## Panic during a pandemic; that some of us were not prepared ...

I was taught about the power of lists by a friend of mine when I sent her a text a couple of days after a very bad panic attack with a very long hangover period. My friend instructed me to write down everything that I needed or wanted to do that day, and keep the list beside me. Every time I complete a task, I cross that item off the list, and ...

*Is It Possible to Have a Continuous Panic Attack?*

Those first few days after a panic attack, I am at peace and OK with just being alive. There is nothing more I could need, nothing more I could ask for. While I dread the idea of another attack and pray that there was a different way I could be reminded of my glorious existence, I know that this is my life.
