Financial expert Catey Hill shows moms

how to spend less and save big in this savvy guide where each step is designed to take 30 minutes max. Let's face it, kids are expensive -- in 24 states, daycare actually costs more than in-state college tuition! And the older kids get, the more you will spend. Every mom could use more money. But who has hours to search for coupons just to save a few dollars? And sure, you know you should learn how to get the most of your 401k, but when will you possibly find the time? Luckily, financial expert Catey Hill has created smart, simple strategies to help you maximize your money in minimal time (yes, even your 401k). Drawing on extensive research and exclusive studies on the actual cost of raising a child at each age, she'll show you how to save in each area of your life, including practical tips on: Shopping second-hand vs. what to buy new and where Lowering your grocery bill (without coupons!) Building up a college fund Dealing with high interest credit card debt Saving on insurance Best of all, these tips are designed to be done in less than half an hour, and the few things that might take a little longer are broken down in 30-minute segments. Catey will even guide you through a one-time five-step process

that will allow you to manage all your bills, keep an eye on the family budget, and build savings for that dream family vacation in just 30 minutes a week, so you can stress less and enjoy your life more!" Now available for Pre-Order! A
common resolution set at the beginning
of a new year is to "get my financial
house in order." But how can you build
a house, let alone pour any kind of
foundation, without a blueprint? There
are dozens of books and gurus trying to
push their advice and tell you how to
spend and invest your money. And
then, there are three suburban dads
just trying to make the world a little bit
better. Meet Brad Barrett and Jonathan
Mendonsa of the award-winning
ChooseFI podcast and Chris Mamula
of the popular blog "Can I Retire Yet?".
They have walked the talk and now

want to share their knowledge with you.
Together, these three regular guys will
show you how they did something
extraordinary. They are all financially
independent and doing meaningful work
that fulfills them. All three left their
corporate 9 to 5 jobs and are reaping
the benefits of extra time with their
families. Mirroring the format of the
popular ChooseFI podcast, this book
pulls from the collective knowledge of
those who have decided to build a
lifestyle around their passions instead of
allowing their finances to dictate their
future. These stories demonstrate
universal principles, giving you the
opportunity to pick the elements that are
the most applicable to your financial
situation and "choose your own

Saving Your Marriage Before It Starts
Thomas Nelson Inc

When you hear the word retirement, you
probably don't imagine yourself scrambling
to pay your bills in your golden years. But
for too many Americans, that's the fate
that awaits unless they take steps now to
plan for the future. Whether you're twenty
five and starting your first job or fifty five
and watching the career clock start to wind

down, today is the day to get serious about your retirement. In *Retire Inspired*, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you want to. You can retire inspired!

How does an engaged or newly married couple work as a team when dealing with money?

The Money Answer Book Ramsey Press

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for

young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. *Debt-Free Degree* shows parents how to pay cash for college and set their child up to succeed for life.

You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and

developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you *Baby Steps Millionaires* isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

In *Smart Money Smart Kids*, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how

to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

Cash Flow Planning Zondervan

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?
