In my book, Wings of Fire, two dragons, a sandwing, Qibli, and an icewing, Winter, set out to save three other dragons. The problem is an entire army has been given powers by a magic dragon, Darkstalker. They go from the desert to the old knight kingdom to Jade Mountain. The only thing stopping them is Darkstalker.

Darkness of Dragons (Wings of Fire, Book 10) Book Review ...

Pyrria dragons look similar to moths, if you think about it. Their necks aren't super long, and their lower wing membrane attaches down

the majority of their torso. Their wings are wide, and their bodies are somewhat stout (in comparison to Eastern dragons). Eastern dragons look like dragonflies, if you think about it.
