Angels of Darkness KA Publishing PTY LTD New York Times bestselling author Keri Arthur has been hailed for her “ smart, sexy ” \* urban fantasy novels. Now, she continues her Dark Angels series set in the realm of danger and desire known as the Guardian World... Half-werewolf, half-Aedh Risa Jones can enter the realm between life and death, and she can see the Reapers who collect the souls of the dead. Now, she is using her gifts—and the

investigative know-how of a man who broke her heart—to find a cabal searching for the power to control time, reality, and fate. And this is besides her work for the Vampire Council, half of whom want her dead. But for now the Council needs her alive. Someone is killing blood-whore addicted vampires, and Risa must find the guilty party. If she succeeds, she may finally convince the council to lift the execution order on her life. But before she succeeds, she must first survive...

Get the first 3 books of the LIZZIE GRACE SERIES in a single volume for the one low price. Each book in this box set is available separately, but by buying them in a bundle, you're getting a better deal! The box set contains Blood Kissed,

Hell's Bell, and Hunter Hunted.  
BOOK 1—BLOOD KISSED In a world where magic and science sit side by side, and powerful witches are considered necessary aides for all governments, Lizzie Grace is something of an outlier. Though born into one the most powerful blue blood witch families, she wants nothing to do with either her past or her magic. But when she and Belle, her human familiar and best friend, open a small cafe in the Faelan werewolf reservation, she quickly finds herself enmeshed in the hunt for a vampire intent on wreaking bloody havoc. It ' s a hunt that soon becomes personal, and one that is going to take all her skills to survive – that ' s if the werewolves, who hate all things witch, don ' t get her first. BOOK 2—HELL'S BELL When the church bell tolls thrice in the middle of the night, evil this way comes... Lizzie Grace and Belle Kent, her witch familiar, are living and working on the Faelan Werewolf Reservation—one that has banned the use of magic within its borders. Although they have their supporters—including ranger Aiden O ' Connor, who once hated all things witch—Lizzie and

Belle now face possible eviction. But the Faellan Reservation is a place filled with wild magic which—when left unprotected—quickly becomes a draw to those who walk the darker paths. As Christmas approaches, a new evil comes to town—one that eats the souls of the living and animates the flesh of the dead. As the body count grows and the trail of clues leads them to the doorstep of the local vampire, Lizzie, Belle, and Aiden must find the killer before death comes calling on them. But the biggest threat of all may come in the form of a witch who sees through the veils of Lizzie's carefully constructed lies and suspects the truth of who she really is... BOOK 3—HUNTER HUNTED Christmas is fast approaching, and Lizzie Grace and her witch familiar, Belle Kent, are hoping it's going to be a quiet one. But those hopes are dashed when, on a quest to find a customer's errant husband, Lizzie comes across the body of a witch and a dark circle of power neither she nor Ashworth can break. Then werewolves begin to turn up dead—skinned. As the body count rises, and the hunters become the hunted, it's evident there's a new evil in town. One that is determined to claim the reservation—and the wild magic—for his own.

Never mess with the relics of the old gods... or the pixies who once guarded them. After her mom's disappearance six months ago, Bethany Aodhán has been running their tavern in old Deva—something her family had been doing ever since a light-fingered pixie lost them the job of

guarding the treasures of the old gods eons ago. Then her brother, Lugh, is attacked, his best friend murdered, and the tavern firebombed. A confrontation with a former lover leads to the discovery of another murder and a missing jewel from a godly relic, and Beth learns that the Éadrom Hoard—one of three godly hoards now guarded by the elves—has been stolen. But this is no ordinary theft. Darker forces are at work, and they're not only seeking the means to resurrect a god of destruction but the power to forever banish daylight. That power lay with Agrona's Claws—three godly artifacts that, when used together, give the user full control over night itself. With the webs of suspicion drawing ever tighter around them, Beth & Lugh—with the help of two sexy elves and a cantankerous old goddess who knows far more than she admits—race to find the missing artifacts before those intent on unleashing chaos. It's a race they must win, because it's not just their lives on the line, but the fate of modern-day England.

?The final battle begins...

Gwen De Montfort's greatest fears have now come true. Her brother Max has not only claimed the sword in the stone, but is working with Darkside in order to destroy the royal family and claim the throne for himself. But does he hold the true Witch King's Sword? Or

is the sword he drew a powerful fake? With the attacks on them intensifying, Gwen, her grandmother Moscelyne, and Luc Durant—a sword-bearing warrior from an ancient order of knights—race to not only uncover the truth but find a means of stopping Max before his plans can come to bloody fruition. As an old goddess's prophecies come true and new powers rise, the dark gates are opened and London comes under attack. But the final battle will not be for the throne or the crown but rather a life, and might well result in Gwen having to make the ultimate sacrifice.

