A reclusive vampire and a
beautiful werewolf find their fates
and passions entwined in this
paranormal romance by the New

scarred and reclusive vampire,
Jagr makes no secret of his
disdain for others' company. But
as a member of Chicago's
powerful vampire clan, he has
been charged with tracking down
a missing werewolf pureblood.
The problem is that Regan Garrett

And though Jagr agreed not to
harm an inch of this stubborn
female's distractingly tempting
body, he'll gladly kiss her into
submission, awakening an urge he
hasn't felt in centuries. . . Regan
vowed never to be at the mercy of
another man. That goes double for
arrogant, steel-muscled vampires
with eyes of ice. All Regan wants
is revenge against those who

vengeance, and a passion as dark
and dangerous as the night.

Darkness Eternal Harper Collins

A mysterious traveler intervenes in an epic holy war in this “impressive, challenging debut” of the critically acclaimed fantasy epic (Publishers Weekly, starred review). The first book in R. Scott Bakker's Prince of

Nothing series introduces readers to a strikingly original and engrossingly vivid new world. With its language and classes of people, its cities, religions, mysteries, taboos, and rituals, *The Darkness That Comes Before* has drawn comparison to J.R.R. Tolkien's *The Lord of the Rings* and Frank Herbert's *Dune*. Bakker's Eärwa is a world scarred by an apocalyptic past, evoking a time both two thousand years past and two thousand years into the future. As untold thousands gather for a crusade, two men and two women are ensnared by a mysterious traveler, Anasûrimbor Kellhus—part

warrior, part philosopher, part sorcerous, charismatic presence—from lands long thought dead. *The Darkness That Comes Before* is a history of this great holy war, and like all histories, the survivors write its conclusion.

[World of Warcraft: Tides of Darkness](#) Brenda K. Davies *Heart of Darkness* is often considered the world's best short novel. The book serves as a bridge between the 19th century and modernism, an adventure tale revolving around the ambiguity of themes such as truth, morality, and evil. Joseph

Conrad witnessed the European exploitation of the Congo with his own eyes. He once sailed up the Congo River himself to locate a countryman at a trading station deep within the country – even though this man wasn't named Kurtz. The goal and enigma of the journey have become synonymous with this name, one of the most unforgettable fictional characters of our time. JOSEPH CONRAD [1857 – 1924] was born in Ukraine to Polish parents, went to sea at the age of

seventeen, and ended his career as a captain in the English merchant navy. His most famous work is the novella *Heart of Darkness* [1899], adapted into a film by Francis Ford Coppola in 1979 as *Apocalypse Now*.

A vampire must rescue a woman from Hell in this paranormal romance novella by the author of *Devoured by Darkness*. For the Guardians of Eternity, battle is a way of life—whether the plight of their world is at stake, or the

fate of their heart . . . After being held captive by one vampire for four centuries, Kata had no intention of taking another one to the underworld with her. Yet even in the pits of Hell, there's no ignoring the intoxicating desire awakened by Uriel's touch . . . Previously published in *Supernatural*. Praise for *New York Times* – bestselling Author Alexandra Ivy “ Ivy always packs her books with buckets of action, emotion and sexy sizzle. Another winner! ” —RT Book Reviews on *Devoured by*

Read the final book in the DARKNESS series as New York Times bestselling author Katie Reus wraps up this action-packed series with Darkness Rising, a National Readers Choice Award winner (paranormal category)! When a bringer of death... Awakened after millennia, dragon warrior Reaper is ready to fulfill his

destiny...until he sees Greer. With one glimpse, everything Reaper has ever known throughout his very long life is irrevocably changed. Greer's his mate, he feels it in his blood, in his soul—but convincing her is another matter. The dragon clan healer finds him obnoxious and annoying, but he knows a woman's interest when he smells it. And Greer smells like one word: mine. Meets a giver of life... Greer has spent hundreds of years using her healing abilities for the good of others, making her the polar opposite of Reaper. The ferocious war general may be an ancient, but his arrogance

proves he hasn't spent any of that time learning about women. Greer is displeased when her Alpha sends her to New Orleans with the insufferable warrior—then she sees him in action against a menace threatening to tear the city apart. Fierce, protective, magnificent...mate-worthy. Except he's hiding something from her. Something dark and devastating that could destroy their newly forged bond. Maybe opposites do attract, but if they want to live long enough to find out, they'll first have to save the world teetering on the brink of obliteration. Length: NOVEL

"My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own

terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same — and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used

against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart?
