Penguin

The special 5th Anniversary  
Edition of SLIMED! An  
Entertainment Weekly

“ Best Tell-All ” Book One  
of Parade Magazine's “ Best  
Books About Movies/TV ”  
Included in Publishers

Weekly's “ Top Ten Social  
Science Books ” Before the  
recent reboots, reunions, and  
renaissance of classic  
Nickelodeon nostalgia swept  
through the popular  
imagination, there was  
SLIMED!, the book that  
started it all. With hundreds  
of exclusive interviews and ha  
ve-to-read- ‘ em-to-  
believe- ‘ em stories you  
won't find anywhere else,  
SLIMED! is the first-ever full  
chronicle of classic  
Nick...told by those who  
made it all happen!  
Nickelodeon nostalgia has

become a cottage industry  
unto itself: countless podcasts,  
blogs, documentaries, social  
media communities,  
conventions, and beyond.  
But a little less than a decade  
ago, the best a dyed-in-the-  
wool Nick Kid could hope for  
when it came to coverage of  
the so-called Golden Age  
(1983 – 1995) of the  
Nickelodeon network was the  
infrequent listicle, op-ed, or  
even rarer interview with an  
actual old-school Nick  
denizen. Pop culture  
historian Mathew Klickstein  
changed all of that when he

---

<p>forged ahead to track down and interview more than 250 classic Nick VIP ' s to at long last piece together the full wacky story of how Nickelodeon became " the Only Network for You! " Celebrate the fortieth anniversary of Nickelodeon with this special edition of SLIMED! that includes a new introduction by Nick Arcade ' s Phil Moore in addition to a foreword by Double Dare ' s Marc Summers and an afterword by none other than Artie, the Strongest Man in the World</p>	<p>himself (aka Toby Huss). After you get SLIMED!, you ' ll never look at Nickelodeon the same way again. " Mathew Klickstein might be the geek guru of the 21st century. " —Mark Mothersbaugh  <u>Black Leopard, Red Wolf</u>  Penguin  Within the concentric circles of Trump's regime lies an unseen culture of occultists, power-seekers, and mind-magicians whose influence is on the rise. In this unparalleled account, historian Gary</p>	<p>Lachman examines the influence of occult and esoteric philosophy on the unexpected rise of the alt-right. Did positive thinking and mental science help put Donald Trump in the White House? And are there any other hidden powers of the mind and thought at work in today's world politics? In <i>Dark Star Rising: Magick and Power in the Age of Trump</i>, historian and cultural critic Gary Lachman takes a close look at the various magical and esoteric ideas</p>
--	---	--

---

that are impacting political events across the globe. From New Thought and Chaos Magick to the far-right esotericism of Julius Evola and the Traditionalists, Lachman follows a trail of mystic clues that involve, among others, Norman Vincent Peale, domineering gurus and demagogues, Ayn Rand, Pepe the Frog, Rene Schwaller de Lubicz, synarchy, the Alt-Right, meme magic, and Vladimir Putin and his postmodern Rasputin. Come take a

drop down the rabbit hole of occult politics in the twenty-first century and find out the post-truths and alternative facts surrounding the 45th President of the United States with one of the leading writers on esotericism and its influence on modern culture.

*Inside Black Mirror*  
Dark Star

He was there when Dylan went electric, when a generation danced naked at

Woodstock, and when Ken Kesey started experimenting with acid. Jerry Garcia was one of the most gifted musicians of all time, and he was a member of one of the most worshiped rock 'n' roll bands in history. Now, Blair Jackson, who covered the Grateful Dead for twenty-five years, gives us an unparalleled portrait of Garcia--the musical genius, the brilliant songwriter,

---

and ultimately, the tortured soul plagued by his own addiction. With more than forty photographs, many of them previously unpublished, Garcia: An American Life is the ultimate tribute to the man who, Bob Dylan said, "had no equal."

*Heads* Simon and Schuster

A reference guide to the Grateful Dead includes biographies of band members, descriptions of officially released

albums, and insights into the more than four hundred songs they preformed live Penguin

"A fantasy world as well-realized as anything Tolkien made." —Neil Gaiman

"Gripping, action-packed....The literary equivalent of a Marvel Comics universe." —Michiko Kakutani, *The New York Times* In this epic, internationally

bestselling novel from Marlon James, the Man Booker Prize-winning author of *A Brief History of Seven Killings*, myth, fantasy and history merge in the stunning story of a mercenary's quest to find a missing child. Tracker is known far and wide for his skills as a hunter: "He has a nose," people say. *Hired to ?nd a*

---

mysterious boy who has disappeared, Tracker breaks his own rule of always working alone when he finds himself part of a group assembled to search for the boy. The band is a hodgepodge, full of unusual characters with secrets of their own, including a shape- shifting man-animal known as the Leopard. As Tracker	follows the boy's scent, he and the band are set upon by creatures intent on destroying them. As he fights for survival, Tracker starts to wonder: Who, really, is this boy? Why has he been missing for so long? Why do so many people want to keep the boy from being found? And perhaps most important of all: Who is telling the	truth, and who is lying? Drawing from African history and mythology and his own rich imagination, Marlon James has written a saga of breathtaking adventure that's also an ambitious, involving read. Defying categorization and full of unforgettable characters, Black Leopard, Red Wolf
---	---	---

---

is both surprising and profound as it explores the fundamentals of truth, the limits of power, the excesses of ambition, and our need to understand them all.

