Work isn't supposed to be a four-letter word! Does the work you do matter to you? Are you unsure what you want to do for a living? Are you in the right place but looking to advance? No matter where you are in your career, you were born to do work you love. National bestselling author and career expert Ken Coleman was stuck in an unfulfilling career until he realized he didn't have to be. In his latest book, he draws on what he learned from his own ten-year journey as well as from coaching thousands of others to walk you through the seven stages to discovering and doing meaningful work. Relevant to any job or industry, you'll learn step-by-step how to: Get Clear on the work you were uniquely made to do and why. Get Qualified to do the work you were created for. Get Connected with the right people who can open the doors to your dream. Get Started by overcoming the emotions and mistakes that often hold people back. Get Promoted by developing winning habits and traits. Get Your Dream Job by doing work you love and accomplishing results that matter to you. Give Yourself Away by expanding the dream to leave a legacy. This is your moment. You are needed, and you were made to contribute. It's time to exit the daily grind and use your talents to start living your dream once and for all.

The Legacy Journey Penguin

From Bill and Pam Farrel, bestselling authors of *Men Are Like Waffles--Women Are Like Spaghetti* and *Red-Hot Monogamy*, comes a new book especially for dating and engaged couples. Pulling off a successful wedding is one thing but fortifying a lifelong relationship is an entirely different endeavor. Relationship experts Jim Burns and Doug Fields invite couples to take a proactive approach to their marriage union—one that doesn't shy away from sticky areas and tough topics—in order to develop a solid course from the very beginning. Jim and Doug apply decades of frontline experience working with couples into this fresh and practical resource. Organized in nine highly relevant sessions, each centered on key biblical and relational touchstones, Burns and Fields equip participants to confront big issues including communication, finances, spirituality, and intimacy—prior to their wedding day. Great as a stand-alone resource or partnered with the *Getting Ready for Marriage: A Practical Road Map for Your Journey Together* book and companion video package.

[7 Smart Processes to Win Again After Suffering a Business Loss](#)

Thomas Nelson

"Claudette inspires you to fail into your success by transforming old patterns within yourself . . . to reach new levels in business or personal endeavors." —Sabrenay Brandon, YES INC. team member BAD (Begin Again Differently) is an inspiring guide to starting over again after suffering a major loss. Claudette Yarbrough empowers readers to use the 7 Smart Processes that led her to "restart" her nonprofit after she lost her annual four million dollar contract after eighteen years. Claudette teaches readers how to make a comeback when they acknowledge and embrace their failure. In BAD (Begin Again Differently) readers learn: How to embrace the power of believing again How to find their organization's new "why" for

existing The value of over-communicating How to find the decisiveness needed to make good decisions How to cultivate rock stars for their team How to use the power of motivating themselves to get back on the right track Any thoughts of starting over can seem like a hill that is too high to climb, but just because you've lost a lot doesn't mean you have to be lost. If you want to restart, BAD will be your essential guide to navigating the changes needed to triumph. "An inspirational reflection and pragmatic roadmap that is useful for anyone looking for a way to recover from a significant setback." —Matthew J. Pepper, EdD, coauthor of *Leading Schools During Crisis*

The Total Money Makeover University of Georgia Press

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

[Discover Why You Handle Money the Way You Do, and What to Do about It!](#) National Academies Press Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average" and know there's something better out there, but they just don't know how to reach it. One basic principle The Proximity Principle can change everything you thought you knew about pursuing a career you love. In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity Principle*, you'll know how to connect with the right people and put yourself in the right places, so opportunities will come and you'll be prepared to take them.

Smart Money Smart Kids Ramsey Press

It's not about doing more. IT'S ABOUT DOING WHAT MATTERS. As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn't just a matter of saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here's what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced—even in your busy life. In *Take Back Your Time*, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by some elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way. Without Sacrificing Family Ramsey Press

Seminary is an important step toward ministry—but only when you make the most of it. Many seminarians finish their education with regrets and missed opportunities. They feel spiritually drained, they never connected with their professors or colleagues, they are plagued with a long list of "What Ifs?" and worry they wasted this time. And many, as they enter the ministry, discover gaps in their education and are left thinking, If only my seminary had taught me that. Prepare for your calling and make the most of your theological training with *Succeeding at Seminary*. Seminary president Jason K. Allen provides guidance for incoming and current seminary students on how to maximize their education experience. You'll learn how to select the right institution and weigh the pros and cons of online or in-person classes. You'll also receive tips for developing rapport with peers and professors and get insights for how to navigate a work, study, and family-life balance to help you survive the rigors of advanced theological learning. Seminary can offer the opportunities and education you need to flourish in ministry, but only if you are ready to make the most of it. With *Succeeding at Seminary*, you'll get the guidance and encouragement you need to maximize your seminary opportunity and excel in your calling.

Baby Steps Millionaires Ramsey Press

Teaches you how to save money, invest, and build wealth; write and follow a budget; live debt free and attend college without student loans; set and achieve personal and career goals; become a wise consumer; evaluate employee benefits; describe different kinds of insurance and know what's best for you; communicate with others about money; identify types of taxes and how they affect your income; give to others of your money, time and talents; make informed and responsible financial decisions.

12 Keys to Getting the Most out of Your Theological Education MIT Press

You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you *Baby Steps Millionaires* isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

Foundations and Learning Algorithms Harvest House Publishers

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

BAD (Begin Again Differently) Morgan James Publishing

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.1 Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. *Debt-Free Degree* shows parents how to pay cash for college and set their child up to succeed for life.

The Financial Peace Planner Penguin

How to Ruin Your Life is a powerful self-help tool in the form of a work of humor. It is sardonic advice, presented with tongue in cheek, explaining how people can "ruin" their lives. The essays cover topics such as "Convince Yourself That You're All That Matters," "Think the Worst of Everyone," "Pour Salt on Those Wounds," and "You Can Change People." Seriously, though, to anyone who reads this book, it is an earnest warning about falling into

traps of self-destructive behavior that can ruin any man or woman's life. More than that, it comprises 35 steps that - if read and understood - provide a road map to making life work in the most effective way possible. It is humor and self-help all in one, delivered by Ben Stein, a man who has witnessed more than his share of people who did ruin their lives - as well as those whose lives have been wildly successful.
