What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

It's not about doing more. IT'S ABOUT DOING WHAT MATTERS.

As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn't just a matter of saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here's what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced — even in your busy life. In *Take Back Your Time*, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by some elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way. In his first bestseller, *Financial Peace*, Dave Ramsey taught us how to eliminate debt from our lives. Now in *More Than Enough*, he gives us the keys to building wealth while also creating a successful, united family. Drawing from his years of work with thousands of families and corporate employees, Ramsey presents the ten keys that guarantee family and financial peace, including: values, goals, patience, discipline, and giving back to one's community. Using these essential steps anyone can create prosperity, live debt-free, and achieve marital bliss around the issue of finances. Filled with stories of couples, single men and women, children, and single parents, *More Than Enough* will show you:

- How to create a budget that fits your income and creates wealth
- What finances and romance have to do with one another
- What role values play in your financial life
- How to retire wealthy in every way
- And much, much more

Resonating with Ramsey's down-home, folksy voice, heartwarming case histories, inspiring insights, quotations from the Bible, and exercises, quizzes, and worksheets, *More Than Enough* provides an inspiring wealth-building guide and a life-changing blueprint for a vital family dynamic.

With warmth and biblical insight, Frazee shows us how to rely on the power of the Holy Spirit just as Jesus did; respond to God's voice in decisions big and small; raise our expectations for how God's power can work through us; and break free of addictions, habits, and destructive thoughts that hold us back. The Bible promises us more than inspiration. More than influence. The Bible promises us access to the same power that raised Jesus from the dead. So what keeps us from drawing on that incredible

resurrection power in our daily lives? In *His Mighty Strength*, popular pastor and author Randy Frazee explores Jesus' time on earth to uncover the amazing source of his strength. Jesus continually sought direction from the Father and found the power to live the Father's will through the Holy Spirit. He said yes to God every day of his earthly life—and we can too. His *Mighty Strength* reminds us that Jesus' resurrection power is not wishful thinking or a poetic metaphor. It's a real source of strength that we have access to right now. And when we embrace God's offering, our lives will never be the same. "This is not a watered-down self-help book—this is a powerful Gospel-centered guide to walking in the fullness of Christ. I challenge you to read this amazing book and accept the glorious gift of strength from Christ that enables us to live the abundant life God has promised us!" —Francesca Battistelli, Grammy Award-winning singer-songwriter

Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

OVER 250,000 COPIES IN PRINT, WITH A NEW CHAPTER ON THE 2018 TAX CUTS. There's a massive freight train bearing down on the average American investor, and it's coming in the form of higher taxes. The United States Government has made trillions of dollars in unfunded promises for programs like Social Security and Medicare—and the only way to deliver on these promises is to raise taxes. Some experts have even suggested that tax rates will need to double, just to keep our country solvent. Unfortunately, if you're like most Americans, you've saved the majority of your retirement assets in tax-deferred vehicles like 401(k)s and IRAs. If tax rates go up, how much of your hard-earned money will you really get to keep? In *The Power of Zero*, McKnight provides a concise, step-by-step roadmap on how to get to the 0% tax bracket by the time you retire, effectively eliminating tax rate risk from your retirement picture. Now, in this expanded edition, McKnight has updated the book with a new chapter on the 2017 Tax Cuts and Jobs Act, showing readers how to navigate the new tax law in its first year of being in effect, and how they can extend the life of their retirement savings by taking advantage of it now. The day of reckoning is fast approaching. Are you ready to do what it takes to experience the power of zero?

A New York Times correspondent shares his financial successes and mishaps, offering an everyman's

guide to straightening out your money once and for all. Money management is one of our most practical survival skills—and also one we've convinced ourselves we're either born with or not. In reality, financial planning can be learned, like anything else. Part financial memoir and part research-based guide to attaining lifelong security, *This Is the Year I Put My Financial Life in Order* is the book that everyone who has never wanted to read a preachy financial guide has been waiting for. John Schwartz and his wife, Jeanne, are pre-retirement workers of an economic class well above the poverty line, but well below the one percent. Sharing his own alternately harrowing and hilarious stories—from his brush with financial ruin and bankruptcy in his thirties to his short-lived budgeted diet of cafeteria french fries and gravy—John will walk you through his own journey to financial literacy, which he admittedly started a bit late. He covers everything from investments to retirement and insurance to wills (at fifty-eight, he didn't have one!), medical directives and more. Whether you're a college grad wanting to start out on the right foot or you're approaching retirement age and still wondering what a 401(K) is, *This Is the Year I Put My Financial Life in Order* will help you become your own best financial adviser.
