It's Not an Age. It's a Financial Number. Simon and Schuster

In *Smart Money Smart Kids*, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

The Legacy Journey Hay House, Inc

Ramsey--a businessman and entrepreneur who earned four million dollars, only to lose it all and everything else he owned by getting too far into debt--shares the valuable lessons he has learned--financially, emotionally, and spiritually--in this new edition of this entertaining guide for anyone who wants to achieve freedom from financial stress. Worksheets.

The Guilt-Free Guide to Life Balance Simon and Schuster

OVER 250,000 COPIES IN PRINT, WITH A NEW CHAPTER ON THE 2018 TAX CUTS. There's a massive freight train bearing down on the average American investor, and it's coming in the form of higher taxes. The United States Government has made trillions of dollars in unfunded promises for programs like Social Security and Medicare—and the only way to deliver on these promises is to raise taxes. Some experts have even suggested that tax rates will need to double, just to keep our country solvent. Unfortunately, if you're like most Americans, you've saved the majority of your retirement assets in tax-deferred vehicles like 401(k)s and IRAs. If tax rates go up, how much of your hard-earned money will you really get to keep? In *The Power of Zero*, McKnight provides a concise, step-by-step roadmap on how to get to the 0% tax bracket by the time you retire, effectively eliminating tax rate risk from your retirement picture. Now, in this expanded edition, McKnight has updated the book with a new chapter on the 2017 Tax Cuts and Jobs Act, showing readers how to navigate the new tax law in its first year of being in effect, and how they can extend the life of their retirement savings by taking advantage of it now. The day of reckoning is fast approaching. Are you ready to do what it takes to experience the power of zero?

Dave Ramsey's Complete Guide to Money Viking Adult

The publication of the King James version of the Bible, translated between 1603 and 1611,

coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

How Ordinary People Built Extraordinary Wealth--and How You Can Too Canongate U.S.

New York Times Best Seller 2015 RFK Book Awards Special Recognition 2015 Lillian Smith Book Award 2015 AAUP Books Committee "Outstanding" Title Based on more than eighty interviews, this fast-paced, richly detailed biography of Perry Wallace, the first African American basketball player in the SEC, digs deep beneath the surface to reveal a more complicated and profound story of sports pioneering than we've come to expect from the genre. Perry Wallace's unusually insightful and honest introspection reveals his inner thoughts throughout his journey. Wallace entered kindergarten the year that *Brown v. Board of Education* upended "separate but equal." As a 12-year-old, he sneaked downtown to watch the sit-ins at Nashville's lunch counters. A week after Martin Luther King Jr.'s "I Have a Dream" speech, Wallace entered high school, and later saw the passage of the Civil Rights and Voting Rights acts. On March 16, 1966, his Pearl High School basketball team won Tennessee's first integrated state tournament--the same day Adolph Rupp's all-white Kentucky Wildcats lost to the all-black Texas Western Miners in an iconic NCAA title game. The world seemed to be opening up at just the right time, and when Vanderbilt recruited him, Wallace courageously accepted the assignment to desegregate the SEC. His experiences on campus and in the hostile gymnasiums of the Deep South turned out to be nothing like he ever imagined. On campus, he encountered the leading civil rights figures of the day, including Stokely Carmichael, Martin Luther King Jr., Fannie Lou Hamer, and Robert Kennedy--and he led Vanderbilt's small group of black students to a meeting with the university chancellor to push for better treatment. On the basketball court, he experienced an Ole Miss boycott and the rabid hate of the Mississippi State fans in Starkville. Following his freshman year, the NCAA instituted "the Lew Alcindor rule," which deprived Wallace of his signature move, the slam dunk. Despite this attempt to limit the influence of a rising tide of black stars, the final basket of Wallace's college career was a cathartic and defiant dunk, and the story Wallace told to the Vanderbilt Human Relations Committee and later *The Tennessean* was not the simple story of a triumphant trailblazer that many people wanted to hear. Yes, he had gone from hearing racial epithets when he appeared in his dormitory to being voted as the university's most popular student, but, at the risk of being labeled "ungrateful," he spoke truth to power in describing the daily slights and abuses he had overcome and what Martin Luther King had called "the agonizing loneliness of a pioneer."

The Step-by-Step Guide to Getting Your Kid Through College Without Student Loans Ramsey

Press

It's not about doing more. IT'S ABOUT DOING WHAT MATTERS. As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn't just a matter of saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here's what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced—even in your busy life. In *Take Back Your Time*, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by some elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way.

Krugman's Economics for AP® (High School) Ramsey Press

Are your thoughts out of control--just like your life? Do you long to break free from the spiral of destructive thinking? Let God's truth become your battle plan to win the war in your mind! We've all tried to think our way out of bad habits and unhealthy thought patterns, only to find ourselves stuck with an out-of-control mind and off-track daily life. Pastor and New York Times bestselling author Craig Groeschel understands deeply this daily battle against self-doubt and negative thinking, and in this powerful new book he reveals the strategies he's discovered to change your mind and your life for the long-term. Drawing upon Scripture and the latest findings of brain science, Groeschel lays out practical strategies that will free you from the grip of harmful, destructive thinking and enable you to live the life of joy and peace that God intends you to live. *Winning the War in Your Mind* will help you: Learn how your brain works and see how to rewire it. Identify the lies your enemy wants you to believe. Recognize and short-circuit your mental triggers for destructive thinking. See how prayer and praise will transform your mind. Develop practices that allow God's thoughts to become your thoughts. God has something better for your life than your old ways of thinking. It's time to change your mind so God can change your life.
