Never before has the incendiary mix of action, politics, and intrigue that has become Timothy Zahn's trademark, been more evident than in this new Star Wars epic. On the heels of the stunning events chronicled in Star Wars: A New Hope, the newly minted heroes of the Rebellion – fledgling Jedi Luke Skywalker, smuggler turned

reluctant freedom-fighter Han Solo, and Princess Leia Organa, a bold leader with a world to avenge – must face the harsh realities of the cataclysmic conflict into which they have so bravely plunged. From this point forward, legends will grow, treachery will abound, and lives will be irrevocably altered, in the long, hard fight to counter the fist of tyranny and restore hope to a galaxy too long in darkness. The destruction of the Death Star by the Rebel Alliance was a decisive blow against the Empire, but Palpatine and his monstrous enforcer, Darth Vader, are no less of a threat. The brutal extermination of Alderaan not only demonstrated the magnitude of their murderous power, but served as a chilling testament to their resolve to crush the Rebel uprising. Standing against them, Skywalker, Solo, and the Princess remain uncertain opponents. Luke is gifted and brave, but unschooled in the power he possesses. Han has doubts about waging someone else's war – and his contentiousness is one more burden for Leia to bear as she struggles to help keep the Rebellion alive. The three have been sent to mediate a dispute between Rebel Alliance factions in Shelsha Sector – agitating matters by forcing Han to deal not only with pirates, but with his more dreaded enemy, politics. At the same time, Mara Jade – all of eighteen and years away from her fateful meeting with Luke – is serving her evil master, Palpatine, well in her role as the Emperor's Hand: tracking suspected treachery in the Empire to what may be high places – while trying to stay out of Darth Vader's way. But the Rebels will prove to be only one of the Empire's concerns. For Imperial Stormtrooper Daric LaRone, his faith in the Empire shaken by the wanton destruction of Alderaan, will commit a sudden and violent act of defiance, and take four other enforcers with him, in a desperate bid to elude their masters' wrath. Each of these fateful actions, whether sanctioned, secret, or scandalous, will expose brutality and corruption, spur upheavals destined to shake the Empire to its core, and shape momentous events yet to come. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

THE SUNDAY TIMES BESTSELLER Grand Admiral Thrawn and Darth Vader team up against a threat to the Empire in this thrilling novel from bestselling author Timothy Zahn. "I have sensed a disturbance in the Force." Ominous words under

any circumstances, but all the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. Fierce rivals for the emperor's favor, and outspoken adversaries on Imperial affairs—including the Death Star project—the formidable pair seem unlikely partners for such a crucial mission. But the Emperor knows it's not the first time Vader and Thrawn have joined forces. And there's more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mitth'raw'nuruodo, officer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world, they forged an uneasy alliance—neither remotely aware of what their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.
