Speakers often use the words vision, boldness, and influence to describe the characteristics of effective leaders. Perry Noble, in *The Most Excellent Way to Lead*, makes the case that the heart of great leadership lies elsewhere. Perry, despite "winning" the label "least likely to succeed" in high school, beat the odds against him. Today, he inspires thirty-five thousand people every weekend to live for something greater than themselves. He credits this achievement to the leadership

principles he has learned from the Bible. Surprisingly, the essence of leadership that produces genuine growth is buried in a Bible chapter often read at weddings. In this groundbreaking book, Perry walks us through that leadership chapter, describing the fifteen qualities of an inspirational leader. Whether you are an entrepreneur or a new parent, this book will encourage you to see every opportunity in life as a chance to lead in the "most excellent way."

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams.

But there is a different way. Going to college without student loans is possible! In Debt-Free Degree, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life.

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is

“ enough ” ? There ' s a lot of bad information in our culture today about wealth and the wealthy. Worse, there ' s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God ' s put in their care. They were able to build wealth using God ' s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

Knowing God truly, experiencing Him deeply. What would it look like to genuinely love God with our head

AND our heart? To have a faith marked by right thinking AND right feeling? To know God deeply AND worship him passionately? Too often, Christians act as though these things are at odds with one another. But what if God intends for us to possess a Christianity that is radically committed to biblical truth, in a way that did not diminish the life of the heart, but actually intensified it? Adam Ramsey invites us to engage both our minds and our emotions in our walk with God as we gaze at him until our hearts sing. He sums it up like this: "My hope in these following pages is to paint a biblical portrait of what God is actually like, so that we can gaze upon him together until our hearts can 't help but sing. To behold him in such a way that our daily experience is transformed with a deepened awareness of who it is we pray to, who it is that is with us, and who it is that we are loved by. To let God 's truth set our hearts on fire." If you yearn for God but desire a clearer biblical picture of this God whom you love, or if you have been walking with God for a while now, but your experience of him has become settled or dry, then this book is for you.

In Love Your Life, Not Theirs,
Rachel Cruze shines a spotlight on

the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really

living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and

Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really

matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of The View "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze.