Acid Christ Simon and Schuster  
Discover the rich and complex history of the peoples of Africa, and the struggles and triumphs of Black

cultures and communities around the world. With profiles of key people, movements, and events, The Black History Book brings together accounts of the most significant ideas and milestones in Black history and culture. This vital and thought-provoking ebook presents a bold and accessible overview

of the history of the African continent and its peoples - from the earliest human migrations to modern Black communities and the African diaspora. Powerful images and innovative infographics bring to life the stories of the early kingdoms of Ancient Egypt, Nubia, and Carthage; the powerful empires of

---

the Medieval and Early Modern eras; and the struggle against European colonizers. Black history and culture beyond the African continent is also explored in detail - including the Atlantic Slave Trade; the quilombos (slave resistance camps) of Brazil; the Harlem Renaissance and Jazz Age; the "Windrush"

migration; Civil Rights and Black feminist movements; and Black Lives Matter. Using the "Big Ideas" series' trademark combination of authoritative, accessible text and bold graphics, The Black History Book examines the achievements and struggles of Black communities across the world up to the modern day, as well

as the influence of Black cultures on art, literature, and music the world over.

This Is All a Dream We Dreamed Penguin Avid Dead fan and chronicler Sandy Troy probes Jerry Garcia's personal and professional life through childhood and adolescence, Summer of Love acid tests, drug busts, three marriages, a brush

---

with death, and his comeback. Troy also traces the Dead's highs and lows and Garcia's musical relationships with songwriter Robert Hunter and other musicians in the Grateful Dead.

with those closest to Bell, the iconic Alex Chris Bell and the Big Star circle: their friends, family, former bandmates—even fans, exes, classmates, and coworkers. “Bell’s and Big Star’s existence was short, but the wealth of stories and quotes here provides a healthy sustenance for the truth seekers. A top-notch biography.” —San Francisco Book Review

The varied cast of voices—many from the band’s hometown of Memphis—comprises all the members of Big Star, including Chris Bell, the iconic Alex Chilton, Andy Hummel, and Jody Stephens. In the following decades after its 1975 breakup, the obscure group somehow reached and inspired some of rock’s most important bands, including R.E.M., the Replacements, Yo La Tengo, Teenage Fanclub, Beck, and Wilco. With Chris Bell at the center of the Big Star universe, this book carefully reveals the production of the band’s masterful 1972 debut LP, #1 Record, for Ardent/Stax Records. Despite stellar reviews, the record suffered abysmal sales. Soon after, toxic personality conflicts and turmoil tore the band apart while Bell battled drug abuse and depression. *There Was A Light* then delves into Big Star’s second and third albums, while recounting Bell’s second act as a struggling solo musician and born-again Christian. During several trips to Europe, he produced ambitious recordings

---

<p>and pitched himself to record labels—even crossing paths with Paul McCartney. From this fertile era arose Bell's lone solo album, the posthumously released I Am the Cosmos—his swan song and masterpiece. There Was A Light details the pop culture phenomenon that made Big Star legendary and divulges how its staunch fanbase saved the band from obscurity. "... an encyclopedic compendium...illuminating Bell's life from a thousand angles."</p>	<p>—Memphis Flyer  <b>Bill Graham Presents</b>          Macmillan          From the author of the National Book Award finalist Black Leopard, Red Wolf and the WINNER of the 2015 Man Booker Prize for A Brief History of Seven Killings "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, The Book of Night Women rings with both profound authenticity and a distinctly contemporary energy.</p>	<p>It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they—and she—will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and</p>
---	--	--

---

identity, Lilith starts distribution of water to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book—the secret to the stirring imagery and insistent prose—is the important story of our time: our relationship with water in a world of looming scarcity” (Kelly McEvers, NPR Host). Writing with authority and brio, Giulio Boccaletti—honorary research associate at the Smith School of Enterprise and the Environment, University of Oxford—shrewdly combines environmental and social history, beginning with the earliest civilizations of sedentary farmers on the banks of the Nile, the Tigris, and the Euphrates Rivers. Even as he describes how these societies were made possible by sea-level changes from the last glacial melt, he incisively examines how this type of farming led to irrigation and multiple cropping, which, in turn, led to a population explosion and labor specialization. We see with clarity how

---

irrigation's structure informed social structure (inventions such as the calendar sprung from agricultural necessity); how in ancient Greece, the communal ownership of wells laid the groundwork for democracy; how the Greek and Roman experiences with water security resulted in systems of taxation; and how the modern world as we know it began with a legal framework for the development of water

infrastructure. Extraordinary for its monumental scope and piercing insightfulness, *Water: A Biography* richly enlarges our understanding of our relationship to—and fundamental reliance on—the most elemental substance on earth. Deal Penguin New York Times Bestseller "The ultimate behind-the-scenes account." —Washington Post "The definitive history of the landmark TV show." —USA Today Join the

2018, fans around the globe came together to celebrate the life of an inimitable man who had dedicated his life to traveling nearly everywhere (and eating nearly everything), shedding light on the lives and stories of others. His impact was outsized and his legacy has only grown since his death. Now, for the first time, we have been granted a look into Bourdain's life through the stories and recollections of his closest friends and colleagues. Laurie Woolever, Bourdain's longtime assistant and confidante, interviewed nearly a hundred of the people who shared Tony's orbit—from members of his kitchen crews to his writing, publishing, and television partners, to his daughter and his closest friends—in order to piece together a remarkably full, vivid, and nuanced vision of Tony's life and work. From his childhood and teenage days, to his early years in New York, through the genesis of his game-changing memoir *Kitchen Confidential* to his emergence as a writing and television personality, and in the words of friends and colleagues including Eric
