Financial Peace Junior Kit Wiley  
Dave Ramsey explains those scriptural guidelines for handling money.

## **The Proximity Principle**

Thomas Nelson  
MORE THAN 500,000  
COPIES SOLD! Are your thoughts out of control--just like your life? Do you long to break free from the spiral of destructive thinking? Let God's truth become your battle plan to win the war in your mind! We've all tried to think our way out of bad habits and unhealthy thought patterns, only to

---

find ourselves stuck with an out-of-control mind and off-track daily life. Pastor and New York Times bestselling author Craig Groeschel understands deeply this daily battle against self-doubt and negative thinking, and in this powerful new book he reveals the strategies he's discovered to change your mind and your life for the long-term. Drawing upon Scripture and the latest findings of brain science, Groeschel lays out practical strategies that will free you from the grip of harmful, destructive thinking and enable you to live the life of joy and peace that God intends you to live. *Winning the War in Your Mind* will help you: Learn how your brain works and see how to rewire it Identify the lies your enemy wants you to believe Recognize and short-

circuit your mental triggers for destructive thinking See how prayer and praise will transform your mind Develop practices that allow God's thoughts to become your thoughts God has something better for your life than your old ways of thinking. It's time to change your mind so God can change your life. *The Burkett & Blue Definitive Guide to Securing Wealth to Last* Tyndale House Publishers, Inc. Debt is the most aggressively marketed product in history. And it isn't just sold by banks and credit card companies anymore. Many national retail chains make more money on the sale of credit applications than they do on the actual merchandise they sell. In *Dumping Debt*, Dave blows the lid off the credit game, debunking the leading myths about debt that have become ingrained in our natural way of thinking. Then he walks you right out of debt with his simple, clear and effective debt snowball technique.

---

## Two Foot Fred Simon and Schuster

Tony Robbins turns to the topic that vexes us all: How to secure financial freedom for ourselves and for our families. “If there were a Pulitzer Prize for investment books, this one would win, hands down” (Forbes). Tony Robbins is one of the most revered writers and thinkers of our time. People from all over the world—from the disadvantaged to the well-heeled, from twenty-somethings to retirees—credit him for giving them the inspiration and the tools for transforming their lives. From diet and fitness, to business and leadership, to relationships and self-respect, Tony Robbins’s books have changed people in profound and lasting ways. Now, for the first time, he has

assembled an invaluable “distillation of just about every good personal finance idea of the last forty years” (The New York Times). Based on extensive research and interviews with some of the most legendary investors at work today (John Bogle, Warren Buffett, Paul Tudor Jones, Ray Dalio, Carl Icahn, and many others), Tony Robbins has created a 7-step blueprint for securing financial freedom. With advice about taking control of your financial decisions, to setting up a savings and investing plan, to destroying myths about what it takes to save and invest, to setting up a “lifetime income plan,” the book brims with advice and practices for making the financial game not only winnable—but providing financial freedom for the rest of your life. “Put MONEY on your short list of

---

new books to read...It's that good" (Marketwatch.com). *What Would the Rockefellers Do?* Thomas Nelson Inc  
What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth?and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money

management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

**The Antelope in the Living Room** Dave

Ramsey's Financial Peace

OVER 300,000 COPIES IN PRINT, WITH A NEW CHAPTER ON THE 2018 TAX CUTS.

There's a massive freight train bearing down on the

---

average American investor, and it's coming in the form of higher taxes. The United States Government has made trillions of dollars in unfunded promises for programs like Social Security and Medicare—and the only way to deliver on these promises is to raise taxes. Some experts have even suggested that tax rates will need to double, just to keep our country solvent. Unfortunately, if you're like most Americans, you've saved the majority of your retirement assets in tax-deferred vehicles

like 401(k)s and IRAs. If tax rates go up, how much of your hard-earned money will you really get to keep? In *The Power of Zero*, McKnight provides a concise, step-by-step roadmap on how to get to the 0% tax bracket by the time you retire, effectively eliminating tax rate risk from your retirement picture. Now, in this expanded edition, McKnight has updated the book with a new chapter on the 2017 Tax Cuts and Jobs Act, showing readers how to navigate the new tax law, and how

---

they can extend the life of their retirement savings by taking advantage of it now. The day of reckoning is fast approaching. Are you ready to do what it takes to experience the power of zero?

**Pound Foolish** Abingdon Press

Country music celebrity Two Foot Fred shares his story of living with dwarfism, overcoming odds, and finding peace and success with a positive attitude. Despite his physical limitations from birth—a form of dwarfism known as diastrophic dysplasia, a cleft palate, clubfeet, and scoliosis—Fred Gill rose above his circumstances to

graduate college and open his first restaurant by the young age of twenty-two. In 1998, Fred took what proved to be a life-changing trip to Nashville during the city's annual country music celebration, where he met John Rich. That fateful meeting led to a regular job as Ambassador of Attractions for the band Big & Rich, as well as to numerous country music award shows and other television programs. But while his successes are many, Fred has had more than his share of challenges, including "a quarter-life crisis" and troubles with depression, alcohol, and gambling. Like many other celebrities, Fred worked to find peace,

---

turning to his small-town upbringing for solace and affirmation. Two Foot Fred shows that nothing can defeat you unless you allow it to, and that our lives are simply what we make of them.