*Who Needs Enemies* KA Publishing PTY LTD  
A TEMPTING FATE Two children have been found dead, their souls torn from their bodies. Two more are missing, and Ethan Morgan's niece is one of them. A dedicated cop, Ethan has every intention not only of bringing her back alive but of catching the monster behind these kidnappings. And he will use anyone and everyone to achieve those aims—even a crazy woman who claims to be a witch. But

time is ticking. The victims rarely stay alive for more than seven days. Four of those days have already passed. In ten years of working for the Damask Circle, shapeshifter Katherine Tanner has never come across anything that goes after kids the way this monster does. The last thing Kat needs is interference from a cop who has no idea what he's up against. But the greatest threat to Kat may come not from the forces of darkness, but from the man she is beginning to love. Because Ethan is a werewolf . . . and the full moon is rising.

Whomsoever draws the sword from the ancient seat of this land shall rule her, and they shall bring peace and prosperity to her people. For nearly a thousand years, the firstborn son of every Cannamore king has drawn the sword, and the land and her people have indeed prospered. Princess Nyx Bel-Hannon is neither male nor firstborn, but it's her hand that draws the sword rather than

her twin brother's. Her reward: imprisonment. But a deep darkness now spreads across the kingdom, and her borders are threatened by creatures capable of magic powerful enough to destroy mountains and split the land asunder. Without the true heir to wield the sword, Cannamore risks annihilation. The king and crown prince want nothing more than to be permanently rid of Nyx, but cannot afford her blood on their hands. Instead, they give her to a fractious warlord in the hope he will do what they dare not. Nyx has no intention of letting the warlord get in the way of her thirst for revenge or the need to claim her throne. But it's a quest that may well destroy the kingdom she loves, because Nyx has been cursed by the god of war. It is her destiny to save Cannamore. Or utterly destroy it.

An ancient vampire

has returned to Castle Rock, and with her comes an even older evil intent on revenge... After tumultuous events in Canberra forced Lizzie Grace to confront her demons—literal and figurative—she returns to Castle Rock, hoping the stalemate with Aiden O'Connor can finally be resolved. Of course, for that to happen, she first has to talk to the man, and Lizzie is fighting a major case of cowardice. But cowardice holds no weight against the force of evil, and this one has a specific target in mind—Maelle Defour, the vampire Lizzie has an uneasy relationship with. As Aiden steps up to fight for everything he wants—including Lizzie—darkness is unleashed on the reservation. One that can turn those who look at it into stone. But the greatest threat to Lizzie might not be the demon or the vampires creating bloody chaos, but the

wild magic itself. Because the wellspring is out of control, and the only way to stop it is to invoke an ancient ritual. One that might kill the precious child she carries.

TWIN KILLING Agent Sam Ryan wants out of the Special Investigations Unit. She's sick of the attitude from her partner, Gabriel Stern. She's sick of the paperwork. Most of all, she's sick of feeling lonely. But her boss isn't about to let her go that easily. He gives Sam a choice: either stay stuck in her office or guard a clone replacement of Dan Wetherton, a government minister. Sam reluctantly chooses the latter—even though she suspects she's being used as bait to draw out the SIU's elusive nemesis. Gabriel would like nothing

better than to be on his own, without a partner to hold him back. Then he learns that Sam has been assigned to protect Wetherton—or whatever it is that's replaced him. Wetherton's clone could have come from only one place: Hopeworth, the military base that contains the secrets of Sam's past. Determined to protect her, Gabriel is drawn into a fight against unspeakable evil. And all too soon, Sam and Gabriel discover that the connection between them is far more powerful than anyone could ever have imagined.

Blackbird Rising KA Publishing PTY LTD WHISPER OF DARKNESS is the 3rd volume of LEGENDS OF DESTINY. This time, the story is set at the celestial level, as the war between the angels is raging. After Adrian's ascension to power, the dissident angels left. Some stay

isolated as Archangel Anton and Lucifer and will be known as the Errants. Others will regroup and organize. Heaven calls them the Dark Angels, those no more within the light of Heaven. Between the raids to put down the Gods out of control, Heaven is also sending squadrons of Angels to hunt down the dissidents with more or less success. This is the story of angels Ethel and Eto, as they are sent on a recognition mission to uncover the whereabouts of Kohël, a dissident angel, now known as Dali, the God of the Wind. Both junior angels looking to prove their worth to Heaven, the Council of Angels, and their Angel Lord, Adrian. Well, they are not the only ones looking to make their mark, as Hasdielle, a Dark Angel, is also looking to prove Heaven weak and wrong! Follow the legend of Ethel and Eto in WHISPER OF DARKNESS, the 3rd volume of LEGENDS OF DESTINY.

salvation of her  
people... or the  
means of their  
final destruction?  
Nara Velez wakes in  
a prison pod with  
no idea how she got  
there. She quickly  
learns that things  
have drastically  
changed during the  
time she can't

still, the Mareritt  
also control the  
drakkons. Nara has  
no choice but to  
work with Kaiden  
Silva, the warrior  
she's been chained  
to and a man who  
distrusts her  
deeply. But  
escaping the  
Mareritt is only  
the first of their  
problems; they soon  
discover their  
enemy is working on  
a brand-new

Sweetko, Fresh Fiction, for Burn In the last instalment to the Outcast series, Keri Arthur really gives it her all. Packed with action, suspense, and intrigue, this series is not one to be missed if you are a Sci Fi or Dystopian fan. I'm really picky when it comes to series like this, but Arthur has really created a world that is both fascinating and dangerous. Annie, Under the Covers Book Blog for The Black Tide CITY OF LIGHT is bursting with action, suspense and the supernatural. They're wrong. Living with the consequences is so much harder, especially when sorrow is a powerful draw to evil ... Lizzie Grace is trying to get on with her life now that she and Aiden have gone their separate ways, but it's a difficult thing to do when just about everything reminds her of the damn man. The situation is made worse when a body is found, and her job as Deputy Reservation Witch means she has no choice but to interact with him. At first, the death seems to be nothing more than an accidental drowning in a remote location, but it's soon evident a supernatural entity is involved. As they race to uncover what is going on, it becomes clear that

this evil is not only targeting werewolves, but one particular pack—the O'Connor's. And the reason might well be the song of sorrow. A song that Lizzie's grief might have given birth to... *Hell's Bell Dell* The race to find Agrona's final claw begins... Having claimed the Sword of Darkness, Bethany Aodhán must now destroy it—no simple task when the only means of doing so has long been hidden from humanity by the old gods. Hand in hand with that quest comes the need to find the Ring of Ruin before their enemies. But those enemies are closer to achieving their goals than Beth and her brother Luke realize, and they have destruction on their minds. Not just of a world but of all those who get in their way. As the quest for answers leads them from the realms of the old gods to deep underground, it becomes increasingly clear that someone close to them is working with the

I've never been a stranger to the darkness. But when darkness comes knocking and looks that good, who wouldn't invite him in? Draven is mysterious, evasive, and hot as sin. The only thing more infuriating than his silence is how obnoxious he is every time he does open his mouth. But when a group of strangers attacks me and he fights back—causing them to vanish into a cloud of black dust—I know Draven is more than he seems. Now I know the truth. There's a veil separating the world I know from a world of demons living all around us. Turns out, good and evil are just words. Some of the demons don't fall into

either category. And I'm realizing just how easily I fit in among the ancient warlocks, the divine soldiers, and the twisted supernaturals... There's so much more to me and my past that I don't know—let alone what I am truly capable of. So when all signs point to me having the ability to unleash Hell on earth? A new relic hunt. A new evil... Resident Relic Hunter for Deva's Fae Council is a title Bethany Aodhán never wanted, but it isn't like she has a choice. And in truth, the appointment might just aid her quest to find her mother's murderers—because at least one of those responsible is a member of the council, and getting access to their records could give

her the connection and their identity. But before she can be given her first task or even start her behind-the-scenes hunt, a building belonging to Cynwrig Lùtair—the highborn dark elf who is not only her council liaison but lover—is set alight, and they barely escape with their lives. It quickly becomes clear that the cause of the fire was a relic belonging to the god of smiths and fire, capable of destroying anything made within a forge, old or new. And the man wielding it is an elf who stirs uneasy echoes of past darkness within Bethany. As the attacks intensify and draw ever closer to home, it's increasingly evident that not only do the keys to finding the culprits lie in the past Bethany can't remember, but he's someone who knew her very well indeed. Someone who has no qualms about doing whatever it takes to get what he wants from her. Even if that means killing

The fight against darkness rages on for the next generation—in New York Times bestselling author Keri Arthur's exciting new series set in the world of the Guardians. Being half werewolf and half Aedh, Risa Jones can enter the twilight realms between life and death and see the reapers, supernatural beings that collect the souls of the dead. But she soon makes a terrifying discovery: Some sinister force is stealing souls, preventing the dead from ever knowing the afterlife. Reapers escort souls—not snatch them—but Risa is still unnerved when a reaper shadows her in search of someone Risa has never met: her own father, an Aedh priest, who is rumored to be tampering with the gates of hell for a dark purpose. With

the help of her "aunt"—half-werewolf, half-vampire Riley Jenson—and an Aedh named Lucian who may have lost his wings but none of his sex appeal, Risa must pursue whatever shadowy practitioner of blood magic is seizing souls, and somehow stop her father . . . before all hell breaks loose.
