Darkness Creeping is 20 short
stories that will creep you
out. "Security Blanket" is the
story of a "special" quilt that
turns into the worst type of
security blanket. I may never
look at quilts the same again.

My favorite was probably the
"River Tour". The story of a
special guided trip down the
River Styx. Have a fear of
dentists?

The book comes with twenty
"twisted tales". 1)Catching Cold:

Marty is obsessed with trying to get ice cream from an ice cream truck that doesn't seem to ever stop for customers. He created a scheme to stop the truck, but he might not like what he gets. I didn't like that this is the first story in this book. It's only average.
