5 Simple Keys to Financial Freedom
B&H Publishing Group

In his first bestseller, *Financial Peace*, Dave Ramsey taught us how to eliminate debt from our lives. Now in *More Than Enough*, he gives us the keys to building wealth while also creating a successful, united family. Drawing from his years of work with thousands of families and corporate employees, Ramsey presents the ten keys that guarantee family and financial peace, including:

values, goals, patience, discipline, and giving back to one's community.

Using these essential steps anyone can create prosperity, live debt-free, and achieve marital bliss around the issue of finances. Filled with stories of couples, single men and women, children, and single parents, *More Than Enough* will show you:

- How to create a budget that fits your income and creates wealth
- What finances and romance have to do with one another
- What

role values play in your financial life

- How to retire wealthy in every way
- And much, much more

Resonating with Ramsey's down-home, folksy voice, heartwarming case histories, inspiring insights, quotations from the Bible, and exercises, quizzes, and worksheets, *More Than Enough* provides an inspiring wealth-building guide and a life-changing blueprint for a vital family dynamic. Now available for Pre-Order! A common resolution set at the beginning of a new year is to "get my financial house in order." But how can you build a house, let alone pour any kind of foundation, without a blueprint? There are dozens of books and gurus trying to push their advice and tell you how to spend and invest your money. And then, there are three suburban dads just trying to make the world a little bit better.

Meet Brad Barrett and Jonathan Mendonsa of the award-winning ChooseFI podcast and Chris Mamula of the popular blog "Can I Retire Yet?". They have walked the talk and now want to share their knowledge with you. Together, these three regular guys will show you how they did something extraordinary. They are all financially independent and doing meaningful work that fulfills them. All three left their corporate 9 to 5 jobs and are reaping

the benefits of extra time with their families. Mirroring the format of the popular ChooseFI podcast, this book pulls from the collective knowledge of those who have decided to build a lifestyle around their passions instead of allowing their finances to dictate their future. These stories demonstrate universal principles, giving you the opportunity to pick the elements that are the most applicable to your financial situation and

"choose your own adventure." The book covers a wide range of topics that will help you build a strong financial foundation: Developing a growth mindset Defining your values and aligning them with your spending Cutting years from your estimated retirement date Questioning the status quo on "required expenses" Cutting travel expenses and putting family vacations within your reach Learning how to earn more and live with

abundance Updating the commonly accepted wisdom on college education and the debt associated with it Cutting through the noise on investing to discover strategies that work Showing how to implement investment strategies that enable the lifestyle you desire while controlling downside risk FI or Financial Independence is the new debt-free and getting back to 0 is just the beginning of a wonderful journey.

Whether you have mountains of debt now or are recently debt free and wondering what to do next, *Choose FI: Your Blueprint to Financial Independence* will give you the information to guide your next move.

Retire Inspired Lampo From New York Times bestselling author and nationally syndicated talk radio host Dave Ramsey comes the secret to how he grew a multimillion dollar company from a card table in his living room. If you're at all responsible for your company's success, you can't just be a hard-charging entrepreneur or a motivating, encouraging leader. You have to be

both! Dave Ramsey, America's trusted voice on money and business, reveals the keys that grew his company from a one-man show to a multimillion-dollar business—with no debt, low turnover, and a company culture that earns it the “Best Place to Work” award year after year. This book presents Dave's playbook for creating work that matters; building an incredible group of passionate, empowered team members; and winning the

race with steady momentum that will roll over any obstacle. Regardless of your business goals, you'll discover that anyone can lead any venture to unbelievable growth and prosperity through Dave's common sense, counterculture, **EntreLeadership** principles!
Financial Peace Dave Ramsey's *Financial Peace* Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically

deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial

professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to:
Graduate from medical school with as little debt as possible
Escape from student loans within two to five years of residency graduation
Purchase the right types and amounts of insurance
Decide when to buy a house and how much to spend on it
Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor
Avoid

investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent

contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor "Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street "Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap

the bounty of both his experience and his research." - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books "This book should be in every career counselor's office and delivered with every medical degree." - Rick Van Ness, Author of Common Sense Investing "The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk." - Joe Jones, DO "Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis." - Dennis Bethel,

