Love Your Life Not Theirs Thomas Nelson

With warmth and biblical insight, Frazee shows us how to rely on the power of the Holy Spirit just as Jesus did; respond to God ' s voice in decisions big and small; raise our expectations for how God ' s power can work through us; and break free of addictions, habits, and destructive thoughts that hold us back. The Bible promises us more than inspiration. More than influence. The Bible promises us access to the same power that raised Jesus from the dead. So what keeps us from drawing on that incredible resurrection power in our daily lives? In His Mighty Strength, popular pastor and author Randy Frazee explores Jesus ' time on earth to uncover the amazing source of his strength. Jesus continually sought direction from the Father and found the power to live the Father ' s will through the Holy Spirit. He said yes to God every day of his earthly life—and we can too. His Mighty Strength reminds us that Jesus ' resurrection power is not wishful thinking or a poetic metaphor. It ' s a real source of strength that we have access to right now. And when we embrace God ' s offering,

In Love Your Life, Not Theirs, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others.

---

Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right

way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits

that really matter--and they have nothing to do with keeping up with the Joneses!" **Summary: the Total Money Makeover**

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the

---

resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction
