Daughters of the Storm by Kim Wilkins is the first book of the Blood and Gold series. I've seen this one marked as a young adult fantasy but my first warning would be there is sexual content along with of course some violence to make this one more for mature readers.

In *Daughters of the Storm*, Kim Wilkins, a masterful storyteller, presents us with a rich and detailed historical fantasy featuring a poisoned king, his five very different daughters, and a land in existential and leadership crisis.
