Bridget Davis has been running from an unknown past and an unseen enemy for as long as she can remember. All she knows is what her mother has told her: she is an oracle whose special abilities are about to manifest. But just as she is ready to begin her senior year of college, her mother dies, leaving her in the care of Dr. Cole Weber. Now, as Bridget's gifts become more pronounced, only Cole knows the truth about their origin. Bridget feels cursed by the gifts that allow her to shape-shift into the forms of animals and see the past and future. Trusting Cole, however, she is unexpectedly thrust into the supernatural world of Greek gods and goddesses. Cole, it seems, is Eros, god of love, and Bridget is his last living descendant and a hybrid. Unfortunately, the gods are alien imposters-and Bridget is one of them. Amid visions of blood-soaked battles, vampires, and passionate betrayals, Bridget begins to see that she is the key to mankind's survival. But just as Cole teaches Bridget about her past, defends her life with the help of Athena, and rekindles their hunger for each other, Bridget finds a love of her own in the arms of another hybrid. In this fantasy novel, passions roar to life as the dark forces of Greek myth close in, leaving a goddess with no choice but to embrace her warrior heritage-before it is too late.

In ancient Greece, one of the twelve labours of Heracles was to bring back a golden apple from the Garden of Hesperides. To archaeologist Oriel Anderson, joining a team of Greek divers on the island of Helios seems like the golden apple of her dreams. Yet the dream becomes a nightmare when she meets the devilish owner of the island, Damian Lekkas. In shocked recognition, she is flooded with the memory of a romantic night in a stranger's arms, six summers ago. A very different man stands before her now, and Oriel senses that the sardonic Greek autocrat is hell-bent on playing a cat and mouse game with her. As they cross swords and passions mount, Oriel is aware that malevolent eyes watch her from the shadows. Dark rumours are whispered about the Lekkas family. What dangers lie in Helios, a bewitching land where ancient rituals are still enacted to appease the gods, young men risk their lives in the treacherous depths of the Ionian Sea, and the volatile earth can erupt at any moment? Will Oriel find the hidden treasures she seeks? Or will Damian's tragic past catch up with them, threatening to engulf them both?

Troy: Lord of the Silver Bow Harlequin
A “thrilling, well-researched” account of years of scandal at the prestigious Getty Museum (Ulrich Boser, author of The Gardner Heist). In recent years, several of America’s leading art museums have voluntarily given up their finest pieces of classical art to the governments of Italy and Greece. Why would they be moved to such unheard-of generosity? The answer lies at the Getty, one of the world’s richest and most troubled museums, and scandalous revelations that it had been buying looted antiquities for decades. Drawing on a trove of confidential museum records and candid interviews, these two journalists give us a fly-on-the-wall account of the inner workings of a world-class museum, and tell a story of outlandish characters and bad behavior that could come straight from the pages of a thriller. “In an authoritative account, two reporters who led a Los Angeles Times investigation reveal the details of the Getty Museum’s illicit purchases, from smugglers and fences, of looted Greek and Roman antiquities. . . . The authors offer an excellent recap of the museum’s misdeeds, brimming with tasty details of the scandal that motivated several of America’s leading art museums to voluntarily return to Italy and Greece some 100 classical antiquities worth more than half a billion dollars.” —Publishers Weekly, starred review “An astonishing and penetrating look into a veiled world where beauty and art are in constant competition with greed and hypocrisy. This engaging book will cast a fresh light on many of those gleaming objects you see in art museums.” —Jonathan Harr, author of The Lost Painting

After narrowly escaping with her life, Aphrodite wakes up to find herself at the demigods' base camp--a gorgeous tropical island. Powerless and injured, she has no choice but to glamour herself as a demigoddess in order to find out what's really going on. Lucky for her, she's not alone. Ares is with her, also in disguise. But she soon realizes she might be more of a liability than an asset when her panic attacks and nightmares threaten to expose them both. Ares is as anxious as anyone to shut down the demigods' plot. But right now, all he can think about is Aphrodite. He almost killed her, for Gods' sake! And though the timing couldn't be any worse, he's falling hard and fast. He'll do anything to protect her . . . even if it means sacrificing himself. Still, they find allies in the most unexpected places . . . More goddess than demigoddess, Medea is married to the rebel leader, Jason. But there's something odd going on. Jason is acting very strange, and Medea finds herself drawn to a new demigoddess who mysteriously arrived on the island half-dead. She senses there's more to this visitor than meets the eye. The Daughters of Zeus, Book One "Persephone is a fun, imaginative, smart retelling of my favorite myth, fusing modern culture with a rich world of magic." Amazon Top Reviewer, Molly Ringle, Author of Persephone's Orchard. One day Persephone is an ordinary high school junior working at her mom's flower shop in Athens, Georgia. The next she's fighting off Boreas, the brutal god of Winter, and learning that she's a bonafide goddess--a rare daughter of the now-dead Zeus. Her goddess mom whisks her off to the Underworld to hide until Spring. There she finds herself under the protection of handsome Hades, the god of the dead, and she's automatically married to him. It's the only way he can keep her safe. Older, wiser, and far more powerful than she, Hades isn't interested in becoming her lover, at least not anytime soon. But every time he rescues her from another of Boreas' schemes, they fall in love a little more. Will Hades ever admit his feelings for her? Can she escape the grasp of the god of Winter's minions? The Underworld is a very nice place, but is it worth giving up her life in the realm of the living? Her goddess powers are developing some serious, kick-butt potential. She's going to fight back. "I enjoyed Hades and Persephone's sweet romantic relationship. Persephone has her flaws, but she is likable and learns along the way. The author's writing is descriptive and entertaining. I am looking forward to the next book." Rebecca Foote @ Paranormal Muse "Everyone needs to check this book out, I can't rave enough about it, Bevis is definitely a new talent to keep an eye out for. I give this 5/5." Sarah Brown @ Head Stuck in a Book "I found this book to be a fun and fast-paced adventure through Greek mythology with a modern twist." Move over Rick Riordan!" Amazon Top Reviewer, Rita Webb, Author of Daughter of the Goddess "This story will completely suck you in . . . The Mirror of Helen Book Three of the Kaphtu Trilogy "The story of Helen of Troy is one of the great classics of all time. In this unusual fantasy novel, Richard Purtill dares to look behind the scenes to depict what it was really like to be involved with that half-goddess whose radiant beauty did indeed launch a thousand ships. Here is Helen as a child, kidnapped and held hostage. Here is Helen as a woman, captive in an alien city, while the civilized world sought for her, fought for her. Told as by one who had seen the events, who knew her, who knew the gods who pulled the world’s strings, this is a novel that brings it all back in the vivid reflections of the mirror of divine judgement." -Donald A. Wolheim, founder, DAW Books. "With a scholar’s grasp of the period and its mythology, and an unerring eye for character, Richard Purtill brings a gripping reality to the seige of Ilium. As real as today’s news--and vastly more enjoyable." -F. M. Busby, author of The Demu Trilogy. The Kaphtu Trilogy: The Golden Gryphon Feather The Stolen Goddess The Mirror of Helen
