The Richest Man in Babylon has been a favorite of Dave

Ramsey's for years. Set in ancient Babylon, this book is an inspiring collection of stories about people who have struggled with—and overcome—the same money problems most Americans face: feeling trapped by debt, living paycheck to paycheck, with little to no savings. In this exclusive edition of George Clason's classic, George gives his timeless principles for building lasting wealth, while Dave shares his proven money advice using quotes directly from The Dave Ramsey Show. With powerful storytelling, *The Richest Man in Babylon* gives fresh perspective and encouragement to all who want to change their lives and win with money. Join George and Dave as

they share how to: -Get out of debt -Budget -Live on less than you make -Invest wisely -Save for the future -Enjoy your life and money

As George says, "Money is plentiful for those who understand the simple rules of its acquisition." If you follow the wisdom of Babylon, financial peace—and a life of freedom—are just seven steps away.

The Total Money Makeover Workbook John Wiley & Sons

Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can

learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.¹ Student loan debt doesn't open doors for young adults—it closes them. They

postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In Debt-Free Degree, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents:

- *How to prepare their child for college
- *Which classes to take in high school
- *How and when to take the ACT and SAT
- *The right way to do college visits
- *How to choose a major

A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free

Degree shows parents how to pay cash for college and set their child up to succeed for life.

You Can Baby Step Your Way to

Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In Baby Steps Millionaires, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave

invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you Baby Steps Millionaires isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire.

Anyone can do it—even today. For those who are ready, it's game on!

Suze Orman has transformed the concept of personal finance for millions by teaching us how to gain control of our

money -- so that money does not control us. She goes beyond the nuts and bolts of managing money to explore the psychological, even spiritual power money has in our lives. The 9 Steps to Financial Freedom is the first personal finance book that gives you not only the knowledge of how to handle money, but also the will to break through all the barriers that hold you back. Combining real-life recommendations with the motivation to overcome financial anxieties, Suze Orman offers the keys to providing for yourself and your family, including: * seeing how your

past holds the key to your financial future * facing your fears and creating new truths * trusting yourself more than you trust others * being open to receiving all that you are meant to have * understanding the lessons of the money cycle The 9 Steps to Financial Freedom is useful advice and inspiration from the leading voice in personal finance. As Orman shows, managing money is far more than a matter of balancing your checkbook or picking the right investments. It's about redefining financial freedom -- and realizing that you are worth far more than your money.

Starting Over Simon and Schuster
Debt is the most aggressively marketed product in history. And it isn't just sold by banks and credit card companies anymore. Many national retail chains make more money on the sale of credit applications than they do on the actual merchandise they sell. In *Dumping Debt*, Dave blows the lid off the credit game, debunking the leading myths about debt that have become ingrained in our natural way of thinking.

Then he walks you right out of debt with his simple, clear and effective debt snowball technique.

The Step-by-Step Plan to Pay Off Your Student Loans Faster
Penguin

A thoughtful autobiographical work by an award-winning Australian novelist...traces themes of art and commitment through Crofts' relationships with three women. Miller pulls back from the narrative several times in interludes that return to the first person of the much older man and highlight how memory has many layers. A rich addition to the growing shelf of autofiction from a seasoned storyteller.' Kirkus, starred review
Sitting in a New York park, an old man holds a

book and tries to accept that his contribution to the future is over. Instead, he remembers a youthful yearning for open horizons, for Australia, a yearning he now knows inspired his life as a writer. Instinctively he picks up his pen and starts at the beginning... At twenty-one years, Robert Crofts leaves his broken dreams in Far North Queensland, finally stopping in Melbourne almost destitute. It's there he begins to understand how books and writing might be the saving

of him. They will be how he leaves his mark on the world. He also begins to understand how many obstacles there will be to thwart his ambition. When Robert is introduced to Lena Soren, beautiful, rich and educated, his life takes a very different path. But in the intimacy of their connection lies an unknowability that both torments and tantalises as Robert and Lena long for something that neither can provide for the other. In a rich blend of thoughtful and beautifully observed writing,

the lives of a husband and wife are laid bare in their passionate struggle to engage with their individual creativity. Alex Miller is magnificent in this most personal of all novels filled with rare wisdom and incisive observation. Praise for Coal Creek: 'a fine achievement' - Sydney Morning Herald 'a story that will linger in your mind' - Good Reading magazine 'The intelligence of the author haunts the novel, like an atmosphere.' - Australian Book Review

The Step-by-Step Guide to Getting Your Kid Through College Without Student Loans Ramsey Press

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card

bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to

you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get

you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "*Love Your Life, Not Theirs* is full of the kind of practical, straightforward

advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for Woman's Day "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no

matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of Where the Light Gets In "In today's world of social media, the temptation to play the comparison game is stronger than ever. Love Your Life, Not Theirs is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of HerMoney with Jean Chatzky Podcast