*The Go-Getter*

Why did the Vanderbilts squander their wealth, while the Rockefellers have kept it for six generations? Learn the Rockefeller Method for creating, protecting, and passing on wealth. You don't have to take high risks or wait for the "long haul." You can

---

create generational wealth safely and predictably. You can create a legacy of wealth and contribution that lives on in perpetuity--benefiting generations after you.

### **Summary of Dave Ramsey's**

#### **EntreLeadership**

##### Portfolio

If you've ever bought a personal finance book, watched a TV show about stock picking, listened to a radio show about getting out of debt, or attended a seminar to help you plan for your retirement, you've probably heard some version of these quotes: "What's keeping you from being rich? In

most cases, it is simply a lack of belief." -SUZE ORMAN, *The Courage to Be Rich* "Are you letting away your financial future?"

-DAVID BACH, *Smart Women Finish Rich* "I know you're capable of picking winning stocks and holding on to them." -JIM

CRAMER, *Mad Money* They're common refrains among personal finance gurus. There's just one problem: those and many similar statements are false. For the past few decades, Americans have spent billions of dollars on personal finance products. As salaries have stagnated and companies have cut back on benefits,

---

we've taken matters out some of the  
into our own hands, biggest names in the  
embracing the can-do business, revealing  
attitude that if how even the most  
we're smart enough, respected gurus have  
we can overcome even engaged in dubious,

---

consumption will not offset our biggest expenses: housing, education, health care, and retirement. Disciplined investing will make you rich: Gurus also love to show how steady investing can turn modest savings into a huge nest egg at retirement. But these calculations assume a healthy market and a lifetime without any setbacks—two conditions that have no connection to the real world. Women need extra help managing money: Product pushers often target women, whose alleged financial ignorance supposedly leaves them especially at risk. In reality, women and men are both terrible

at handling finances. Financial literacy classes will prevent future economic crises: Experts like Disciplined investing to claim mandatory sessions on personal finance in school will cure many of our money ills. Not only is there little evidence this is true, the entire movement is largely funded and promoted by the financial services sector. Weaving together original reporting, interviews with experts, and studies from disciplines ranging from behavioral economics to retirement planning, Pound Foolish is a compassionate and compelling book that will change the way

---

we think and talk about our money. The Total Money Makeover Workbook Simon and Schuster Our world isn't slowing down, so only those who are willing to maneuver the tectonic cultural shifts will have sustainable ministry. From his extensive experience and using the biblical story of Joseph as an extended metaphor, Bishop Joseph Walker shares practical wisdom designed to help leaders reach out and equip their church to share a relevant Christian message. Joseph W. Walker III is bishop of Mount Zion Baptist Church of Nashville,

Tennessee. Under his leadership and over a span of twenty years, the church has grown from 175 to more than 28,000 members. During this time, Bishop Walker has seen people struggle to embrace the new things God is doing; and he fully appreciates how change heightens the demands of leadership. Shifting approaches to follow where God leads can also mean that leaders have to risk confronting cherished tradition, which Bishop Paul Morton calls "frozen success." But shifting to meet new opportunities is also a delicate balance that acknowledges history while also

---

being sensitive to those loyal people who have sustained the organization to this point. Effective leadership does not impose new ideas upon old systems without a strategy that enables everyone in the organization moving forward together.

It's not simply, "out with the old and in with the new."

Successful organizations do not forget their history, but they commit themselves to using it as a bridge to propel them to their destiny.

*The Wealthy Barber*  
Crown Currency  
Speakers often use the words vision, boldness, and influence to describe the characteristics of effective leaders. Perry Noble, in *The Most Excellent Way to Lead*, makes the case that the heart of great leadership lies elsewhere. Perry, despite "winning" the label "least likely to succeed" in high school, beat the odds against him. Today, he inspires thirty-five thousand people every weekend to live for something greater than themselves. He credits this

achievement to the leadership principles he has learned from the Bible.

Surprisingly, the essence of leadership that produces genuine growth is buried in a Bible chapter often read at weddings. In this groundbreaking book, Perry walks us through that leadership chapter, describing the fifteen qualities of an inspirational leader. Whether you are an entrepreneur or a new parent, this book will encourage you to see every opportunity in life as a chance to lead in the "most excellent way."

**From Paycheck to Purpose** Thomas Nelson  
Welcome to the story of a real marriage.

---

Marriage is simultaneously the biggest blessing and the greatest challenge two people can ever take on. It is the joy of knowing there is someone to share in your joys and sorrows, and the challenge of living with someone who thinks it's a good idea to hang a giant antelope head on your living room wall. In *The Antelope in the Living Room*, New York Times best-selling author and blogger Melanie Shankle does for marriage what *Sparkly Green Earrings* did for motherhood—makes us laugh out loud and smile through tears as she shares the holy and the hilarity of that magical and mysterious union called marriage. *The Legend of the Monk and the Merchant*
