSELLER • The thrilling history of the Targaryens comes to life in this masterly work, the inspiration for HBO's *Game of Thrones* prequel series *House of the Dragon* “The thrill of *Fire & Blood* is the thrill of all Martin's fantasy work: familiar myths debunked, the whole trope

table flipped.”—Entertainment Weekly

Centuries before the events of *A Game of Thrones*, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. *Fire & Blood* begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel’s worst crimes? What was it like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel. Readers have glimpsed small parts of this narrative in such volumes as *The World of Ice & Fire*, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon’s *The History of the Decline and Fall of the Roman Empire*, *Fire & Blood* is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros. Praise for *Fire & Blood* “A masterpiece of popular historical fiction.”—*The Sunday Times* “The saga is a rich and dark one, full of both the title’s promised elements. . . . It’s hard not

to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should ‘bend the knee,’ ‘take the black’ and join the Night’s Watch, or simply meet an inventive and horrible end.”—*The Guardian*
