Your Life...Well Spent Ramsey Press
Every parent wants the best for their child. That ' s why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That ' s why the majority of graduates walk away with \$35,000 in student loan debt and

no clue what that debt will really cost them.¹ Student loan debt doesn ' t open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In Debt-Free Degree, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven ' t saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college

visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life.

"Outstanding! hits the nail on the head in every way: Practical content, terrific stories, and an easy read. Miller has provided a road map for organizations to become exceptional--just follow the path laid out. Definitely a must read!" --Dave Ramsey, author of Total Money Makeover and host of The Dave Ramsey Show Every day outstanding organizations do things and promote values that ensure they will retain customers, grow revenues, increase market

share, and build their reputations. People in these organizations hold values and take actions--individually and collectively--that are not always easy or obvious but are fundamentally powerful. Informed by his own commitment to the concept of personal accountability and enlivened by compelling true stories from exceptional organizations, in this insightful and accessible book John Miller identifies the principles and behaviors that distinguish such organizations from the pack and provides readers with ways to integrate them into their own work. With its pithy entries that carry significant impact, Outstanding is by turns a playbook, a guide, and an inspiration. It is filled with practical ideas that can--and should--be used every single day by individuals and teams from the boardroom to the stockroom for creating a distinguished organization with which customers and stakeholders will want to work.

Graced with sky-high mountains and carved with ever-falling trenches, life has offered you the perfect balance of everything you could ever need. In this book, however, you will learn about the most crucial aspects of life that seem to slip past the conscious mind. You will learn the most important Universal Law, and you will

learn exactly how and when to use it in order to achieve anything you desire. Filled with examples, lessons, and easy-to-understand explanations of the Law of Attraction, this book gives you the gift you need to understand reality. It is presented in the form of seventy-eight different real-life scenarios in order to address every possible question or perspective you may have. So many people in this world live and breathe the Law of Attraction, continually proving its value. Now, it's your turn to understand.

The Legend of the Monk and the Merchant

Harvest House

Publishers

In this perfectly compact read, #1 New

York Times bestselling author John C. Maxwell explains how true leadership works. It is not generated by your title. In fact, being named to a position is the lowest of the five levels every effective leader achieves. To be more than a boss people are required to follow, you must master the ability to inspire and invest in people. You need to build a team that produces not only results, but also future leaders. By combining the advice contained in these pages with skill and dedication, you can reach the pinnacle of leadership—where your influence extends beyond your immediate reach for the benefit of others. Derived from material previously published in the Wall Street

Journal bestseller *The 5 Levels of Leadership*.

More Than Enough

Ramsey Press

Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average" and know there's something better out there, but they just don't know how to reach it. One basic principle?

The Proximity

Principle? can

change everything you thought you knew about pursuing a career you love.

In his latest book,

The Proximity

Principle, national

radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process.

You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity Principle*, you'll know how to connect with the right people and put yourself in the right places, so opportunities will come and you'll be prepared to take them.
