The central thesis of *The Christlike God* is that Jesus is the reflection in human life of the being of God. John Taylor begins by pointing out how few religious people-or non-religious people- ever stop and think about God, but tend to live with an unconscious stereotype. He discusses throughout the text how we acquire our idea of God, the nature of revelation experience, and the range of reflection on God both within and out-with the Christian tradition. Bishop John Taylor was one of the twentieth

century's leading Anglican missionary statesmen. An ecumenist, Africanist and theologian of international repute, he served as a General Secretary of the Church Missionary Society at a crucial stage in its development and later became Bishop of Windsor.

Work isn't supposed to be a four-letter word! Does the work you do matter to you? Are you unsure what you want to do for a living? Are you in the right place but looking to advance? No

matter where you are in your career, you were born to do work you love. National bestselling author and career expert Ken Coleman was stuck in an unfulfilling career until he realized he didn't have to be. In his latest book, he draws on what he learned from his own ten-year journey as well as from coaching thousands of others to walk you through the seven stages to discovering and doing meaningful work. Relevant to any job or industry, you'll learn step-by-step how to: Get Clear on the work you were uniquely

made to do and why. Get Qualified to do the work you were created for. Get Connected with the right people who can open the doors to your dream. Get Started by overcoming the emotions and mistakes that often hold people back. Get Promoted by developing winning habits and traits. Get Your Dream Job by doing work you love and accomplishing results that matter to you. Give Yourself Away by expanding the dream to leave a legacy. This is your moment. You are needed, and you were made to contribute. It's time to exit the daily grind

and use your talents to start living your dream once and for all.

The Guilt-Free Guide to Life Balance MIT Press

It's not about doing more. IT'S ABOUT DOING WHAT MATTERS. As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn't just a matter of

saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here's what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced — even in your busy life. In *Take Back Your Time*, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by some elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way. In Love Your Life, Not Theirs, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are

broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media

isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "Love Your Life, Not Theirs" is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and

approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of HerMoney with Jean Chatzky Podcast All Your Worth Springer Science & Business Media For nearly twenty years, Jay Owen has been building Design Extensions, a Florida-based marketing agency that's grown its revenue and profits every year since 1999. Increasing the company's revenue every single year hasn't been easy, but in doing so, Jay has learned that building a thriving business is possible, and that you don't have to sacrifice family or quality of life to do it. Jay has built Design Extensions while also being an invested husband to his wife, Claire, and

father to their five children. In *Building a Business That Lasts*, he shares all his most sought-after advice for aspiring business owners and entrepreneurs who reject the endless hustle and instead embrace the idea of a better way to succeed.

Racial and ethnic disparities in health care are known to

reflect access to care and other issues that arise from differing socioeconomic conditions. There is, however, increasing evidence that even after such differences are accounted for, race and ethnicity remain significant predictors of the quality of health care received. In *Unequal Treatment*, a panel of experts documents this evidence and explores how persons of color experience the health care environment. The book examines how disparities in treatment may arise in health care systems and looks at aspects of the clinical encounter that may contribute to such disparities. Patients' and providers' attitudes, expectations, and behavior are analyzed. How to intervene? *Unequal Treatment* offers recommendations for improvements in the medical care financing, allocation of care, availability of language translation, community-based care, and other arenas. The committee highlights the potential of cross-cultural education to improve provider-patient communication and offers a detailed look at how to integrate cross-

cultural learning within the health professions. The book concludes with recommendations for data collection and research initiatives. Unequal Treatment will be vitally important to health care policymakers, administrators, providers, educators, and students as well as advocates for people of color.

You are not alone; it is often difficult to reach young adults on the topic of money management, but look no further. I Want More Pizza finally has teenagers excited about personal finance and is giving them the confidence that they can succeed. This resource is being used in classrooms around the nation as young adults enjoy the pizza model for learning about money management. Now is available for the first time for you to bring into your home, give your young adult the gift of financial literacy and they will thank you for a lifetime. I am sure you have heard a few of these: "I don't need it", "I'm too young", "I need to spend my money on _____", and the list goes on. The pizza model for learning personal finance breaks down those

barriers because, well, everyone loves pizza! Just because money management is extremely important doesn't mean that it has to be extremely complex. I Want More Pizza leaves them in complete control to find the plan that works for your young adult - it's their choice. If they don't enjoy math or don't like to plan, no problem, we've got them covered as well. And it's only 70

pages, which young adults love given their busy social calendars. Money doesn't have to be stressful. Finally reach your young adult and help them become financially literate for a lifetime. After all, there is a lot of pizza in life to enjoy!
