assassin in 15th-century France  
forces her return home to the  
personal hell that she had  
finally escaped. Love and  
romance, history and magic,

and despair. Those that serve  
Death are only too happy to

price. The convent views  
Sybella, naturally skilled in

seduction, as one of their most  
dangerous weapons. But those  
assassin's skills are little  
comfort when the convent returns  
her to a life that nearly drove  
her mad. And while Sybella is a  
weapon of justice wrought by the  
god of Death himself, He must  
give her a reason to live. When  
she discovers an unexpected ally  
imprisoned in the dungeons, will  
a daughter of Death find  
something other than vengeance  
to live for?

Discover the fantasy and wonder of *The Magic Thief*, the first book in Sarah Prineas's acclaimed middle grade fantasy series! Diana Wynne Jones, author of *Howl's Moving Castle*, said: "I couldn't put it down. Wonderful, exciting stuff." In a city that runs on a dwindling supply of magic, a young boy is drawn into a life of wizardry and adventure. Conn should have dropped dead the day he picked Nevery's pocket and touched the wizard's locus magicalicus, a stone used to focus magic and work spells. But for some reason he

did not. Nevery finds that interesting, and he takes Conn as his apprentice on the provision that the boy find a locus stone of his own. But Conn has little time to search for his stone between wizard lessons and helping Nevery discover who—or what—is stealing the city of Wellmet's magic.

### **Theodosia and the Serpents of Chaos** Scholastic Inc.

They needed the perfect assassin. Boy Nobody is the perennial new kid in school, the one few notice and nobody thinks much about. He shows up in a new high school in a new town under a new name, makes a few friends, and doesn't stay long. Just long enough for someone in his new friend's family to die-of "natural causes." Mission accomplished, Boy Nobody disappears, moving on to the next target. But when he's assigned to the mayor of New York City, things change. The daughter is unlike anyone he has encountered before; the mayor reminds him of his father. And when memories and questions surface, his handlers at The Program are watching. Because somewhere deep inside, Boy Nobody is somebody: the kid he once was; the teen who wants normal things, like a real home and parents; a young man who wants out. And who just might want those things badly enough to sabotage The Program's mission. In this action-packed series debut, author Allen Zadoff pens a page-turning thriller that is as thought-provoking as it is gripping, introducing an utterly original and unforgettable antihero.

### **Grave Mercy** Dark Triumph

Sybella locates her fellow assassin and novitiate of the convent of Saint Mortain, only to discover that Genevieve has made a lethal mistake, and there are far-reaching consequences for loved ones entangled in French court intrigues.

### **The Will and the Wilds** Orbit

In fifteenth-century France, the convent of Saint Mortain provides sanctuary to girls seeking refuge from the cruelty of the outside world. But sanctuary comes at a price—and each of Death's handmaidens pays it in blood. *Grave Mercy* is where the story begins, when seventeen-year-old Ismae escapes the brutality of an arranged marriage by joining the convent. An assignment brings her to the

high court of Brittany, where she must navigate treason and temptation—especially when the master she serves demands the life of the man she loves. In *Dark Triumph*, after training as an elite killer to escape her past, Sybella must return to the home she thought she'd never see again. Her quest for justice against her violent family will bring nothing but destruction—until she meets a prisoner who gives her a reason to live. Annith yearns to serve Saint Mortain, but has spent her life watching her far more gifted sisters dole out Death's vengeance from the safety of the convent. In *Mortal Heart*, her destiny is finally revealed, and it is the one she feared most: a life as a seeress, not an assassin. But Annith refuses to give up on her dream and decides that nothing will stand in the way of her ambitions . . . not even the convent itself. Together, these three novels make up the New York Times best-selling *His Fair Assassin* trilogy, where romance, magic, and political intrigue collide. Fans of Marie Lu's *The Young Elites* and Kiersten White's *And I Darken* will love this seductive dark fantasy collection.