You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money

and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In Baby Steps Millionaires, you will . . .
*Take a deeper look at Baby Step 4 to learn how Dave invests and builds

wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you Baby Steps Millionaires isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is

straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on! **The Financial Peace Planner** White Coat Investor LLC the "Outstanding! hits the nail on the head in every way: Practical content, terrific

stories, and an easy read. Miller has provided a road map for organizations to become exceptional--just follow the path laid out. Definitely a must read!" --Dave Ramsey, author of Total Money Makeover and host of The Dave Ramsey Show Every day outstanding organizations do things and promote values that ensure they will retain customers, grow revenues, increase market share, and build their reputations. People in these organizations hold

values and take actions-- individually and collectively--that are not always easy or obvious but are fundamentally powerful. Informed by his own commitment to the concept of personal accountability and enlivened by compelling true stories from exceptional organizations, in this insightful and accessible book John Miller identifies the principles and behaviors that distinguish such organizations from the

pack and provides readers with ways to integrate them into their own work. With its pithy entries that carry significant impact, *Outstanding* is by turns a playbook, a guide, and an inspiration. It is filled with practical ideas that can--and should--be used every single day by individuals and teams from the boardroom to the stockroom for creating a distinguished organization with which customers and stakeholders will want to work.

Debt-Free Degree Penguin Dave Ramsey teaches you how to make the right moves with your money. **The White Coat Investor** Thomas Nelson Imbalance is natural. The key is to make it purposeful. In *Life on the Wire*, New York Times best-selling author Todd Duncan challenges the status quo in search of a better, smarter way to work and live. He profiles several people striking out to find "balance." You'll meet an entrepreneur, a

bartender, and an accountant, among others. You'll hear their stories, their challenges, their insights, and the critical lessons they learned. Duncan contends the last thing we need amid life's inherent imbalance is another attempt at a how-to formula for perfect balance?equal parts work and life. In fact, he argues that such a holy grail does not exist. Instead, he has issued a more pragmatic formula he calls purposeful imbalance: the

process of purposefully leaning toward work without sacrificing life and purposefully leaning toward life without damaging your career. It is precisely the way a tight-rope walker makes his way across a one-inch rope without falling. "I've always believed that when you're at work, you should work hard, and when you're at home, you should play hard. That's easy to say, but for a lot of people it's hard to do. In Life on the Wire, Todd

Duncan clears up the myth about the 'balanced' life and shows you how to rejoice in the purposeful—and planned—imbalanced life." —Dave Ramsey, Best-Selling author and host of The Dave Ramsey Show **EntreLeadership** Vanguard Press
The motivating host of one of the nation's largest leadership conferences offers a collection of inspirational and applicable life lessons through conversations with various high profile people. Albert

Einstein once said, “To raise new questions, new possibilities, to regard old problems from a new angle, requires creative imagination and marks real advance in science.” What is true of science, I’m convinced, is true in all of life. Great questions are often the keys that unlock possibilities for human advancement. That truth has been proven again and again throughout human history, as great interviewers from Bob Costas to Barbara Walters have captivated audiences and ignited imaginations. In a world

where the messages of public figures and politicians are carefully crafted by publicists and media consultants, we often receive only partial pictures and manipulated facts. The right questions uncover truths we might not otherwise know. They pull back the curtain on the wizard and give us a more accurate view of reality. —Excerpt from the Introduction If you could sit down with the people you most admire and ask just one question, what would you ask? All Your Worth Penguin
What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth?and the wealthy. Worse,

there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are

left feeling guilty about it. Is this what God had in mind?
