It's a bitterly cold February in 1961, and Sandy Greenberg lies in a hospital bed in Detroit, newly blind. A junior at Columbia University from a Jewish family that struggled to stay above the poverty line, Sandy had just started to see the world open up to him. Now, instead of his plans for a bright future—Harvard Law and politics—Sandy faces a new reality, one defined by a cane or companion dog, menial work, and a cautious path through life. But that's not how this story ends. In the depth of his new darkness, Sandy faces a choice—play it “safe” by staying in his native Buffalo or return to Columbia to pursue his dreams. With the loving devotion of his girlfriend (and now wife) Sue

and the selflessness of best friends Art Garfunkel and Jerry Speyer, Sandy endures unimaginable adversity while forging a life of exceptional achievement. From his time in the White House working for President Lyndon B. Johnson to his graduate studies at Harvard and Oxford under luminaries such as Archibald Cox, Sir Arthur Goodhart, and Samuel Huntington, and through the guidance of his invaluable mentor David Rockefeller, Sandy fills his life and the lives of those around him with a radiant light of philanthropy, entrepreneurship, art, and innovation.

yourself or give to a struggling friend or loved one  
without the fear that depression and suicidal  
thoughts will be minimized, medicalized or over-  
spiritualized."—Kay Warren, cofounder of Saddleback  
Church What happens when loving Jesus doesn't cure  
you of depression, anxiety, or suicidal thoughts?  
You might be crushed by shame over your mental  
illness, only to be told by well-meaning Christians  
to "choose joy" and "pray more." So you beg God to  
take away the pain, but nothing eases the ache  
inside. As darkness lingers and color drains from  
your world, you're left wondering if God has  
abandoned you. You just want a way out. But there's  
hope. In *I Love Jesus, But I Want to Die*, Sarah J.  
Robinson offers a healthy, practical, and shame-free  
guide for Christians struggling with mental illness.  
With unflinching honesty, Sarah shares her story of  
battling depression and fighting to stay alive  
despite toxic theology that made her afraid to seek  
help outside the church. Pairing her own story with  
scriptural insights, mental health research, and  
simple practices, Sarah helps you reconnect with the  
God who is present in our deepest anguish and  
discover that you are worth everything it takes to  
get better. Beautifully written and full of hard-won  
wisdom, *I Love Jesus, But I Want to Die* offers a

teens.”—School Library Journal Ellie and her friends had been rescued. Airlifted out of their own country to the safe haven of New Zealand, they’d arrived burnt and injured and shocked, with broken bones, and scars inside and out. They did not want to go back. But five months later the war is not over, the nightmares continue, and there are two compelling reasons for them to return: a planned sabotage of the air base in Wirrawee and, most important, the families they left behind. In this episode of the tale begun in *Tomorrow, When the War Began* and continued in *The Dead of Night* and *A Killing Frost*, John Marsden takes us back to Hell, the outpost for a group of teens in a war-ravaged country. “Ellie is a solid narrator whose no-nonsense approach to love, war, and friendship makes her an unusual and impressive female protagonist. A personalized war novel that is apocalyptic yet open-ended enough for another sequel, *Darkness* benefits from not being limited to fitting into any one genre, but satisfactorily including aspects of several.”—Booklist “Contains as much riveting suspense and cliffhanger chapter endings as the first three.”—The Horn Book

*The Head Book* Tyndale House Publishers, Inc.

A dystopian thriller follows a boy and girl on the run from a town where all thoughts can be heard – and the passage to manhood embodies a horrible secret. Todd Hewitt is the only boy in a town of men. Ever since the settlers were infected with the Noise germ, Todd can hear everything the men think, and they hear everything he thinks. Todd is just a month away from becoming a man, but in the midst of the cacophony, he knows that the town is hiding something from him -- something so awful Todd is forced to flee with only his dog, whose simple, loyal voice he hears too. With hostile men from the town in pursuit, the two stumble upon a strange and eerily silent creature: a girl.

Who is she? Why wasn't she killed by the germ like all the females on New World? Propelled by Todd's gritty narration, readers are in for a white-knuckle journey in which a boy on the cusp of manhood must unlearn everything he knows in order to figure out who he truly is.

As the horrible reality of the situation becomes evident they have to make a life-and-death decision: to run back into the bush and hide, to give themselves up to be with their families, or to stay and try to fight.
